Moon at Nine Jewish Lights Publishing
The Dead Sea Scrolls were found in caves 20

miles east of Jerusalem in 1947 and 1956. Now Michael Baigent and Richard Leigh, co-authors of *The Holy Blood and the Holy Grail*, have succeeded in uncovering what has been described as 'the academic scandal par excellence of the twentieth century': the story of how and why up to 75 per cent of the eight hundred ancient Hebrew and Aramaic manuscripts, hidden for some nineteen centuries, have, until very recently, remained concealed from the rest of the world. Through interviews, historical analysis and a close study of both published and unpublished scroll material, the authors are able to reveal the true cause of the bitter struggle between scholars, for these documents disclose nothing less than a new account of the origins of Christianity and an alternative and highly significant version of the New Testament.

Best Dog Hikes Washington

National Geographic Books

Blessed Padre Pio, humble peasant and world-famous stigmatist, spoke simple words of Christian encouragement and inspiration to all who approached him seeking counsel. This biographical sketch and collection of memorable sayings is a compact and accessible introduction to the life and message of one of the great religious figures

of the 20th century.

East European Accessions Index Beyond Words/Atria Books

Life doesn't look like it's supposed to for Dani Ruiz, a hopeless romantic. After a painful and sudden break-up with Rick Marin, Dani hides away from reality, retreating to a world of fiction where she prefers book boyfriends over the hassles of a relationship. Almost two years later, Dani's friends are tired of watching her in a holding pattern, so they stage an intervention, forcing her back into the real world of dating. Unexpectedly, Dani meets Liam Lucas, a down-to-earth firefighter. He might be the person to show her she's still worth something. Dani's hesitant to trust her heart with another man, but their instant and electric chemistry is something she can't deny. As Dani starts to believe that she's found her real-life book boyfriend, Rick decides that he'll go to any lengths to get her back. Seeing Rick as a changed man makes Dani question everything. Can Dani trust her patched-up heart with Liam? Or has Rick transformed into the man she's always wanted? Written from various points of views, *The Do Over* is a story of second chances and new beginnings. Blossom in Winter Wentworth Press
Lead your best year yet through 365 days of kindness. With enriching quotes from

Both inviting and motivating, *Daily Kindness* invites you to reflect on life's big and small moments, providing a way to embrace new ideas--and enrich your life every day of the year.

Sargent Watercolors Avon

Borges On Writing In 1971, Jorge Luis Borges was invited to preside over a series of seminars on his writing at Columbia University. This book is a record of those seminars, which took the form of informal discussions between Borges, Norman Thomas di Giovanni--his editor and translator, Frank MacShane--then head of the writing program at Columbia, and the students. Borges's prose, poetry, and translations are handled separately and the book is divided accordingly. The prose seminar is based on a line-by-line discussion of one of Borges's most distinctive stories, "The End of the Duel." Borges explains

how he wrote the story, his use of local knowledge, and his characteristic method of relating violent events in a precise and ironic way. This close analysis of his methods produces some illuminating observations on the role of the writer and the function of literature. The poetry section begins with some general remarks by Borges on the need for form and structure and moves into a revealing analysis of four of his poems. The final section, on translation, is an exciting discussion of how the art and culture of one country can be "translated" into the language of another. This book is a tribute to the brilliant craftsmanship of one of South America's--indeed, the world's--most distinguished writers and provides valuable insight into his inspiration and his method.

Reports of Cases Argued and Decided in the Supreme Court of the State of Texas
Haynes Manuals N. America, Incorporated
This guidebook reveals the best hiking trails in Washington that are dog friendly. Throughout are full-color maps and photos, helpful tips and sidebars, and tailored hike specs for leash requirements. Also included is information about dog

packing and preparation before you hit the trail.

Ophelia Jensen's good witch granny Abigail revels in her paranormal powers. But Ophelia never asked for her bothersome psychic abilities -- especially since they proved worthless when the thirty-something librarian's best friend Brian was murdered by a still-unknown assailant. Now, five years later, another friend is gone, killed in almost identical fashion. Even dear old Abby isn't safe, distracted as she is by her fight to prevent a massive, mega-polluting pig-farming operation from invading their small Iowa town. And Ophelia can't count on her snarling, scoffing nemesis, police detective Henry Comacho, to get the job done, so she'll have to take matters into her own hands. Because a common thread to the crimes -- and a possible next victim -- is suddenly becoming troublingly apparent . .

. and it's Ophelia Jensen herself!

Spectrum 7 St. Martin's Press

From the New York Times Bestselling Author and Co-Star of Fox's American Grit comes a rare and powerful book on the art of being a sniper. Way of the Reaper is a step-by-step accounting of how a sniper works, through the lens of Irving's most significant kills - none of which have been told before. Each mission is an in-depth look at a new element of eliminating the enemy, from intel to luck, recon to weaponry. Told in a thrilling narrative, this is also a heart-pounding true story of some of The Reaper's boldest missions including the longest shot of his military career on a human target of over half a mile. In Iraq and Afghanistan, Nick Irving earned his nickname in blood, destroying the enemy with his sniper rifle and in deadly firefights behind a .50 caliber machine gun. He engaged a Taliban suicide bomber during a vicious firefight, used nearly silent sub-sonic ammo, and was the target of snipers himself. Way of the Reaper attempts to place the reader in the heat of battle, experiencing the same dangers, horrors and acts of courage Irving faced as an elite member of the 3rd Ranger Battalion, 75th Ranger Regiment, while also examining the personal ramifications of taking another life. Readers will experience the rush of the hunt and the dangers that all snipers must face, while learning what it takes to become an elite manhunter. Like the Reaper himself, this explosive book blazes new territory and takes no prisoners.

Common-place Book HarperCollins UK

After water, coffee is the most widely consumed beverage in the world. It sits in the background of some of life's most important moments: hanging out with friends, that tentative first date, an exhilarating business meeting. Drift, a stunning magazine, is all about coffee, about capturing those moments. Drift Volume 9 takes a multi-faceted look at the coffee culture of Bali. Once a hideaway haunt for yogis and surfers, this tropical destination in the world's largest archipelago nation has become a hotspot for a wide range of visitors, from coffee purveyors to nomadic techies and itinerant bon vivants.

Southey's Common-place Book;

In a fledgling community, on a hilltop near a Palestinian village, Gabi Kupper's life is disrupted when his brother Roni arrives from America penniless.
