Pounder's

Marine Diesel

Engines and

Gas Turbines,

Tenth Edition,

gives engineering cadets, marine engineers, ship operators and managers

insights into currently available engines and auxiliary equipment and trends for the future. This new edition

introduces new engine models that will be most commonly installed in ships

over the next decade, as well

as the latest legislation and

pollutant emissions

procedures.

Since publication of the last edition in 2009, a

number of emission control areas (ECAs) have been established by the International Maritime Organization (IMO) in which exhaust emissions are subject to even more stringent controls. In addition, there are now rules that affect new ships and their emission of CO₂ measured as a product of cargo carried. Provides the latest emission control technologies, such as SCR and water scrubbers

Contains complete updates of legislation and pollutant emission procedures Includes the latest emission control technologies and expands upon remote monitoring and control of engines Popular Mechanics Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the

latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Motorboating - ND Ker-SPLASH! is an up-to-date, comprehensive look at the hobby and sport of recreational boating and water skiing. It is intended as a guide for both the neophyte and the experienced recreational power boater. The book includes detailed instructions for: (1) Selecting and buying a boat; (2) Making an intelligent engine choice; (3) Selecting boating accessories; (4) Choosing skis, boards, and towables; (5) Selecting a personal slalom ski;

(6) Learning to ski and towing a skier;	a reference guide,	Boating
(7) Learning to slalom;	but it also includes	Motorboating - ND
(8) Riding and towing other water toys; and (9)	down-to-earth information and	<i>Boating</i>
Maintenance and safety issues. Ker-SPLASH! covers	entertaining boating stories.	<u>Ker-SPLASH!</u>
