Jeep Wagoneer - Grand Wagoneer | Hagerty Articles

The AMC small block V-8 was introduced in some of its 1965 cars. This engine was enlarged several times over the next few years as AMC's vehicles got larger and required larger displacement power plants. The 360 was first introduced in 1970 as a replacement of the 343 V-8, and was used as late as the early 1990s in the Jeep Grand Wagoneer.
