An Essay Toward a History of the Part which Black Folk Played in the Attempt to Reconstruct Democracy in America, 1860 – 1880 Library of America

The men and women who shaped our world—in their own words. The Wisdom Library invites you on a journey through the lives and works of the world ' s greatest thinkers and leaders.

Compiled by scholars, this series presents excerpts from the most important and revealing writings of the most remarkable minds of all time. THE WISDOM OF W.E.B. DU BOIS “ Throughout history, the powers of single blacks flash here and there like falling stars, and die sometimes before the world has rightly gauged their brightness. ” Dr. Martin Luther King, Jr., wrote of W.E.B. Du Bois, “ History cannot ignore [him] because history has to reflect truth, and Dr. Du Bois was a tireless explorer and a gifted

discoverer of social truths. His singular greatness lay in his quest for truth about his own people. ” Du Bois was the first African-American to receive a Ph.D. from Harvard (1896). A brilliant writer and speaker, he was the outstanding African-American intellectual of his time. His lifelong active struggle for racial equality and civil rights resulted in the founding of both the Niagara Movement and the National Association for the Advancement of Colored People (NAACP). As editor of the NAACP ' s magazine,

<p>The Crisis, Du Bois presented the literary genius of many of the Harlem Renaissance ' s most compelling voices; and his own works—the sociological study The Philadelphia Negro and his famous 1903 treatise, The Souls of Black Folk—eloquently delineated the African-American struggle for identity in America. During his lifetime, Du Bois was a powerful force in academia, literature, civil rights, and the peace movement. Using excerpts from his many books as well as</p>	<p>from articles, essays, poems, letters, and speeches, The Wisdom of W.E.B. Du Bois provides a telling portrait of the man and his groundbreaking ideas. It is a tribute to a voice that would not be silenced and to a pioneer who, in his passion for justice movingly declared, “ the cost of liberty is less than the price of repression. ” W. E. B. DuBois on Sociology and the Black Community Mercer University Press -- Brings together the best criticism on the most widely</p>	<p>read poets, novelists, and playwrights. -- Presents complex critical portraits of the most influential writers in the English-speaking world -- from the English medievalists to contemporary writers The World of W.E.B. Du Bois Courier Corporation Black Reconstruction in America interprets the twenty years of Reconstruction from the point of view of newly liberated African Americans. Though lambasted by critics at the time of its publication in 1935, Black Reconstruction has only grown in historical and literary importance.</p>

The second part of a biography of the African American author and scholar chronicles the flowering of the Harlem Renaissance, Du Bois's battle for equality and justice for African Americans, and his self-exile in Ghana.

The Suppression of the African Slave-Trade / The Souls of Black Folk / Dusk of Dawn / Essays Macmillan
Souls of Black Folk is a classic work of American literature by W. E. B. Du Bois. It is a seminal work in the history of sociology, and a cornerstone of African-American literary history.

The book, published in 1903, contains several essays on race, some of which the magazine *Atlantic Monthly* had previously published. To develop this work, Du Bois drew from his own experiences as an African American in the American society. Outside of its notable relevance in African-American history, *The Souls of Black Folk* also holds an important place in social science as one of the early works in the field of sociology. In "The Souls of Black Folk," Du Bois coined the term "double consciousness," which is the idea that black people must have two fields of vision at all times. They must be conscious of how they view themselves, as well as being conscious of how the world views them.

How W.E.B. Du Bois combined photographs and infographics to communicate

the everyday realities of Black lives and the inequities of race in America. At the 1900 Paris Exposition, the pioneering sociologist and activist W.E.B. Du Bois presented an exhibit representing the progress of African Americans since the abolition of slavery. In striking graphic visualisations and photographs (taken by mostly anonymous photographers) he showed the changing status of a newly emancipated people across America and specifically in Georgia, the state with the largest Black population. This beautifully designed book reproduces the photographs

alongside the revolutionary graphic works for the first time, and includes a marvelous essay by two celebrated art historians, Jacqueline Francis and Stephen G. Hall. Du Bois' hand-drawn charts, maps and graphs represented the achievements and economic conditions of African Americans in radically inventive forms, long before such data visualization was commonly used in social research. Their clarity and simplicity seems to anticipate the abstract art of the Russian constructivists and other modernist painters to come. The photographs were drawn

from African American communities across the United States. Both the photographers and subjects are mostly anonymous. They show people engaged in various occupations or posing formally for group and studio portraits. Elegant and dignified, they refute the degrading stereotypes of Black people then prevalent in white America. Du Bois' exhibit at the Paris Exposition continues to resonate as a powerful affirmation of the equal rights of Black Americans to lives of freedom and fulfilment. Black Lives 1900 captures this singular work. American

sociologist, historian, author, editor and activist W.E.B. Du Bois (1868-1963) was the most influential Black civil rights activist of the first half of the 20th century. He was a protagonist in the founding of the National Association for the Advancement of Colored People (NAACP) in 1909, and his 1903 book *The Souls of Black Folk* remains a classic and a landmark of African American literature. W.E.B. Du Bois Oxford University Press Gathers an account of the African slave trade, reminiscences of the author's

life, and essays about racism, Black music and culture, and American politics.

W. E. B. Du Bois, 1919-1963

Infobase Publishing

The colorful charts, graphs, and maps presented at the 1900 Paris Exposition by famed sociologist and black rights activist W. E. B. Du Bois offered a view into the lives of black Americans, conveying a literal and figurative representation of "the color line." From advances in education to the lingering effects of slavery, these prophetic infographics—beautiful in design and

powerful in content—make visible a wide spectrum of black experience. W. E. B. Du Bois's *Data Portraits* collects the complete set of graphics in full color for the first time, making their insights and innovations available to a contemporary imagination. As Maria Popova wrote, these data portraits shaped how "Du Bois himself thought about sociology, informing the ideas with which he set the world ablaze three years later in *The Souls of Black Folk*."

Fabianism and the Color Line
University of Chicago Press

This landmark book is a founding work in the literature of black protest. W. E. B. Du Bois (1868-1963) played a key role in developing the strategy and program that dominated early 20th-century black protest in America. In this collection of essays, first published together in 1903, he eloquently affirms that it is beneath the dignity of a human being to beg for those rights that belong inherently to all mankind. He also charges that the strategy of accommodation to white

supremacy advanced by Booker T. Washington, then the most influential black leader in America, would only serve to perpetuate black oppression. Publication of *The Souls of Black Folk* was a dramatic event that helped to polarize black leaders into two groups: the more conservative followers of Washington and the more radical supporters of aggressive protest. Its influence cannot be overstated. It is essential reading for everyone interested in African-

American history and the struggle for civil rights in America.

The Quest for the Abolition of the Color Line Infobase Publishing

Places the black leader's writings in a full biographical context, analyzing his major works and presenting a balanced view of Du Bois's career by giving equal weight to his social, political, and artistic productions.

Essays Celebrating the Centennial Publication of The Souls of Black Folk Henry Holt & Company

The distinguished American civil rights leader, W. E. B. Du Bois first published these fiery essays,

sketches, and poems individually nearly 80 years ago in the Atlantic, the *Journal of Race Development*, and other periodicals. This volume has long inspired readers with its militant cry for social, political, and economic reforms for black Americans.
