Volvo 850 - Wikipedia

The Volvo 850 is a compact executive car that was produced by the Swedish manufacturer Volvo Cars from 1991 to 1996. Designed by Jan Wilsgaard, the car was introduced in a saloon body style; an estate style was introduced in 1993.. The Volvo 850 was shown for the first time in June 1991, and the car marked a departure for Volvo, featuring multiple unprecedented features for the company; these ...

How to Fix a Faulty Cooling Fan Module in your Volvo by techplusadmin

November 7, 2018 . Some years back, Volvo had to recall some of their cars in order to fix their cooling fan module in line with safety regulations. This was after many of their buyers experienced the same problems that were then associated with a fault in the cooling fan module.. A cooling fan module helps to maintain a ...
