Lit Stitch Lippincott Williams & Wilkins

The memoir of a man and woman who escaped into the forest, joined the Jewish partisans—and fell in love—as Hitler laid waste to their Polish hometowns. Jack and Rochelle first met at a youth dance in Poland before the war. They shared one dance, and Jack stepped on Rochelle's shoes. She was unimpressed. When the Nazis invaded eastern Poland in 1941, both Jack (in the town of Mir) and Rochelle (in the town of Stolpce) witnessed the horrors of ghettoization, forced labor, and mass killings that decimated their families. Jack and

Rochelle managed, in their separate ways, to escape into the forest. They reunited, against all odds, in the winter of 1942 – 43 and became Jewish partisans who fought back against the Nazis. The couple's careful courtship soon blossomed into an enduring love that sustained them through the raging hatred of the Holocaust and the destruction of the lives they had known. Jack and Rochelle's story, told in their own voices through extensive interviews with their son, Lawrence, has been in print for twenty years and is celebrated as a classic of Holocaust memoir literature. This is the first electronic edition. "A story of heroism and of touching romance in a time of fear and danger." —USA Today

The text includes numerous easy-to-scan tables and a popular "A to Z" drug formulary.

Young Jesus Chronicles Heinemann

If you have large quantities of data in a Microsoft Access database, and need to study that data in depth, this book is a data cruncher's dream. Access Data Analysis Cookbook offers practical recipes to solve a variety of common problems that users have with extracting Access data and performing calculations on it. Each recipe includes a discussion on how and why the solution works. Whether you use Access 2007 or an earlier version, this book will teach you new methods to

query data, different ways to move data in and out of Access, how to calculate answers to financial and investment issues, and more. Learn how to apply statistics to summarize business information, how to jump beyond SQL by manipulating data with VBA, how to process dates and times, and even how to reach into the Excel data analysis toolkit. Recipes demonstrate ways to: Develop basic and sophisticated queries Apply aggregate functions, custom functions, regular expressions, and crosstabs Apply queries to perform non-passive activities such as inserting, updating, and deleting data Create and manipulate tables and queries programmatically Manage text-based data, including methods to isolate parts of a string and ways to work with numbers that are stored as text Use arrays, read and write to the Windows registry, encrypt data, and use transaction processing Use the FileSystemObject, use XML with XSLT, communicate with SQL Server, and exchange data with other Office products Find answers from time-based data, such as how to add time, count elapsed time, work with leap years, and how to manage time zones in your calculations Deal with business and finance problems, including methods for calculating depreciation, loan paybacks, and Return on Investment (ROI) Explore statistical techniques, such as frequency, variance, kurtosis, linear regression, combinations and permutations Access Data Analysis Cookbook is a one-stop-shop for extracting nuggets of valuable information from your database, and anyone with Access experience will benefit from these tips and techniques,

including seasoned developers. If you want to use your data, and not just store it, you'll find this guide indispensable.

American Pickers Guide to Picking VOLVO PENTA MD 11C, C, MD 17C, DAir Conditioning Service Manual

Though biblical scholars have searched for centuries, little is known about the childhood of Jesus. Fortunately, this incomplete picture gives Spencer Smith and Mark Penta

ample room for their entertaining and highly imaginative cartoon book Young Jesus Chronicles. With a tongue-in-cheek premise that the book is the result of a recently unearthed account of Jesus's formative years as deciphered by Vatican-authorized experts (that is, cartoonists Smith and Penta), Young Jesus Chronicles is a clever and lighthearted collection of cartoons that celebrates the joy of puns and wordplay as much as it rewards you for paying attention in Sunday Bible school. We may never know the answer to the question, WWJD (What Would Jesus Draw)? But there's a chance (albeit very slim) the answer might be a cartoon memoir of His childhood similar to Young Jesus Chronicles.

Air Magic Dorling Kindersley Ltd

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by

professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

An Introduction to Zoo Biology and Management Annie's Wholesale

With body piercing and tattooing becoming more popular and mainstream, many teens may think about engaging in these forms of body modification. An excellent resource for young people pondering a piercing or tattoo, this title presents some of the pros and cons they

should consider. In an honest and engaging manner, the author presents important information teens need to protect their health, including how to identify a reputable studio, what to expect from the procedures, and how to do proper aftercare. Legal, social, and familial issues are explored, too, including the importance of discussing the decision with their parents and choosing tattoos or piercings they can live with throughout adulthood.
