Electronic Circuits Manual Veloce Publishing Ltd

Covers the continued development of short oval motor racing in the UK. At the top level of the sport, cars became more sophisticated and expensive, which led to the introduction of new classes to cater to drivers who no longer had the budget to compete at this level. Promoters continued to work with each other and there was a regular interchange of drivers across the country – not only at major championship events but also in one-off team meetings. Over ninety never-before-published photos and championship listings complement the evocative text. Complete with 100 nostalgic pictures from racing throughout the decade, and a comprehensive listing of major championship dates, venues and winners.
