Popular Photography

I'd always wanted to travel, except that I didn't know it. After graduating from college, getting a job, and setting out on my own, I made some sporadic attempts to see some of the

world. It took a while to figure way.

out how and it was only after I Popular Photography

got married that the two of us

came upon a strategy that worked Popular Science

for us. This book is a

collection of stories about my

Popular Photography

mostly modest opportunities to

Popular Photography

travel. This is not a how-to

book. There will be no listings

Popular Photography

of the best places to go. You

will not find even a slightly

comprehensive guide to

Popular Photography

locations, National Parks,

interesting cities, countries,

Montgomery Ward [catalogue].

or anything else particularly

Popular Photography

useful. However, I hope you will

find some interesting and

Popular Photography

amusing stories about surprises

that we encountered along the
