Midnight in the Garden of Good and Evil Voodoo Queen
For fans of Bitten by Kelley Armstrong, a new urban fantasy series introduces Kincaid Strange, not your average voodoo practitioner... For starters, she's only twenty-seven. Then there's the fact that she lives in rain-soaked Seattle, which is not exactly Haiti. And she's broke. With raising zombies outlawed throughout the continental USA, Kincaid has to eke out a living running seances for university students with more money than brains who are desperate for guitar lessons with the ghost of a Seattle grunge rocker--who happens to be Kincaid's on-again, off-again roommate. Then a stray zombie turns up outside her neighbourhood bar:

Cameron Wight, an up-and-coming visual artist with no recollection of how he died or who raised him. Not only is it dangerous for Kincaid to be caught with an unauthorized zombie, she soon realizes he's tied to a spate of murders: someone is targeting the zombies and voodoo practitioners in Seattle's infamous Underground City, a paranormal hub. When the police refuse to investigate, the City's oldest and foremost zombie asks Kincaid to help. Raising ghosts and zombies is one thing, but finding a murderer? She's broke, but she's not stupid. And then she becomes the target... As the saying goes, when it rains it pours, especially in Seattle.

The Mysterious Voodoo Queen, Marie Laveaux
Simon and Schuster

The life and work of the legendary “Pope of Voodoo,” Marie Laveau—a free woman of color who practically ruled New Orleans in the mid-1800s Marie Laveau may be the most influential American practitioner of the magical arts; certainly, she is among the most famous. She is the subject of songs, films, and legends and the star of New Orleans ghost tours. Her grave in New Orleans ranks among the most popular spiritual pilgrimages in the US. Devotees venerate votive images of Laveau, who proclaimed herself the “Pope of Voodoo.” She is the subject of respected historical biographies and the inspiration for novels by Francine Prose and Jewell Parker Rhodes. She even appears in Marvel Comics and on the television show

American Horror Story: Coven, where she was portrayed by Angela Bassett. Author Denise Alvarado explores Marie Laveau’s life and work—the fascinating history and mystery. This book gives an overview of New Orleans Voodoo, its origins, history, and practices. It contains spells, prayers, rituals, recipes, and instructions for constructing New Orleans voodoo-style altars and crafting a voodoo amulet known as a gris-gris. The Complete Book of Voodoo Ballantine Books

“ A horror landmark and a work of gory genius. ” —Joe Hill, New York Times bestselling author of The Fireman New York Times bestselling author Daniel Kraus completes George A. Romero's brand-new masterpiece of zombie horror, the massive novel left unfinished at Romero's death! George A. Romero invented the modern zombie with Night of the Living Dead, creating a monster

that has become a key part of pop culture. Romero often felt hemmed in by the constraints of filmmaking. To tell the story of the rise of the zombies and the fall of humanity the way it should be told, Romero turned to fiction.

Unfortunately, when he died, the story was incomplete. Enter Daniel Kraus, co-author, with Guillermo del Toro, of the New York Times bestseller *The Shape of Water* (based on the Academy Award-winning movie) and *Trollhunters* (which became an Emmy Award-winning series), and author of *The Death and Life of Zebulon Finch* (an Entertainment Weekly Top 10 Book of the Year). A lifelong Romero fan, Kraus was honored to be asked, by Romero's widow, to complete *The Living Dead*. Set in the present day, *The Living Dead* is an entirely new tale, the story of the zombie plague as George A. Romero wanted to tell it. It begins with one body. A pair of medical examiners find themselves battling a dead man who won't stay dead. It spreads quickly. In a Midwestern trailer park, a Black teenage girl and a Muslim immigrant battle newly-risen friends and family. On a US

aircraft carrier, living sailors hide from dead ones while a fanatic makes a new religion out of death. At a cable news station, a surviving anchor keeps broadcasting while his undead colleagues try to devour him. In DC, an autistic federal employee charts the outbreak, preserving data for a future that may never come. Everywhere, people are targeted by both the living and the dead. We think we know how this story ends. We. Are. Wrong. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Each year, thousands of pilgrims visit the celebrated New Orleans tomb where Marie Laveau is said to lie. They seek her favors or fear her lingering influence. Voodoo Queen: The Spirited Lives of Marie Laveau is the first study of the Laveaus, mother and daughter of the same name. Both were legendary leaders of religious and spiritual traditions many still label as evil. The Laveaus were free women of color and prominent French-speaking Catholic Creoles. From the 1820s until the 1880s when one died and the other disappeared, gossip, fear, and fierce affection

swirled about them. From the heart of the French Quarter, in dance, drumming, song, and spirit possession, they ruled the imagination of New Orleans. How did the two Maries apply their "magical" powers and uncommon business sense to shift the course of love, luck, and the law? The women understood the real crime--they had pitted their spiritual forces against the slave system of the United States. Moses-like, they led their people out of bondage and offered protection and freedom to the community of color, rich white women, enslaved families, and men condemned to hang. The curse of the Laveau family, however, followed them. Both loved men they could never marry.

Both faced down the press and police who stalked them. Both countered the relentless gossip of curses, evil spirits, murders, and infant sacrifice with acts of benevolence. The book is also a detective story--who is really buried in the famous tomb in the oldest "city of the dead" in New Orleans? What scandals did the Laveau family intend to keep buried there forever? By what sleight of hand did free people of color lose their cultural identity when Americans purchased Louisiana and imposed racial apartheid upon Creole creativity? *Voodoo Queen* brings the improbable testimonies of saints, spirits, and never-before-printed eyewitness accounts of ceremonies and magical

crafts together to illuminate the lives of the two Marie Laveaus, leaders of a major, indigenous American religion.

The Witching Hour Haunted History Set Two Legendary for an unusual combination of spiritual power, beauty, charisma, showmanship, intimidation, and shrewd business sense, Marie Leveau also was known for her kindness and charity, nursing yellow fever victims and ministering to condemned prisoners, and her devotion to the Roman Catholic Church. In separating verifiable fact from semi-truths and complete fabrication, Carolyn Morrow Long explores the unique social, political, and legal setting in which the lives of Laveau's African and European ancestors became intertwined in nineteenth-century New

Orleans.

New Orleans Voodoo: A Cultural History

AuthorHouse

Being possessed has its advantages... Annabelle Mulledy survived a Voodoo attack on her family as a child-but it left her possessed by the spirit of a nearly 200 year-old-girl. This girl, however, came with strange abilities bestowed upon her in the after life. When Kalfu, an evil Loa, discovers Annabelle he hopes to use her abilities to his advantage-to escape the spiritual realm and take a corporeal form. When Ogoun, the Loa of War, intervenes he recruits Annabelle to join him as a student at the Voodoo Academy. Will she be able to master the arts, and fend off Kalfu's spiritual assaults? Or, is

she ultimately a puppet in a battle between Voodoo demigods? Voodoo Academy is the first book in the Gates of Eden: The Voodoo Legacy series. Theophilus Monroe's Annabelle Mulledy is a badass heroine with a snarky attitude. Monroe draws on the legend and myth of Voodoo lore in a way that neither caricatures the arts as "demonic" nor glosses over the dark side of the Voodoo tradition. With dark magic, dragons, vampires, and some budding "why choose academy" romance Gates of Eden: The Voodoo Legacy series has something for everybody. If you enjoy magic academy fantasy books, especially books with a dark twist, then you will love Theophilus Monroe's Voodoo Academy. Fans

of authors like Michael Anderle, Shayne Silvers, G.K. DeRosa, or Ramy Vance will love this compelling coming of age urban fantasy. Pick up your copy today!

Looking and Listening in Nineteenth-century

France Weiser Books A demon-hunting mad

hatter. A voodoo-loving red queen. A tragic love

story that transcends life and death. Life is good

for Alice and Jay. They're living together

in a luxurious penthouse, their wedding is in one

week, and the hardest decision they have to make is whether they'll honeymoon in Fiji or Japan. Alice tries not to jinx her good fortune by asking too many questions--like how Jay can afford Fiji on a restaurant manager's budget or why he refuses to introduce her to his family. When Jay disappears a week before their wedding, she must go down the rabbit hole and dig up the truth about her lover. With the help of a demon-hunting mad hatter and a potion that connects humans with the spirit realm, she discovers a world of voodoo, spells, gods, goddesses, spirits, and her biggest challenge: Jay's mother--the voodoo queen. Reader Reviews: "The elements of Alice in Wonderland are so

creatively imagined into the world of voodoo. It was a wonderful quick read." - Goodreads Review "I enjoyed every moment of this story. Alice's character is entirely relatable, being the young and in-love teen willing to go to dangerous lengths for the person she loves. Being someone who's "dabbled" with Louisianan witchdoctors in the past, I could definitely tell that K.R.S. has done her research on Haitian Voodoo. If you enjoy short stories with dangerous spirits, reclaiming lost lovers, and strong, realistic female leads whom we all can get behind, definitely check this one out!" - Amazon Review [Out of the Shadows](#) Univ. In 1927, Zora Neale Hurston went to Plateau, Alabama, just outside Mobile, to interview eighty-six-year-old Cudjo Lewis. Of the millions of men, women, and children transported from Africa to America as slaves, Cudjo was then the only person alive to tell the story of this integral part of the nation 's history. Hurston was there to record Cudjo 's firsthand account of the raid that led to his capture and bondage fifty years after the Atlantic slave trade was outlawed in the United States. In 1931, Hurston returned to Plateau, the African-centric community three miles from Mobile founded by Cudjo and other former slaves from

his ship. Spending more than three months there, she talked in depth with Cudjo about the details of his life. During those weeks, the young writer and the elderly formerly enslaved man ate peaches and watermelon that grew in the backyard and talked about Cudjo's past—memories from his childhood in Africa, the horrors of being captured and held in a barracoon for selection by American slavers, the harrowing experience of the Middle Passage packed with more than 100 other souls aboard the Clotilda, and the years he spent in slavery until the end of the Civil War. Based on those interviews, featuring Cudjo's unique vernacular, and written from Hurston's perspective with the

compassion and singular style that have made her one of the preeminent American authors of the twentieth-century, *Barracoon* masterfully illustrates the tragedy of slavery and of one life forever defined by it. Offering insight into the pernicious legacy that continues to haunt us all, black and white, this poignant and powerful work is an invaluable contribution to our shared history and culture.

Midnight Moon

University of Chicago
David & Alfred
Queen Victoria's reign was an era of breathtaking social change, but it did little to create a platform for women to express themselves. But not so within the social

sphere of the séance--a mysterious, lamp-lit world on both sides of the Atlantic, in which women who craved a public voice could hold their own. *Out of the Shadows* tells the stories of the enterprising women whose supposedly clairvoyant gifts granted them fame, fortune, and most important, influence as they crossed rigid boundaries of gender and class as easily as they passed between the realms of the living and the dead. The Fox sisters inspired some of the era's best-known political activists and set off a transatlantic séance craze. While in the throes of a trance,

Emma Hardinge Britten delivered powerful speeches to crowds of thousands. Victoria Woodhull claimed guidance from the spirit world as she took on the millionaires of Wall Street before becoming America's first female presidential candidate. And Georgina Weldon narrowly escaped the asylum before becoming a celebrity campaigner against archaic lunacy laws. Drawing on diaries, letters, and rarely seen memoirs and texts, Emily Midorikawa illuminates a radical history of female influence that has been confined to the dark until now. [Orishas, Goddesses, and Voodoo Queens](#)

Pelican Publishing Company
Under the midnight moon, dark secrets are revealed—Cassandra thought she had the perfect life until she suffered a devastating tragedy. Now she has a new identity as Priestess Cassandra, owner of a New Orleans voodoo shop, and a new purpose. A research trip for a paranormal secret society leads Cassandra to Haiti, where rumors fly of a sinister voodoo master, Jacques Mezareau, who can resurrect the dead. Fortune hunter Devon Murphy agrees to guide Cassandra there safely, but his sensual appeal promises danger of a different

kind... and desperate hungers must be satisfied... As Cassandra and Devon make their way to the eerie jungle village, their attraction explodes into an intoxicating desire, and Cassandra begins to question her resolve to never let another man into her life. Her attempts to resist Devon become more and more impossible. But when she succeeds in learning Jacques' s macabre ritual, her new powers may have come with a terrifying price. Now, haunted by violent dreams that grow more vivid as the midnight moon approaches, Cassandra must uncover the shocking truth about an

ancient curse before it leads her to destroy herself—and everyone she loves... “ Elise is Handeland ’ s most appealing heroine yet...this tense, banter-filled tale provides...solid entertainment. ”

Voodoo Hoodoo Spellbook
Catapult

This study investigates the emergence of powerful female leadership in New Orleans' Voodoo tradition. It provides a careful examination of the cultural, historical, economic, demographic and socio-political factors that contributed both to the feminization of this religious culture and its strong female leaders.

SLAY Simon and Schuster
"Throughout Africa and beyond in the Diaspora caused by the slave trade,

the divine feminine was revered in the forms of goddesses, like the ancient Nana Buluku; water spirits like Yemaya, Oshun, and Mami Wata; and the warrior Oya. The power of these goddesses and spirit beings has taken root in the West. This book shows us how to celebrate and cultivate the traits of these goddesses, drawing upon their strengths to empower our own lives"--

Magic with no holds barred! Here is the definitive work on the history, ritual, and powers of the ancient art of voodoo from the earliest times to the present, offering complete details on the closely kept secrets of man's most exotic and powerful form of magic.

The Living Dead Red
Wheel/Weiser
Witch? Sorceress?
Daughter of Satan?
Thief? Saint? Born in
1794, Marie Laveau
reigned as the
undisputed Queen of
the Voodoos for nearly
a century. Her beauty
and powers were
legendary, and caused
her to be the subject of
wild gossip throughout
her life. She passed on
her secrets to a
favorite daughter, who
helped her dominate
the underworld of
voodoo in New
Orleans. "It is an
absorbing tale, and the
emotional undertones,
the conflicts in her
human relations, the
overwhelming
loneliness of her
position, all come

through the story of a
strange life." Kirkus
Reviews "The author
creates a vivid,
haunting atmosphere,
which (like Marie's
arts) holds the reader
in spell. . . . an
intriguing novel that is
competently mounted
and exceedingly well
executed." New York
Times
Alice and the VooDoo
Queen Weiser Books
"Interesting
investigation and
straightforward
handling of sensational
times and tricksters, of
the cult of voodooism
in all its
manifestations. From
its first known
appearances in New
Orleans of 200 years
ago, here are the
fetishes and formulae,

the rites and dances, the cures, charms and gris-gris. Here were the witch-doctors and queens, and in particular a Doctor John who acquired fame and fortune, and Marie Laveau, who with her daughter dominated the weird underworld of voodoo for nearly a century." -Kirkus Reviews "Robert Tallant speaks with authority." - The New York Times "Much nonsense has been written about voodoo in New Orleans. . . here is a truthful and definitive picture." -Lyle Saxton Originally published in 1946, Voodoo In New Orleans examines the origins of the cult voodooism. The lives of New Orleans's most

infamous witch doctors and voodoo queens have been re-created in this well-researched account of New Orleans's dark underworld.

A New Orleans Voudou Priestess Macmillan

From the author of the National Book Award finalist *Black Leopard, Red Wolf* and the WINNER of the 2015 Man Booker Prize for *A Brief History of Seven Killings* "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, *The Book of Night Women* rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar

plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his

craft. The Book of Night Women Simon and Schuster NATIONAL BESTSELLER • “Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.” —The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful,

and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

VOODOO IN NEW ORLEANS Arcadia Publishing

A jazzman, a wharf worker, a prostitute, all murdered. Wrists punctured, their bodies impossibly drained of blood. What connects them? Why are they rising as ghosts? Marie Levant, the great-great granddaughter of the Voodoo Queen, Marie Laveau, knows better than anyone New Orleans's brutal past -- the legacy of slavery, poverty, racism, and sexism -- and as a doctor at Charity Hospital's ER, she treats its current victims. When she sleeps, she dreams of blood. Rain, never ending. The river is rising and the yellow moon warns of an ancient evil -- an African vampire -- wazimamoto -- a spirit created by colonial oppression. The struggle becomes personal, as the wazimamoto is intent on destroying her and all the Laveau descendants. Marie

fights to protect her daughter, lover, and herself from the wazimamoto's seductive assault on both body and spirit. Echoing with the heartache and triumph of the African-American experience, the soulful rhythms of jazz, and the horrors of racial oppression, *Yellow Moon* gives us an unforgettable heroine -- sexy, vulnerable, and mysterious -- in Marie Levant, while it powerfully evokes a city on the brink of catastrophe. *Yellow Moon* is part two of the New Orleans trilogy that began with *Voodoo Season* -- magical realist fiction that takes the legend of the voodoo priestess Marie Laveau, as imagined by Jewell Parker Rhodes in the bestselling *Voodoo Dreams*, into the present day.
