stumbled headlong into a secret conspiracy that will transform V.G.O. into a new feudal dark age. Jack expected to live out his new fantasy life in peace, but now he and his misfit crew of rebels are the only ones preventing a tyrant emperor and his regime from taking power.

Thankfully, everything isn't quite as hopeless as it seems- Jack has a plan. Sort of. With only a handful of supporters, he's going to get the jump on the bloodthirsty empire by snatching one of their key cities right from underneath their noses. In order to pull off the impossible, however, Jack's going to have to

develop his formidable Shadowmancer powers, raid some ridiculous dungeons, and make some shady allies- allies who may be more dangerous than the empire itself. As they fight a desperate guerrilla war, their only hope may lie in the hands of a disgraced commissar, hell-bent on revenge.
