Volvo Penta D1-30 Engine Issue

I might re power my 1998 Volvo 2030. The logical replacement would seem to be the D1-30 (even though I'm told I can't attach it to my existing S120 saildrive, and need to replace that too, with the S130). I would be interested in any comments from people who have done this. Is the D1-30 noticeably less or more powerful? Less or more noisy?

Volvo Penta D1-30 Manuals

Volvo Penta recommends the use of biodegradable degreasers whenever engine components are de-greased, unless otherwise specified in the workshop manual. When working aboard a boat, be careful to ensure that oils, wash residue etc. are processed for destruction, and are not inadvertently discharged with bilge water into the environment.
