Secrets, deception, and passion consume two pen pals in the TikTok sensation from New York Times bestselling author Penelope Douglas, now with exclusive bonus material! They were perfect together. Until they met. In fifth grade, Misha's teacher set him and his classmates up with pen pals from a different school. For the next seven years, Rylen was his everything. She kept Misha on track and accepted him as he is. They only had three rules: No social

media, no phone numbers, no pictures. There was no reason to ruin the good thing they had going...until Misha runs across a photo of a girl online named Rylen. He knows he has to meet her. But he didn't expect to hate what he finds. Rylen has gone three months without a letter from Misha. Did he die? Get arrested? Knowing Misha like she does, neither would be a stretch. She needs to know someone is listening to her. But really, Rylen knows this is her own fault. She should've gotten his phone number, or picture, or something. As a mysterious vandal leaves messages in Rylen's school, she's possessed by the handsome new student who knows just how to hurt and heal her. But she can't stop thinking of Misha. He could be gone forever. Or right under her nose, and she wouldn't even know it...

In November 1991 the American flag was lowered for the last time at Clark Air Base in the Philippines. This act brought to an end American military presence in the Philippines that extended back over 90 years. It also represented the final act in a drama that began with the initial rumblings in April of that year of the Mount Pinatubo volcano, located about nine miles to the east of Clark. This book tells the remarkable story of the men and women of the Clark community and their ordeal in planning for and carrying out their evacuation from Clark in face of the impending volcanic activity. It documents the actions of those who remained on the base during the series of Mount Pinatubo's eruptions, and the packing out of the base during the subsequent months. This is the story of the Ash Warriors, those Air Force men and women who carried out their mission in the face of an incredible series of natural disasters, including

volcanic eruption, flood, typhoons, and earthquakes, all of which plagued Clark and the surrounding areas during June and July 1991.

It should have been easy. Stay away from her boss' hot brother. Museum curator Haven McKinney has sworn off men. All of them. Totally. She's recently escaped a bad ex and started a new life for herself in San Francisco. She loves her job at the Hutton Museum, likes her new boss, and has made best friends with his feisty sister. Haven's also desperately trying not to notice their brother: hotshot investigator Rhys Norcross. And she's really trying not to notice his muscular body, sexy tattoos,

and charming smile. Nope, Rhys is off limits. Investigator Rhys Norcross is good at finding his targets. After leaving an elite military team, he thrives on his job at his brother's security firm, Norcross Security. He's had his eye on smart, sexy Haven for a while, but the pretty curator with her eyes full of secrets is proving far harder to chase down than he anticipated. Luckily, Rhys never, ever gives up. When thieves target the museum and steal a multi-million-dollar painting in a daring theft, Haven finds herself right in the middle of a deadly situation. With the painting gone and Haven in danger, Rhys vows to do whatever it takes to keep her safe, and Haven finds herself risking the one thing she was trying so hard to protect—her heart. Note to readers: This is a sexy, fast-paced romance with a heroine in danger who's sworn off men (and gets kidnapped...a lot) and a hot, tattooed former military hero (who looks fine in a suit and rolls his sleeves up showing off his ink).

Decade of Fear is a darkly entertaining journey through the complicated, often bizarre world of national security since 9/11. On that night, Toronto Star journalist Michelle Shephard watched the remains of New York's World Trade Center fall from the sky, wondering what much of the world was asking: "Why?" So began a ten-year search for answers that took her through the streets of Mogadishu and Karachi, into the mountains of Waziristan and behind the wire of Guantanamo Bay two dozen times. Shephard conducted hundreds of interviews worldwide, and with sharp insight and an appreciation for the absurd, she weaves together stories of warlords, presidents, spies, grieving widows and global terrorists, to describe the historic decade where often the West's "solutions" for terrorism only served to exacerbate the problem. She cruises with former CIA bosses, runs alongside protestors in the streets of Sanaa to escape fire from Yemen's security services during experience the Arab Spring, meets victims of terrorism who leave her

devastated, and earns enough stamps on her Gitmo Starbucks card for a free latte. Gripping, heartbreaking and infuriating, *Decade of Fear* broadens our understanding of a decade that was all too often described through panicked rhetoric.

To the Edge EverAfter Romance

Eight months ago, Gray Langtry's mother

became prime minister. Now, someone wants her dead. Gray's life has been in turmoil ever since her mother was chosen to lead the country. First, they had to leave their home and move into the prime minister's official residence at Number 10, Downing Street. Now, everywhere she goes, she must be accompanied by bodyguards. Worst of all, the media won't leave her alone - she's in every tabloid, and her behavior, appearance, the length of her skirts...everything is judged. The scars from her parents' divorce and her mother's abrupt remarriage are still raw. She doesn't like her stepfather. She doesn't like this life. When she's photographed drunk outside a London nightclub, it makes headlines. Gray is grounded and given new bodyguards - younger, cooler, and harder to fool than the last batch. It's Julia, the new bodyguard, who tells her that a new terrorist organization issued a threat, and the threat is credible. They say they're going to kill her mother and Gray. When Gray tries to find out more though, no one will tell her. One of the few people who understands what's happening is Jake McIntyre - the son of her mother's political enemy. But can she trust him? Late one night, while sneaking through dark government halls, she overhears a terrifying conversation. The situation is much worse than even her mother's security team suspects. But will anyone believe the prime minister's wild child daughter? Afraid for

herself, her mother, and her country, Gray is determined to find proof. But she must move fast. The clock is ticking. Number 10 is the first book in a new series set in the world of C.J. Daugherty's international best-selling Night School books.

Analyzes the massive turmoil afflicting the nation of Sierra Leone, 1995-2002, and the efforts of outside forces to bring stability to that small country. The taxonomy of intervention ranged from private mercenary armies, through the Economic Community of West African States, to the U.N. and the U.K. In every case, those who intervened encountered a common set of difficulties that had to be overcome. Unsurprisingly, they also discovered challenges unique to their own org. and political circumstances. Serving soldiers can often profit vicariously from the mistakes of others as recounted in detailed case studies of historical events. ¿A cautionary tale that political leaders and military planners contemplating intervention in Africa ignore at their peril.¿
