The inimitable Richard Jury returns in the latest in the bestselling mystery series: "Martha Grimes has written a whodunit with terrific characters and a grand plot mixed with her unique droll wit. Vertigo 42 is one smart mystery!" (Susan Isaacs, bestselling author of Goldberg Variations) Richard Jury is meeting Tom Williamson at Vertigo 42, a bar on the forty-second floor of an office building in London's financial district. Despite inconclusive evidence, Tom is convinced his wife, Tess, was murdered seventeen years ago. The inspector in charge of the case was sure Tess's death was accidental—a direct result of vertigo—but the official police inquiry is still an open verdict and Jury agrees to re-examine the case. Jury learns that a nine-year-old girl fell to her death five years before Tess at the same place in Devon where Tess died, at a small house party. Jury seeks out the five surviving party guests, who are now adults, hoping they can shed light on this bizarre coincidence. Ultimately, four deaths—two in the past, two that occur on the pages of this intricate, compelling novel—keep Richard Jury and his sidekick Sergeant Wiggins running from their homes in Islington to the countryside in Devon and to London as they try to figure out if the deaths were accidental or not. And if they are connected. Witty, well-written, with literary references from Thomas Hardy to Yeats, Vertigo 42 is a pitch perfect, page-turning novel from a mystery writer at the top of her game.

Venus and Mercury have long been regarded as difficult targets for amateur observers, but advances in commercially-made telescopes have brought them within the skills of observers of only moderate experience. Peter Grego's fascinating book presents an up-to-date, detailed description of the history and geology of the so-called inferior planets, and provides the latest, most useful advice on observing and recording them with commercially-available telescopes and cameras. The book also offers a wealth of detailed practical information on every aspect of observing, from safely targeting the two planets, through visual observing, to sketching and electronic imaging.

From the heart of The Velvet a writing community built around the fervent love of neo-noir fiction comes an original anthology. Stacked with brilliant emerging writers alongside some of the strongest established voices in contemporary literature, WARMED AND BOUND crosses literary boundaries on all sides, to deliver an altogether unique reading experience. Through seemingly opposed conventions, beautiful prose makes a hard impression on the short story form. From a scary love story to a nostalgic thriller, a hardboiled pursuit of salvation to the black humor that is existentialism, WARMED AND BOUND is rogue humility and lovesick noir, where humanity is a dirty puzzle. It 's Velvet Noir. Welcome. Investment has flooded back to cities because dense, walkable, mixed-use urban environments offer choices that support diverse dreams. Auto-oriented, single-use suburbs have a hard time competing. Suburban Remix brings together experts in planning, urban design, real estate development, and urban policy to demonstrate how suburbs can use growing demand for urban living to renew their appeal as places to live, work, play, and invest. The case studies and analysis show how compact new urban places are being created in suburbs to produce health, economic, and environmental benefits, and contribute to solving a growing equity crisis.

Another hilarious offering from bestselling author Cate Kendall. From the backwaters of Tasmania to the sophisticated streets of Sydney, sisters Bellarene and Serandipity have come a long way. As international flight attendants the world is their oyster – until Sera fell in love and settled for family life. Obsessed with keeping up appearances, Sera goes to extreme lengths to maintain the illusion of perfection, while Bella just wants to fly away from the responsibility of mothering her little sister, from the sadness of her broken marriage, and from memories of the past. Gathering her friends at Stitch 'n' Bitch is like therapy. There's a lot of talk, and not much knitting - and they wouldn't have it any other way. Ditzzy Mallory has her own shocks in store, and single mum Chantrea agonises over work and childcare. Widowed single dad, Sam, is terrified of the dating scene, and Sera's uptight neighbour, Jacqueline, has a little secret, one that could destroy her neatly ordered world. Meanwhile Joan, Sera's mother-in-law, watches then all and sniffs with disdain at their trivial worries. Sera wants to be perfect. Bella just wants to be free. Will the sisters get what they want?

Autonomous and nonautonomous Chua"s circuits are of special significance in the study of chaotic system modeling, chaos-based science and engineering applications. Since hardware and software-based design and implementation approaches can be applied to Chua"s circuits, these circuits are also excellent educative models for studying and experimenting nonlinear dynamics and chaos. This book not only presents a collection of the author"s published papers on design, simulation and implementation of Chua"s circuits, it also provides a systematic approach to practising chaotic dynamics.

Two servants discover family skeletons behind the closed doors of a forbidding Manhattan mansion in this mystery by a three-time Edgar Award–winning author. In dire financial straits, young couple Mike and Amy Lloyd—a former cab driver and a New York prep-school teacher, respectively—have signed away their independence to become live-in servants for one of the city’s wealthiest and most private families. At first, the Durie home, a cavernous Gilded Age palazzo off Fifth Avenue, is a maze of intimidation: sixteen other employees, eight Duries in residence, forbidden rooms, and an exact and unbreakable set of rules. For Amy, personal secretary to the aged and blind Miss Margaret, that includes never broaching the subject of her employer’s “condition” or the tragic accident that caused it. On the other hand, Mike, an aspiring writer, is already taking notes for a Durie-inspired novel. A modern gothic, he’s guessing—part Rebecca, part Psycho. Most of the plot, he’ll soon discover, won’t require much imagining. But Amy, bound to the servitude of the matriarch—a woman cut off from the world for fifty years—is growing more curious and unnerved by Miss Margaret’s demands: the sudden trips to the Plaza hotel, the mysterious bank transactions, and an extended invitation to a stranger for a private dinner. By the time Amy realizes the truth—that she and her husband have been enlisted as unwitting accomplices in a subtly played series of moves that could lead to something rather unspeakable—it could be too late.
