The Volkswagen Passat (B6 & B7) is a front-engine D-segment large family car manufactured and marketed by Volkswagen from 2005-2010 (B6) and from 2010-2015 (B7, facelift). Respectively the six and seventh generation Passat, and internally designated B6 and B7 , they were marketed in sedan and wagon bodystyles in front-wheel as well as all-wheel drive configurations, with a range of petrol and diesel engines.

VW Passat B6 engine emissions warning light - the check engine symbol indicates a fault within the emissions system of your Passat B6. Generally the fault will be illuminated because of a faulty sensor such as an O2 or MAF (Mass Air Flow meter). You can diagnose the fault by using the iCarsoft i908 VW OBD Code Reader kit. It will give you a fault description, and a unique code which you can use to replace the faulty part.

Used Volkswagen Passat in Denver, CO for Sale

Good evening everyone. I am looking into purchasing a VW Passat B6 3.6, and

these cars are at a higher mileage. I would be racking up miles pretty good because my commute is about 50 or so miles a day. Are there any common issues with these cars and are they expensive to maintain and repair compared to the 2.0T? I really like the Passat because it is quite rare in my ...
