He spoke of mercy, He warned of judgment...on the world's trading systems, on ministry leaders...upon the church. He wept In two separate visitations in 2002, He spoke iin anguish of the last days assignments against the elect, He warned of the great blinding, of seduction, lust and Jezebel, and the great falling away... 'My children perish...' Jesus' voice was so soft...that it was barely audible... And then He turned to me, His beautiful countenance ravaged with grief. As far as I knew then, that day was just another day in the march towards old age. Nothing special happened to give me a glimpse into what I was about to experience that same evening. Briefly finding himself out of work in 1992, after working as an airline pilot, Ty felt a certain dissatisfaction with his life that he couldn't quite put his finger on. Then, one night, alone in his flat and unable to sleep, Ty hears a voice telling him to go to church. In the early hours of the morning and in the midst of intermittent power cuts, he leaves his home to do just that, and so begins his life as a Christian. Through this engaging and unusual description of his own experiences, which include finding himself asleep at the altar in the middle of a church service and the miraculous healing of his wife, Ty aims to make the reader aware of the true nature of Christian faith. Guided by the word of God, he explores several revealing dreams and tries to find answers to the challenging questions which result. This is an illuminating and rewarding read for both Christians and non-Christians alike.

David Kessler, one of the most renowned experts on death and grief, takes on three uniquely shared experiences that challenge our ability to explain and fully understand the mystery of our final days. The first is "visions." As the dying lose sight of this world, some people appear to be looking into the world to come. The second shared experience is getting ready for a "trip." The phenomenon of preparing oneself for a journey isn't new or unusual. In fact, during our loved ones' last hours, they may often think of their impending death as a transition or journey. These trips may seem to us to be all about leaving, but for the dying, they may be more about arriving. Finally, the third phenomenon is "crowded rooms." The dying often talk about seeing a room full of people, as they constantly repeat the word crowded. In truth, we never die alone. Just as loving hands greeted us when we were born, so will loving arms embrace us when we die. In the tapestry of life and death, we may begin to see connections to the past that we missed in life. While death may look like a loss to the living, the last hours of a dying person may be filled with fullness rather than emptiness. In this fascinating book, which includes a new Afterword, Kessler brings us stunning stories from the bedsides of the dying that will educate, enlighten, and comfort us all.

Despite our advancements in science and medicine, death remains one of civilization's most glorious mysteries. Doctors have written books on near-death experiences, but research and data for pre-death experiences is scarce. Because of this lack of information, Dr. John Lerma has devoted his career to compiling anecdotal and scientific

research on pre-death hallucinations from the countless terminally ill patients he lovingly cares for as a doctor and director at the Medical Center of Houston. Here, in this groundbreaking book, Dr. Lerma shares his valuable research and guidance in 16 inspirational stories of children and adults confronting their deaths through the comforting visions of divine beings. By presenting the mysterious visions, synchronicities, and angelic conversations terminally ill patients encounter, Dr. Lerma shows how knowledge of death can ease the pain and fear as we prepare to enter into the light. The poignant stories in [Into the Light](#) will leave you feeling uplifted in faith, hope, and love. [Nine Days in Heaven](#) Christian Faith Publishing, Inc.

[Wounded Warriors](#) is a collection of posts from Wendy's public facebook page and additional material. These posts which appeared over the course of a year specifically recounted deeply personal prophetic and seer encounters between the Father, Jesus and Wendy during a time of her intense emotional struggle in the aftermath of seperation and divorce. Wendy's heartfelt, personal messages resonated with so many people who have also found themselves in the icy grip of abandonment and heartbreak, facing an uncertain future. This book will bring consolation and hope, joy and focus for the journey out of the loneliness and silence of the wilderness. ..".Know this, beloved child of my heart, the tsunami is over, the robbery, grief and loss of yesteryear are swiftly coming to an end." I wrote [The Modern Version Incursion](#) because there is a need in the church for Christians to see plainly that the modern versions of the Bible are counterfeits. God wrote one Bible, not three hundred! The Bible tells us plainly that God's word is forever settled in heaven, as Psalm 119:89 teaches. This means the word of God is established and firm in heaven. The modern versions attack the cardinal doctrines of the Christian faith and

especially attack the Lord Jesus Christ. The modern versions are based on the second-century Gnostic beliefs that were prevalent in Alexandria, Egypt. They disbelieved that Jesus was the Son of God and that He was not the incarnation of deity. What is really unhealthy is when the pastor of a church pushes these counterfeits and convinces their congregation that they are the most accurate. I sincerely desire Christians to look at their modern version and then compare it with the King James Bible and ask the question, why is theirs so different? We will look at 747 verses, which should be more than enough to convince even the skeptic. Christians will search out a neighborhood to live in, check out a mutual fund or stock, research a car before they buy; but when it comes to Bibles, they couldn't care less what they use. It shows how Christian commitment is lacking, and the weakness of modern Christianity attests to that fact. If one uses a counterfeit, they will be weak in their walk. Since the 1901 ASV came out, the church has become so weak it needs to be put on life support. When you start making the comparisons in this book, you will see that Christianity has been sold a bill of goods.

This book invites readers into Tolkien's world through the lens of a variety of philosophers, all of whom owe a rich debt to the Neoplatonic philosophical tradition. It places Tolkien's mythology against a wider backdrop of Catholic philosophy and asks serious questions about the nature of creation, the nature of God, what it means to be good, and the problem of evil. Halsall sets Tolkien alongside both his contemporaries and ancient authors, revealing his careful use of literary devices inspired by them to craft his own "mythology for England."

Inside the Gates of Heaven is one of the most compelling accounts of an individual's encounters with God in this generation. Not only does this account take you on a journey through the gates of glory, it answers some of the questions long asked by many about our eternal destination. I have personally read and re-read this account in light of what the Lord is revealing to many of us in this hour and find that Brother Oden was a forerunner for many of us. His words and experiences have been repeated through many others who have had similar experiences. The Lord is truly trying to encourage this generation with the reality that awaits all of us - Heaven, our eternal destiny. Bruce Allen For those unsure of the existence of Heaven, Oden Hetrick's detailed account of his visits to the place we all long for serves as a true doubt-demolisher and faith-injector. The fact that Oden led an exemplary righteous, Christian life lends further credence to his written testimony. It was my honor both to have known him as a friend and to have been inspired by his great faith. Steve Jones Extra Mile Ministries www.extramileministries.net The Hetrick family is very special to me. They adopted me into their family like a daughter and sister, and have blessed me in many ways. Dad Hetrick was a genuine man of God with a gentle spirit. I trust you will be blessed and edified by what the Lord has revealed to him. I look forward to experiencing the exciting glories of Heaven soon that he has left on record for our encouragement and instruction. Arlene A. Cober
