A Divine Revelation of Hell Destiny Image Publishers  
Visions of Hell... In A Divine Revelation of Hell, over a period of thirty nights, God gave Mary K. Baxter visions of hell and commissioned her to tell people still alive on earth to reject sin and evil, and to choose life in Christ. Here is an account of the place and beings of hell contrasted with the glories of heaven. Follow Mary in her supernatural journey as she enters with Jesus into a gateway to hell and encounters the sights, sounds, and smells of that dark place of torment, including its evil spirits, cells, pits, jaws, and heart. Be an eyewitness to the various punishments of lost souls and hear their shocking stories. This book is a reminder that each of us needs to accept the miracle of salvation before it is too late—and to intercede for those who do not yet know Christ. Time is running out.

A tragic suicide may have ended the earthly life of Harriet Deison, but it didn't end the love story she shared with her husband, Pete. Their connection continued through Pete's vivid dreams of Harriet sent from her new home in heaven. Pete and Harriet Deison were enjoying a full life of being parents, grandparents, and partners in ministry when deep depression spiraled Harriet into a darkness that caused her to take her own life. Suddenly thrust into unimaginable grief, Pete, a Presbyterian minister, turns to his roots as a student and educator in an attempt to make sense of it all. Visits from Heaven is the love story of a man and his wife of forty-three years, which quietly becomes the story of God's love for his children. The narrative of strange coincidences, amazing answers to prayer, and dozens of dreams by Pete and others affirms that there is a continued existence of a loved one that can be experienced here on earth. Is heaven a place where real life continues, or is it all clouds, pearly gates, and long church services? Visits from Heaven answers those questions, giving readers a clearer picture of what life is like for a believer after he or she leaves earth. It's also a wake-up call for those who secretly think heaven is a dry and boring place. Deeply grounded in the Scriptures and in the classic works of writers such as C.S. Lewis, Sheldon Vanauken, John Claypool, Randy Alcorn, and N.T. Wright, Deison shares biblical truths about the reality

of our continued existence and the nature of our heavenly home. Visits from Heaven gently leads grieving people on an effective and insightful journey through the grief and recovery process.

Author and minister Asfaw Berhane shares his supernatural experiences, including visitations from Jesus and angelic beings, that gave him a revelation into heaven and hell. He not only shares his personal testimony but discusses the supernatural topics of dreams, visions, and the Tribulation. Throughout the book, Scripture references are given to support the visions and visitations. This is not a scare tactic but rather solid teaching on heaven and hell that will inspire readers toward righteousness and the pursuit of a tangible relationship with Christ. The purpose of the message is to show heaven is a reality and that living purely is not an option but a must.

I wrote The Modern Version IncurSION because there is a need in the church for Christians to see plainly that the modern versions of the Bible are counterfeits. God wrote one Bible, not three hundred! The Bible tells us plainly that God's word is forever settled in heaven, as Psalm 119:89 teaches. This means the word of God is established and firm in heaven. The modern versions attack the cardinal doctrines of the Christian faith and especially attack the Lord Jesus Christ. The modern versions are based on the second-century Gnostic beliefs that were prevalent in Alexandria, Egypt. They disbelieved that Jesus was the Son of God and that He was not the incarnation of deity. What is really unhealthy is when the pastor of a church pushes these counterfeits and convinces their congregation that they are the most accurate. I sincerely desire Christians to look at their modern version and then compare it with the King James Bible and ask the question, why is theirs so different? We will look at 747 verses, which should be more than enough to convince even the skeptic. Christians will search out a neighborhood to live in, check out a mutual fund or stock, research a car before they buy; but when it comes to Bibles, they couldn't care less what they use. It shows how Christian commitment is lacking, and the weakness of modern Christianity attests to that fact. If one uses a counterfeit, they will be weak in their walk. Since the 1901 ASV came out, the church has become so weak it needs to be put on life support. When you start making the comparisons in this book, you will see that Christianity has been sold a bill of goods.

As far as I knew then, that day was just another day in the march towards old age. Nothing special happened to give me a glimpse into what I was about to experience that same evening. Briefly finding himself out of work in 1992, after working as an airline pilot, Ty felt a certain dissatisfaction with his life that he couldn't quite put his finger on. Then, one night, alone in his flat and unable to sleep, Ty hears a voice telling him to go to church. In the early hours of the morning and in the midst of intermittent power cuts, he leaves his home to do just that, and so begins his life as a Christian. Through this engaging and unusual description of his own experiences, which include finding himself asleep at the altar in the middle of a church service and the miraculous healing of his wife, Ty aims to make the reader aware of the true nature of Christian faith. Guided by the word of God, he explores several revealing dreams and tries to find answers to the challenging questions which result. This is an illuminating and rewarding read for both Christians and non-Christians alike.

David Kessler, one of the most renowned experts on death and grief, takes on three uniquely shared experiences that challenge our ability to explain and fully understand the mystery of our final days. The first is "visions." As the dying lose sight of this world, some people appear to be looking into the world to come. The second shared experience is getting ready for a "trip." The phenomenon of preparing oneself for a journey isn't new or unusual. In fact, during our loved ones' last hours, they may often think of their impending death as a transition or journey. These trips may seem to us to be all about leaving, but for the dying, they may be more about arriving. Finally, the third phenomenon is "crowded rooms." The dying often talk about seeing a room full of people, as they constantly repeat the word crowded. In truth, we never die alone. Just as loving hands greeted us when we were born, so will loving arms embrace us when we die. In the tapestry of life and death, we may begin to see connections to the past that we missed in life. While death may look like a loss to the living, the last hours of a dying person may be filled with fullness rather than emptiness. In this fascinating book, which includes a new Afterword, Kessler brings us stunning stories from the bedsides of the dying that will educate, enlighten, and comfort us all.
