A “unique and arresting” memoir of seafaring adventures from the small boat sailor and author of *Ice!* and *The Incredible Voyage* (Motorboat & Yachting). Tristan Jones was one of the most acclaimed seafaring storytellers ever. The combative Welshman was born at sea on a ship off Tristan da Cunha. He dropped out of school at 14 to work on sailing barges, and then spent the rest of his life at sea—first in the Royal Navy, then as a delivery skipper, then as a daring adventurer. *SAGA OF A WAYWARD SAILOR* tells the tale of one of his most exciting adventures. Jones sails through treacherous waters aboard the *Cresswell*, a lifeboat converted into a sailboat, struggling to survive against impossible odds. He makes it through violent storms, arrest by the Soviet Navy, and other extraordinary experiences. Join Tristan Jones and a host of other lively and intriguing characters, as this salty and humorous tale unfolds.
