Being possessed has its advantages... Annabelle Mulledy survived a Voodoo attack on her family as a child—but it left her possessed by the spirit of a nearly 200 year-old-girl. This girl, however, came with strange abilities bestowed upon her in the after life. When Kalfu, an evil Loa, discovers Annabelle he hopes to use her abilities to his advantage—to escape the spiritual realm and take a corporeal form. When Ogoun, the Loa of War, intervenes he recruits Annabelle to join him as a student at the Voodoo Academy. Will she be able to master the arts, and fend off Kalfu's spiritual assaults? Or, is she ultimately a puppet in a battle between Voodoo demigods? Voodoo Academy is the first book in the Gates of Eden: The Voodoo Legacy series. Theophilus Monroe's Annabelle Mulledy is a

badass heroine with a snarky attitude. Monroe draws on the legend and myth of Voodoo lore in a way that neither caricatures the arts as "demonic" nor glosses over the dark side of the Voodoo tradition. With dark magic, dragons, vampires, and some budding "why choose academy" romance Gates of Eden: The Voodoo Legacy series has something for everybody. If you enjoy magic academy fantasy books, especially books with a dark twist, then you will love Theophilus Monroe's Voodoo Academy. Fans of authors like Michael Anderle, Shayne Silvers, G.K. "New Orleans has long been America's most magical city, inhabited by a fascinating visible and invisible world, full of mysteries, known for its decadence and haunted by its spirits. If Salem is famous for its persecution of witches, New Orleans is celebrated for its embrace of the magical, mystical, and paranormal. New Orleans is the historical stronghold of traditional African religions, spirituality, and voodoo in the US. There is a mysterious spiritual underbelly hiding in plain sight in New Orleans, and this book shows us where it is, who the characters are, where they come from, and how they persist and manifest today"--

Different eras experience art in different ways—often dramatically so. Looking and Listening in Nineteenth-Century France, the catalog to an exhibition at the Smart Museum of Art, uses a selection of prints, paintings, drawings, sculptures, and recorded music to demonstrate how new technological developments and changing social settings transformed the French experience of art in the nineteenth century. Treating a disparate range of subject matter from Joan of Arc to Homer, from concert audiences to comet sightings, the contributors provide a cultural context for this flowering of imagery concerned with looking and listening. They also explore how artists and composers sought to better capture the attention of their beholders and listeners. Presenting the achievements of both well known artists (Daumier, Degas, Fantin-Latour, Vuillard) and lesser known figures in a fresh light, Looking and Listening in Nineteenth-Century France cuts to the heart of debates about the function of art and the role of audiences. The catalog includes a special CD compilation of music relating to the works in the exhibition, along with two bonus tracks of early recordings.

Each year, thousands of pilgrims visit the celebrated New Orleans tomb where Marie Laveau is said to lie. They seek her favors or fear her lingering influence. Voodoo Queen: The Spirited Lives of Marie Laveau is the first study of the Laveaus, mother and daughter of the same name. Both were legendary leaders of religious and spiritual traditions many still label as evil. The Laveaus were free women of color and prominent French-speaking Catholic Creoles. From the 1820s until the 1880s when one died and the other disappeared, gossip, fear, and fierce affection swirled about them. From the heart of the French Quarter, in dance, drumming, song, and spirit possession, they ruled the imagination of New Orleans. How did the two Maries apply their "magical" powers and uncommon business sense to shift the course of love, luck, and the law? The women understood the real crime--they had pitted their spiritual forces against the slave system of the United States. Moses-like, they led their people out of bondage and offered protection and freedom to the community of color, rich white women, enslaved families, and men condemned to hang. The curse of the Laveau family, however, followed them. Both loved men they could never marry. Both faced down the press and police who stalked them. Both countered the relentless gossip of curses, evil spirits, murders, and infant sacrifice with acts of benevolence. The book is also a detective story--who is really buried in the famous tomb in the oldest "city of the dead" in New Orleans? What scandals did the Laveau family intend to keep buried there forever? By what sleight of hand did free people of color lose their cultural identity when Americans purchased Louisiana and imposed racial apartheid upon Creole creativity? Voodoo Queen brings the improbable testimonies of saints, spirits, and never-before-printed eyewitness accounts of ceremonies and magical crafts together to illuminate the lives of the two Marie Laveaus, leaders of a major, indigenous American religion.

From the author of the extraordinary *Vampire Chronicles* comes a huge, hypnotic novel of witchcraft and the occult through four centuries. Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches--a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being. On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and *The Witching Hour* begins. It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery--aware that she has special powers but unaware that she comes from an ancient line of witches--finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and--in passionate alliance--set out to solve the mystery of her past and his unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a chateau in the France of Louis XIV. An intricate tale of evil unfolds--an evil unleashed in seventeenth-century Scotland, where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn. From the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax.

The life and work of the legendary "Pope of

Voodoo," Marie Laveau--a free woman of color who practically ruled New Orleans in the mid-1800s Marie Laveau may be the most influential American practitioner of the magical arts; certainly, she is among the most famous. She is the subject of songs, films, and legends and the star of New Orleans ghost tours. Her grave in New Orleans ranks among the most popular spiritual pilgrimages in the US. She is the subject of respected historical biographies and the inspiration for novels by Francine Prose and Jewell Parker Rhodes. She even appears in Marvel Comics and on the television show *American Horror Story: Coven*, where she was portrayed by Angela Bassett. NATIONAL BESTSELLER • "Elegant and wicked... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." -The New York Times Book Review  
Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with

Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

A major literary event: a newly published work from the author of the American classic *Their Eyes Were Watching God*, with a foreword from Pulitzer Prize-winning author Alice Walker, brilliantly illuminates the horror and injustices of slavery as it tells the true story of one of the last-known survivors of the Atlantic slave trade--abducted from Africa on the last "Black Cargo" ship to arrive in the United States. In 1927, Zora Neale Hurston went to Plateau, Alabama, just outside Mobile, to interview eighty-six-year-old Cudjo Lewis. Of the millions of men, women, and children transported from Africa to America as slaves, Cudjo was then the only person alive to tell the story of this integral part of the nation's history. Hurston was there to record Cudjo's firsthand account of the raid that led to his capture and bondage fifty years after the Atlantic slave trade was outlawed in the United States. In 1931, Hurston returned to Plateau, the African-centric community three miles from Mobile founded by Cudjo and other former slaves from his ship. Spending more than three months there, she talked in depth with Cudjo about the details of his life. During those weeks, the young writer and the elderly formerly enslaved man ate peaches and watermelon that grew in the backyard and talked about Cudjo's past--memories from his childhood in Africa, the horrors of being captured and held in a barracoon for selection by American slavers, the harrowing experience of the Middle Passage packed with more than 100 other souls aboard the *Clotilda*, and the years he spent in slavery until the end of the Civil War. Based on those interviews, featuring Cudjo's unique vernacular, and written from Hurston's perspective with the compassion and singular style that have made her one of the preeminent American authors of the twentieth-century, *Barracoon* masterfully illustrates the tragedy of slavery and of one life forever defined by it. Offering insight into the pernicious legacy that continues to haunt us all, black and white, this poignant and powerful work is an invaluable contribution to our shared history and culture.
