The Toyota Truck & Land Cruiser Owner's Bible "TM" is the authoritative companion book for your Toyota truck, whether it's a heavy hauling pickup, rugged off-road FJ40, or a new Land Cruiser that's never left pavement. Author, veteran truck mechanic and off-road expert Moses Ludel has written the only comprehensive source of information for Toyota Trucks and Land Cruisers -- a history, buyer's guide, service manual, and high-performance tuning book all in one! Discover every aspect of Toyota trucks, from their origins in 1958 to the latest technological advances. You'll learn tips for buying the right new or used truck, and which accessories make sense for your needs. Step-by-step procedures with hundreds of photos cover basic maintenance and more complicated work, like tune-ups, valve adjustments, brake jobs and installing aftermarket suspension/lift kits. Get the hot set-up for your truck, whether you want low-end torque or high-RPM power. Moses gives specific tuning recommendations for engines from the early inline-6s to the advanced 4.5L 24-valve DJ engine. He shares expert insights into the best high performance components and the latest technology from Toyota Racing Development. You'll also find suspension and chassis modifications, and the best tire and wheel combinations.

The Only Golf Lesson You'll Ever Need, Hank Haney, one of the most respected and soughtafter golf instructors in the world, shares the secrets he's learned by observing hundreds of thousands of students--from top PGA Tour pros to high-handicappers. He explains how intelligent observation of

your ball-flight tendencies--the way your shot behaves in the air--provides the answers to helping you develop a consistent repeating swing that will lower your scores. You'll also pick up valuable pointers on how to precisely match your equipment to your game. Hank Haney believes that a "flawed swing" that still produces a good shot is a good swing. By focusing on the outcome of your swing first, rather than on the swing itself, he believes you can often avoid making the awkward and unnatural changes to grip, stance, posture and alignment that many golf instructors ask of their students. The Only Golf Lesson You'll Ever Need will help you straighten your hook or slice, add distance to your drives, identify and fix the flaws in your swing, and become a wizard around the greens. "I'm proud of the way my swing holds up ion all kinds of conditions and under the severest pressure. Both are a tribute to Hank Haney and his teaching. Hank knows more about ballflight and what controls it than anyone in the game. And if you understand that, you're on your way." -- Mark O'Meara from the Foreword to The Only Golf Lesson You'll Ever Need
