Superstar singer, bestselling cookbook author, and cooking show host Patti LaBelle shares her favorite dessert recipes and kitchen memories. Her New York Times bestseller LaBelle Cuisine: Recipes to Sing About, which sold more than 300,000 copies, established her as a cooking star. Today, Patti's baking skills have the country buzzing. In Fall 2015, a fan's YouTube review of her sweet potato pie became a viral sensation, with over 20 million views. In just one weekend, her pies were completely sold out at Wal-Mart stores across the country. Now, for the first time, fans of Patti's pie can make their own, as well as other amazing sweets! Filled with her favorite recipes for pies, cakes, cookies, and puddings, as well as a chapter on diabetic-friendly recipes, moving personal stories from her career and life, this is the most personal cookbook LaBelle has written. Every fan of soul and sweets will want to own it.

CAFO (concentrated Animal Feeding Operation) Tyndale House Publishers, Inc.
Inventive, hilarious and joyously colorful, this fill-in journal was designed to help kids capture nearly everything that's uniquely rad about them. With design-savvy, yet completely kid-friendly illustrations, they're asked to draw or write about a bunch of interesting things -- like what their hair looks like, what their band name would be, what they'd bring to outer space, and how they feel about lightning, lizards and pickles. There may or may not be a place for super-secret stuff inside the book jacket. Whether kids complete their entire compendium on a rainy day, or finish it over a year, it'll become a treasure to look back on and smile. Ideal for the holidays, rainy days and happy occasions of all kinds, this is an imagination-building gift will engage kids for hours on end

Weird But True 9 Harper Collins
It's rare to discover a candid sports autobiography-- even rare when the author is one of the most recognizable athletes in the world. But in Shaq Talks Back, Shaquille O'Neal for the first time talks frankly about his childhood, his life, his rivalries, and his career, culminating in a dramatic, behind-the-scenes account of the Los Angeles Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced outsized expectations, even as a child when he towered over other kids. Shaq Talks Back is the story of how potential became reality-- how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced teenager to a dominant college and professional player. Shaq talks about: * Playing at Louisiana State University for the unpredictable coach Dale Brown * Signing the biggest rookie contract ever with the Orlando Magic-- and going to the NBA Finals for the first time * What happened next: dissention, disappointment, and his decision to leave for Los Angeles * The dysfunctional Lakers who were never able to win the big games * Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team * Rivalries with Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others * The trouble with free throws... * "Bling-bling" and women: the larger-than-life world of NBA players off the court * Inside the Lakers' comeback from the brink against Portland and the drive to the NBA championship Funny, insightful, opinionated, and unexpectedly moving, Shaq Talks Back is the true voice of the NBA's best player.

An Untamed Land (Red River of the North Book #1) CarTech Inc
This new Beginner Book about manic skiing squirrels—by J. Hamilton Ray with illustrations by Pascal Lemaitre—has the feeling of an old classic read-aloud. "Nobody knew how the mania grew. First there was one, and then there were two. Three more came gliding from under the trees. LOOK! On the hill. Those are squirrels on skis! Below lay the town, snow-covered and still. Not a sound could be heard. All was silent, until . . . Swwwishhhh swooped the skiers, all dressed for play. Eighty-five squirrels and more on the way!" As you can imagine, the townsfolk are NOT amused. Can intrepid reporter Sally Sue Breeze find out where the squirrels are getting their skis-and make them stop skiing long enough to eat lunch-before pest-control guy Stanley Powers sucks them up in his vacuum device? (Don't worry—Sally triumphs in a most unexpected way.) With delightfully understated, funny illustrations by Pascal Lemaitre, this is the perfect book for beginning readers to curl up and chill out with on a snow day—or any day! Originally created by Dr. Seuss, Beginner Books encourage children to read all by

themselves, with simple words and illustrations that give clues to their meaning.
Catfantastic V Dreamspinner Press
Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.

Dead of Eve D A W Books, Incorporated
Electrical Power Systems provides comprehensive, foundational content for a wide range of topics in power system operation and control. With the growing importance of grid integration of renewables and the interest in smart grid technologies it is more important than ever to understand the fundamentals that underpin electrical power systems. The book includes a large number of worked examples, and questions with answers, and emphasizes design aspects of some key electrical components like cables and breakers. The book is designed to be used as reference, review, or self-study for practitioners and consultants, or for students from related engineering disciplines that need to learn more about electrical power systems. Provides comprehensive coverage of all areas of the electrical power system, useful as a one-stop resource Includes a large number of worked examples and objective questions (with answers) to help apply the material discussed in the book Features foundational content that provides background and review for further study/analysis of more specialized areas of electric power engineering

The Book of Athyra Clear Creek Publishers
The best-selling text for the Business Spanish course, É XITO COMERCIAL gives post-intermediate students of Spanish a solid foundation in business vocabulary, basic business and cultural concepts, and situational practice that will prepare them for success in today's Spanish-speaking business world. This comprehensive and definitive program integrates textual, aural, visual, and web-delivered media to deliver the most complete instructional and learning experience. More than just a handbook containing frequently-used business terms and grammatical constructions, É XITO COMERCIAL turns students into potential professionals by improving the critical thinking and problem-solving skills needed in the business world. Each chapter incorporates a representative variety of situations, transactions, and conflicts into real-life communicative activities and simulations that challenge students to find effective and profitable solutions while developing geo-demographic literacy and cross-cultural communication skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

National Geographic Books
Offers a collection of true facts about animals, food, science, pop culture, outer space, geography, and weather.
Science Focus Pearson Education
DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Pure Biology G-Unit
The Fifth Edition of A History of the Roman People continues to provide a comprehensive analytical survey of Roman history from its prehistoric roots in Italy and the wider Mediterranean world to the dissolution of the Roman Empire in Late Antiquity in A.D. 600. Clearly organized and highly readable, the text's narrative of major political and military events provides a chronological and conceptual framework for the social, economic, and cultural developments of the periods covered. Major topics are treated separately so that students can easily grasp key concepts and ideas.

Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were

enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.

Shaq Talks Back Cengage Learning

Electrical Power Systems IT Governance Ltd

Lately, Anviksha Punjabi can't seem to get anything right. She is in the middle of ending her second marriage, is barely keeping any friends, and repeatedly getting into trouble at work. And as if all that weren't enough, she must put up with her gregarious and over-bearing 67-year-old mother as a housemate. Afraid that if this goes on, she'll finally unravel completely, Anviksha decides that she needs a break - a Bollywood style, solo-trip across Europe kind of break. What she doesn't expect is that her mother, Smita Punjabi, will insist on coming along. The unlikely duo embarks on a journey complete with nudists, an unwelcome blast from the past, a British dog named Bhindi, and several eligible bachelors, and slowly, what was supposed to be a soul-searching journey for one, turns into a life-altering experience for two.

Cuaderno del estudiante [Spanish student workbook] to be used with the English student textbook; may be used individually or as a source for blackline masters.

Implementing an Integrated Management System (IMS) Clarkson Potter

“ In a thrilling tilt-a-whirl of crime and drama . . . Smith has carefully chosen writers concerned with the true nature of the small suburban borough. ” —Electric Literature Staten Island may be New York City ’ s forgotten borough, but it ranks high up on the list of places known for organized crime. If that wasn ’ t enough to boost its noir reputation, there are its haunted mansion, hate crimes, and Cropsey urban legend. Dark deeds will always find a home on this side of the Verrazano bridge, and they give Staten Island a character all its own. Staten Island Noir includes editor Patricia Smith ’ s Robert L. Fish Memorial Award – winning short story, “ When They Are Done with Us, ” which was also selected for inclusion in The Best American Mystery Stories 2013. You ’ ll find more tales by Bill Loehfelm, S.J. Rozan, Ted Anthony, Todd Craig, Ashley Dawson, Bruce DeSilva, Louisa Ermelino, Binnie Kirshenbaum, Michael Largo, Mike Penncavage, Linda Nieves-Powell, Shay Youngblood, and Eddie Joyce. “ It ’ s not enough for noir to be dark. It ’ s got to be bad-ass. Its words, its decaying and horrible beauty have got to hit you like a spiked heel dragged from your guts to your gullet. It ’ s got to twist the hot knife of passion in that soft space right below your belly while pumping bullets into your heart. It ’ s got to make you bleed . . . Staten Island Noir features some dusky and drop-dead gorgeous gems (emphasis on the dead) that do just that. ” —Grub Street Daily “ [An] exceptionally strong anthology. ” —Publishers Weekly, starred review
