Chasing The Monk's Shadow Routledge
A darkly comic and heartbreakingly honest YA novel about finding the courage to help a friend who can't stop hurting herself. Zoe and Hank (short for Hannah) have been inseparable since they met in elementary school. The leader of the pack, Zoe is effortlessly popular while Hank hides comfortably in her shadow. But when Zoe's

parents unexpectedly divorce, Zoe's perfect facade starts cracking little by little. Sinking under the weight of her broken family, Zoe develops an eating disorder. Now she must rely on Hank for help. Hank struggles to help Zoe; after all, she is used to agreeing, not leading. How can she help her best friend get better before it's too late? Written partially in letters from Zoe and mostly in narrative from Hank's perspective, Abby Sher's Miss You Love You Hate You Bye is a poignant and eye-opening novel about friendship, mental health, and learning to put yourself first.

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love'

is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred,

redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

These days, a lot of people are trying to tell teens what's best for them. Here's a look at life from artist and professional nonconformist Laurie Rosenwald, who insists that she doesn't want to tell anyone what to do. But when you are as irreverent as she is (Is the earth really worth saving?) and as funny (Your breasts: What do they mean?) people sort of DO want to know what you think. Then again, if you think like

Rosenwald, it could get you kicked out of yoga class. In the tradition of nothing you've ever seen or read, All the Wrong People Have Self Esteem is for young women* who ask good questions about life and then like to laugh at the answers. Got a better approach? *or frankly, anybody else.

The Love That Split the World Wrong Kind of Love (Young Love, #4) The first time I ever saw Caden Harper I'm pretty sure I fell in love. All that golden hair and pale blue eyes. He was mysterious and covered in paint. I found it endearing and wanted nothing more than to find out all his secrets. I gave that man things I would never give anyone else. He blew it

though. Which I shouldn't be surprised considering he is a womanizer. So I moved on, well kind of. Jaden Harper wasn't what I expected. I found myself drawn to him almost as much as his brother. Maybe it's the fact they are twins or maybe it was the fact I wanted to live on the wrong side for once in my life. Now I've found myself dug deep in this game. There's no end in sight and I wonder when all the lies I have told will come back to haunt me. Neither man should know the things I've gone through. Neither should trust me. I'm not who I say I am. My past is full of things I won't ever share. But where will that lead me when Caden wants nothing more than to consume me? He won't wake up to see he has the wrong kind of love. Florence, 1486: a series of murders shocks life in the city. The victims are women belonging to the rich bourgeoisie, and the ruthless assassin seems to take inspiration from the Allegory of Spring, a masterpiece by

Sandro Botticelli and his assistant Filippino Lippi. An object is found on each corpse, relating to a detail of the painting: the twig slipped between the lips of a nymph, the red cloak wrapped around the Goddess, the garland of flowers adorning the neck of Spring... Passions and intrigue involve Leonardo da Vinci, Amerigo Vespucci, Lorenzo the Magnificent and other notable figures through the refined and cultured weaving of this tale, in which the eternal battle between Love and Death is fought against the historic backdrop of a magnificent Florence.

The award-winning, New York Times bestselling literary masterpiece of Shirley Hazzard—the story of two beautiful orphan sisters whose

fates are as moving and wonderful, and yet as predestined, as the transits of the planets themselves. A Penguin Classic Considered "one of the great English-language novels of the twentieth century" (The Paris Review), *The Transit of Venus* follows Caroline and Grace Bell as they leave Australia to begin a new life in post-war England. From Sydney to London, New York, and Stockholm, and from the 1950s to the 1980s, the two sisters experience seduction and abandonment, marriage and widowhood, love and betrayal. With exquisite, breathtaking prose, Australian novelist Shirley Hazzard tells the story of the displacements and absurdities of modern life. The result is at once an intricately plotted Greek tragedy, a sweeping family saga, and a desperate love story.
