In a technology driven world, basic knowledge and

awareness about computers is a must if we wish to lead

a successful personal and professional life. Today

Computer Awareness is considered as an important

dimension in most of the competitive examinations like

SSC, Bank PO/Clerk & IT Officer, UPSC & other State

Level PSCs, etc. Objective questions covering Computer

Awareness are asked in a number of competitive exams,

so the present book which will act as an Objective

Question Bank for Computer Awareness has been

prepared keeping in mind the importance of the subject.

This book has been divided into 22 chapters covering all

the sections of Computer Awareness like Introduction to

Computer, Computer Organisation, Input & Output

Devices, Memory, Software, MS-Office, Database,

Internet & Networking, Computer Security, Digital

Electronics, etc. The chapters in the book contain more

than 75 tables which will help in better summarization of

the important information. With a collection of more than

3500 objective questions, the content covered in the

book simplifies the complexities of some of the topics so

that the non-computer students feel no difficulty while

studying various concepts covered under Computer

Awareness section. This book contains the most

streamlined collection of objective questions including

questions asked in competitive examinations upto 2014.

As the book thoroughly covers the Computer Awareness

section asked in a number of competitive examinations,

it for sure will work as a preparation booster for various

competitive examinations like UPSC & State Level PSCs

Examinations, SSC, Bank PO/Clerk & IT Officer and

other general competitive & recruitment examinations.
