An inspirational and heartwarming novel for fans of Mitch Albom, blending elements of *It's a Wonderful Life* and *Field of Dreams* into a moving story all its own. Four rounds. Four heroes. Four life-changing lessons. On the morning of his 40th birthday, Randy Clark believes the only way he can help his family is to end it all. With his dreams of a pro golf career long gone, his marriage struggling, and facing financial ruin, Randy sees no other alternative to help his wife and daughter but to jump from the Tennessee River Bridge, which he intends to do in the next twenty-four hours. But his plans are put on hold when the ghost of his best friend reveals to Randy that he will be given a wonderful gift: Four rounds of golf with his four heroes, the champions he's looked up to his whole life, each with a life-changing lesson to impart. For anyone who has ever dealt with tragedy, adversity, or failure, *The Golfer's Carol* will bring grace that stays with you long after you've turned the final page.

New York Times Bestseller A New York Times Notable Book Named one of the Best Books of the Year by the Wall Street Journal, the Economist, Foreign Affairs, and Kirkus Reviews Finalist for the National Book Critics Circle Award (Nonfiction) Shortlisted for the Cundill Prize in Historical Literature Finalist for the Los Angeles Times Book Prize (History) A San Francisco Chronicle Holiday Gift Guide Selection A New York Times Book Review Editors' Choice Selection A sweeping, "magisterial" history of the Roman Empire from one of our foremost classicists shows why Rome remains "relevant to people many centuries later" (Atlantic). In *SPQR*, an instant classic, Mary Beard narrates the history of Rome "with passion and without technical jargon" and demonstrates how "a slightly shabby Iron Age village" rose to become the "undisputed hegemon of the Mediterranean" (Wall Street Journal). Hailed by critics as animating "the grand sweep and the intimate details that bring the distant past vividly to life" (Economist) in a way that makes "your hair stand on end" (Christian Science Monitor) and spanning nearly a thousand years of history, this "highly informative, highly readable" (Dallas Morning News) work examines not just how we think of ancient Rome but challenges the comfortable historical perspectives that have existed for centuries. With its nuanced attention to class, democratic struggles, and the lives of entire groups of people omitted from the historical narrative for centuries, *SPQR* will shape our view of Roman history for decades to come.

The fully revised and updated version of this classic text examines the link between three key obsessions of the 21st century: the media, sport and popular culture. Gathering new material from around the 2007 Rugby World Cup, the Beijing Olympics and the rise of new sports stars such as boxing's Amir Khan and cycling's Victoria Pendleton, the authors explore a wide range of sports, as well as issues including nationalism, gender, race, political economy and the changing patterns of media sport consumption. For those interested in media and sport the second edition combines new and original material with an overview of the developing field of media sport, and examines the way in which the media has increasingly come to dominate how sport is played, organized and thought about in society. It traces the historical evolution of the relationship between sport and the media and examines the complex business relationships that have grown up around television, sponsors and sport. Covers the following topics: the history of media in sport; television, sport and sponsorship; why sport matters to television; sports stars; sports journalism; fans and the audience; sport in the digital media economy.
