Waggit's Tale by Peter Howe I have purchased Waggit Again, the recently released sequel, and got 1/4 of the way through it prior to the final bell. The students enjoyed it equally as well. Waggit's Tale is recommended for ages 9-12, which is fine for teacher read-alouds. For independent readers, I would say it's best suited for ages 11-13.

Waggits tale was a very well
thought-out book with a very
good plot. It was mainly about
how a dog named Waggit got
lost from his owner and a
group of other dogs found him
and let him join in and they
were like family and they
taught Waggit how to fight

and survive against other dogs
but something unbelievable
happens so you will just have
to wait and find out yourself.
