Waggit ' s Tale by Peter Howe - Paperback | HarperCollins

Waggits tale was a very well thought-out book with a very good plot. It was mainly about how a dog named Waggit got lost from his owner and a group of other dogs found him and let him join in and they were like family and they taught Waggit how to fight and survive against other dogs but something unbelievable happens so you will just have to wait and find out yourself.

I have purchased Waggit Again, the recently released sequel, and got 1/4 of the way through it prior to the final bell. The students enjoyed it equally as well. Waggit's Tale is recommended for ages 9-12, which is fine for teacher read-

alouds. For independent readers, I would say it's best suited for ages 11-13.
