Homesick in Paradise is a wonderfully written novel that you can't read once and drop but read it time and time again. The lead story has a personal emotional touch that draws you so close to empathizing with an eleven year old character, Enemona, who couldn't bear the heat of his mother's death, decides to break barrier in order

to have a spiritual verbal communion with the dead mother. Would the dead mother respond in a mysterious way? The author similarly weaved the childhood memories of a child in a boarding secondary school with its fun and fabulous fury. It espouses the split personality of a nearly indoctrinated child in Christendom, with the conflict of participating in the rich culture of his African traditional festivals. It is an impressive narration laced with tragic stories but also harmonized with great hilarious stories that are didactic and perhaps ribs cracking.

 Coetzee. His latest novel, The Schooldays of
 Jesus, is now available from Viking. Late
 Essays: 2006–2016 will be available January
 2018. For decades the Magistrate has been a
 loyal servant of the Empire, running the
 affairs of a tiny frontier settlement and
 ignoring the impending war with the
 barbarians. When interrogation experts
 arrive, however, he witnesses the Empire's
 cruel and unjust treatment of prisoners of
 war. Jolted into sympathy for their victims, he
 commits a quixotic act of rebellion that

brands him an enemy of the state. J. M.
 Coetzee's prize-winning novel is a startling
 allegory of the war between oppressor and
 oppressed. The Magistrate is not simply a man
 living through a crisis of conscience in an
 obscure place in remote times; his situation is
 that of all men living in unbearable complicity
 with regimes that ignore justice and decency.

The Brighton to London line. The 7:44 am train. Cars packed with commuters. One woman occupies her time observing the people around her. Opposite, a girl puts on her make-up. Across the aisle, a husband strokes his wife's hand. Further along, another woman flicks through a glossy magazine. Then, abruptly, everything changes: a man collapses, the train is stopped, and an ambulance is called. For at least three passengers on the 7:44 on that particular morning, life will never be the same again. There's Lou, in an adjacent seat, who witnesses events first hand. Anna, who's sitting further up the train, impatient to get to work. And Karen, the man's wife. Telling the story of the week following that fateful train journey, *One Moment, One Morning* is a stunning novel about love and loss, about family and – above all – friendship. A stark reminder that, sometimes, one

moment is all it takes to shatter everything. Yet it also reminds us that somehow, despite it all, life can and does go on.

In 1956 John Osborne's *Look Back in Anger* changed the course of English theatre. '*Look Back in Anger* presents post-war youth as it really is. To have done this at all would be a significant achievement; to have done it in a first play is a minor miracle. All the qualities are there, qualities one had despaired of ever seeing on stage - the drift towards anarchy, the instinctive leftishness, the automatic rejection of "official" attitudes, the surrealist sense of humour . . . the casual promiscuity, the sense of lacking a crusade worth fighting for and, underlying all these, the determination that no one who dies shall go unmourned.' Kenneth Tynan,

Observer, 13 May 1956 '*Look Back in Anger* . . . has its inarguable importance as the beginning of a revolution in the British theatre, and as the central and most immediately influential expression of the mood of its time, the mood of the "angry young man".' John Russell Taylor
