In the contemporary
world, voices are

caught up in
fundamentally
different realms of
discourse, practice,
and culture: between
sounding and
nonsounding,
material and
nonmaterial, literal
and metaphorical. In

The Voice as
Something More,
Martha Feldman and
Judith T. Zeitlin
tackle these
paradoxes with a
bold and rigorous
collection of essays
that look at voice as
both object of desire

and material object. Using Mladen Dolar's influential A Voice and Nothing More as a reference point, The Voice as Something More reorients Dolar's psychoanalytic analysis around the material dimensions of voices—their physicality and timbre, the fleshiness of their mechanisms, the veils that hide them, and the devices that enhance and distort them. Throughout, the essays put the body back in voice. Ending with a new essay by Dolar that offers reflections on these vocal aesthetics and paradoxes, this authoritative, multidisciplinary collection, ranging from Europe and the Americas to East Asia, from classics and music to film and literature, will serve as an essential entry point for scholars and students who are thinking toward materiality.

La Walkyrie University of Chicago Press Expertly arranged concerto for viola and piano. *La Walkyrie - Wagner* Walter de Gruyter GmbH & Co KG This book/CD package guides readers and listeners on a journey through Franz Schubert's Winterreise song cycle, in which the composer set the poetry of Wilhelm Müller to music. The complete text of the 24 poems is presented in both German and English, with 116 b&w photographs of winter scenes on the facing pages. An introductory essay by Susan Youens (musicology, U. of Notre Dame) offers a critical examination of the song cycle. The music CD features a new recording of Winterreise, performed by baritone Paul Rowe and pianist Martha Fischer. Oversize: 10.25x10.25". Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).

Chalet Monet
is the
magnificent
home of Dame
Joan
Sutherland
OM AC DBE
and her
husband,
Maestro
Richard
Bonynges AC
CBE. In his
charming,
eloquent, conversational
style,
Richard

Bonynges takes us inside the home and life he has shared with Dame Joan, and in so doing provides rare insight into two of the greatest international cultural icons in opera of all time. The Chalet was introduced to Dame Joan and Richard by their close friend Noel Coward who resided in the neighbouring property.

The opulence of each of the distinctive rooms over the four floors and vistas from the Chalet is artfully captured in stunning photography. Paintings and objets d'art line the walls and fill the cabinets, each with their own provenance; presented by royalty or celebrities, embroidered by Dame Joan or collected by

Richard. Through the stories of these artefacts, told by Richard in eloquent conversational style, we learn about the life and times of two of the most formidable figures associated with opera in the 20th Century. For those fortunate enough to have discovered and experienced the thrill

of opera and all the larger than life characters associated with it, to enter Chalet Monet is somewhat of a fairy tale experience that could be taken right out of a Cinderella story ... Chalet Monet is a house with a thousand stories. It is living history, theatrical, a beautiful home with enormous	spirit like its owners. It radiates grandeur yet intimacy with places to sit and contemplate, views to linger over, books to be read, paintings to admire and music to listen to. It is a treasure trove for the senses where many a story has been told or begun. Only its walls and its owners remember the	decades of music making here and possibly the odd neighbour and the cows on the grassy slopes ... Thank you, Richard for allowing us to enter your private and colourful world. From the Preface by Fiona Janes Artistic Director General Manager Joan Sutherland & Richard Bonyng

international relations. After Christian armies defeated the Ottomans at Vienna in 1683, the Turks no longer seemed as threatening. Europeans increasingly understood that Turkish issues were also European issues, and the political absolutism of the sultan in Istanbul was relevant for thinking about politics in Europe, from the reign of	Louis XIV to the age of Napoleon. While Christian European composers and publics recognized that Muslim Turks were, to some degree, different from themselves, this difference was sometimes seen as a matter of exotic costume and setting. The singing Turks of the stage expressed strong political perspectives	and human emotions that European audiences could recognize as their own. <i>Recent International Opera Discography</i> Lulu.com The founder, guitarist, and manager of the world-famous heavy metal band Twisted Sister delivers his "bizoir": part memoir and part business primer.  . French guide for en-garde composer
 shows how, trepreneurs, Alice Coltrane
 through businesspeop was a
 tenacity, le, and composer,
 grit, and music fans improviser,
 Coltrane. Over

the course of her musical life, she synthesized a wide range of musical genres including gospel, rhythm-and-blues, bebop, free jazz, Indian devotional song, and Western art music. Her childhood experiences playing for African-American congregations in Detroit, the ecstatic and avant-garde improvisations she performed on the bandstand with her husband John Coltrane, and her religious pilgrimages to India reveal themselves on more than twenty albums of original music for the Impulse and Warner Brothers labels. In the late 1970s Alice Coltrane became a swami, directing an alternative spiritual community in Southern California. Exploring her transformation from Alice McLeod, Detroit church pianist and bebopper, to guru Swami Turiya Sangitananda, Monument Eternal illuminates her music and, in turn, reveals the exceptional fluidity of American religious practices in the second half of the twentieth century. Most of all, this book celebrates the hybrid music of an exceptional, boundary-crossing African-American artist.
