Lauren Prescott had dreamed of being an actress since she was cast as Wendy in her middle school production of Peter Pan. Yes, her nightgown snagged and brought the set tumbling down, but she was hooked. After years of unsuccessful auditions, performing just wasn't in the cards. Instead, Lauren established herself as a successful stage manager at the esteemed McAllister Theater. Unfortunately, the resident director has cast celebrity Carly Daniel: headstrong, entitled, and always late. So why is their chemistry turning her the hell on? After partying her way through her twenties and ruining a successful film career, Carly Daniel has to take whatever she can get. If schlepping it onstage will raise her star again, she'll listen to her pesky agent. Added bonus: the uptight stage manager is a sexy distraction. When Carly's costar is sidelined, Lauren must decide whether renewing a long-forgotten dream will jeopardize what she has percolating with Carly. Is the limelight big enough for two?

Created by world-renowned programming instructors Paul and Harvey Deitel, **Visual Basic 2008 How to Program, Fourth Edition** introduces all facets of the Visual Basic 2008 language hands-on, through hundreds of working programs. This book has been thoroughly updated to reflect the major innovations Microsoft has incorporated in Visual Basic 2008 and .NET 3.5; all discussions and sample code have been carefully audited against the newest Visual Basic language specification. The many new platform features covered in depth in this edition include: LINQ data queries, Windows Presentation Foundation (WPF), ASP.NET Ajax and the Microsoft Ajax Library, Silverlight-based rich Internet application development, and creating Web services with Windows Communication Foundation (WCF). New language features introduced in this edition: object anonymous types, object initializers, implicitly typed local variables and arrays, delegates, lambda expressions, and extension methods. A series of appendices provide essential programming reference material on topics ranging from number systems to the Visual Studio Debugger, UML 2 to Unicode and ASCII. **AUDIENCE:** Appropriate for anyone interested in learning programming with Visual Basic 2008.

**The Very Picture of You** Psychology Press

Venous valves rank among the smallest and most delicate organs of the human and animal bodies - so why devote an entire book to them? We were induced to do so by several reasons. First of all we would point out the clinical significance of venous valves. In the pathogenesis of a number of widespread diseases, such as varicose veins or the post-thrombotic syndrome, venous valves are involved as the underlying cause or at least a factor contributory to the symptoms. According to Taheri et al. these venous diseases occur ten times more frequently than arterial obliterations. Incompetence of venous valves also plays a causal role in varicocele, the most frequent cause of male infertility. But not only pathogenetic reasons induced us to write this book. In more recent times there has been a growing tendency to reconstruct functional valve disorders therapeutically; several surgical methods have been developed, which are critically reviewed in this book. It was our aim to sum up existing knowledge with respect to structure and function of venous valves and to expand that knowledge by findings of our own. Examinations of semi-thin sections and unilayered en-face preparations have hardly been published so far, and systematic studies of the ultrastructure by electron-microscopy were not to be found in the literature. We are very grateful, therefore, to Dr. Silvana Geleff for having undertaken such a study upon our suggestion.

**When God Goes to Starbucks** Quinn Loftis Books, LLC

The incredible, hilarious insider's story of Britain's favourite film company! It all started when Beatle George Harrison stepped in to fund Life of Brian when Monty Python's original

backers pulled out. His company, HandMade films, went on to make some of the best British films of the 80s (Withnail and I, Time Bandits and Mona Lisa among them), but then things started to go wrong... This is the incredible and often hilarious insiders' story of what happened...

**Do You See a Shape? Teacher Created Materials**

A nightmarish series of events sweeps LAPD's Sergeant Shane Scully and his wife (and boss), Alexa, into the vortex of an enormous, jurisdictional firestorm. First, a sheriff's deputy, a friend of Shane's, is gunned down while serving a routine search warrant. His fellow deputies blame the incident on the Bureau of Alcohol, Tobacco and Firearms, whom they angrily accuse of having failed to warn them that the suspect had a huge arsenal of illegal weapons in his house. Soon thereafter, a member of the ATF Situation Response Team is shot to death, followed by the sniper murder of the Sheriff's Special Enforcement Bureau. At the request of the Mayor, LAPD, as an uninvolved and unbiased agency, assigns Shane Scully to investigate. He is given an impossible deadline to find a solution before these two elite and deadly SWAT Teams kill each other off amid a hurricane of horrible publicity. Shane pursues his investigation in a direction that neither his chief nor his wife agrees with, and succeeds in putting himself, his loved ones, and his career in terrible jeopardy before he finally discovers the shocking and deadly truth.

**Venus in India** Charles Devereaux - Steamy smut from the Victorian era! Venus in India is said to be the autobiography of a British Army officer serving on the North West Frontier of India, describing his erotic adventures with Lizzie Wilson and the three daughters of Colonel Selwyn. Before internet porn, before porn videos, before porn movies, people lusting for raunchy, X-rated entertainment read pornographic books and magazines. Victorian England had its own adult entertainment industry countless erotic novels were put out by shady publishers, some books were printed by the authors themselves, and most of the writers were anonymous. Many of these 19th century books are surprisingly kinky, and some of them may be quite offensive to modern day readers in more ways than one. First published in 1889, this classic of Victorian pornography was written by the pseudonymous Charles Devereaux.

**Visual Basic 2008 Celestial Arts**

A new generation steps up in the colonization and terraforming of Venus in the Nebula Award-winning author's "masterful SF trilogy" (Publishers Weekly). The Venus Project calls upon the strongest and most courageous to create a prosperous world in the dismal wilderness of Venus. Those who demonstrate the skill and the passion to embark on this adventure must transform the barren planet in the midst of political and cultural unrest. When Risa and Benzi, children of Iris, one of the first people to partake in this project, find themselves in opposing forces on the battlefield, it is their love and perseverance that will determine the destiny of the new land.

Two servants discover family skeletons behind the closed doors of a forbidding Manhattan mansion in this mystery by a three-time Edgar Award-winning author. In dire financial straits, young couple Mike and Amy Lloyd—a former cab driver and a New York prep-school teacher, respectively—have signed away their independence to become live-in servants for

one of the city's wealthiest and most private families. At first, the Durie home, a cavernous Gilded Age palazzo off Fifth Avenue, is a maze of intimidation: sixteen other employees, eight Duries in residence, forbidden rooms, and an exact and unbreakable set of rules. For Amy, personal secretary to the aged and blind Miss Margaret, that includes never broaching the subject of her employer's "condition" or the tragic accident that caused it. On the other hand, Mike, an aspiring writer, is already taking notes for a Durie-inspired novel. A modern gothic, he's guessing—part Rebecca, part Psycho. Most of the plot, he'll soon discover, won't require much imagining. But Amy, bound to the servitude of the matriarch—a woman cut off from the world for fifty years—is growing more curious and unnerved by Miss Margaret's demands: the sudden trips to the Plaza hotel, the mysterious bank transactions, and an extended invitation to a stranger for a private dinner. By the time Amy realizes the truth—that she and her husband have been enlisted as unwitting accomplices in a subtly played series of moves that could lead to something rather unspeakable—it could be too late.

**Venous Valves** Open Road Media

In 1985, forty hooligan followers of Stoke City FC experienced a riotous trip to Portsmouth - and the Naughty Forty was born. It became one of the most notorious soccer gangs in Britain. Mark Chester was a founder member of the N40. Already a hardened fighter, he had been expelled from school after an unsettled childhood and joined the Staffordshire Regiment, only to be discharged for misconduct. Stoke City's emerging 'casual' mob became his family. 'Right or wrong, I was ready to be a committed football hooligan,' he says. He recounts tales of raucous coach trips from the Glebe pub and the pivotal clashes with the likes of Everton, Manchester United and West Ham that defined the new firm. Formidable characters came to the forefront, men like the giant Mark Bentley, Philler the Beast and the legendary Miffer, while hair-raising clashes with the likes of Millwall, Spurs, Aston Villa and Manchester City saw the gang's reputation spread. The N40 code was simple: whatever the odds, they would always make a stand. Many times they fought when heavily outnumbered yet often came out on top. They developed a closeness and cohesion rare among the football gangs. Loyalty was their watchword. Soon they were joined by the Under-Fives, a younger element determined to win acceptance from the terrace legends they admired and who carved out their own niche as well as fighting side by side with the old-school heads. Police operations, bans from the ground and the introduction of ID schemes have prevented many from attending games, but the author, long 'retired' from the scene, argues that in the new millennium the gangs are back - and as ferocious as ever. **NAUGHTY** is essential reading for anyone wishing to understand the illicit but seductive lure of terrace combat, the emotional ties of a gang and the addictive buzz of Saturday afternoons.

To the Moon and Back Springer Science & Business Media  
Infants, children and adolescents with congenital heart disease (CHD) are a challenge to manage and an ever-increasing number are reaching adulthood. CHD is one of the most important topics in cardiology today, yet this book is the only clinically-orientated monograph devoted exclusively to ventricular function and blood flow as it relates to CHD. Written by a distinguished panel of cardiologists, bioengineers, physiologists, and clinical investigators, **Ventricular Function and Blood Flow in Congenital Heart Disease** is an extensive and comprehensive presentation of the key aspects of this branch of CHD.

The inimitable Richard Jury returns in the latest in the bestselling mystery series: “ Martha Grimes has written a whodunit with terrific characters and a grand plot mixed with her unique droll wit. Vertigo 42 is one smart mystery! ” (Susan Isaacs, bestselling author of Goldberg Variations) Richard Jury is meeting Tom Williamson at Vertigo 42, a bar on the forty-second floor of an office building in London ’ s financial district. Despite inconclusive evidence, Tom is convinced his wife, Tess, was murdered seventeen years ago. The inspector in charge of the case was sure Tess ’ s death was accidental—a direct result of vertigo—but the official police inquiry is still an open verdict and Jury agrees to re-examine the case. Jury learns that a nine-year-old girl fell to her death five years before Tess at the same place in Devon where Tess died, at a small house party. Jury seeks out the five surviving party guests, who are now adults, hoping they can shed light on this bizarre coincidence. Ultimately, four deaths—two in the past, two that occur on the pages of this intricate, compelling novel—keep Richard Jury and his sidekick Sergeant Wiggins running from their homes in Islington to the countryside in Devon and to London as they try to figure out if the deaths were accidental or not. And if they are connected. Witty, well-written, with literary references from Thomas Hardy to Yeats, Vertigo 42 is a pitch perfect, page-turning novel from a mystery writer at the top of her game.
