Once upon a time, I fell in love with a boy. A beautiful, broken boy who had his own world of struggles. People warned me against our love, but I didn't listen. We looked weak. Young, foolish. Dangerously in love. We didn't care. In order to keep our hearts protected from the opinions of others, we became each other's secret. We shared stolen moments. Tender touches. Secretive embraces. It was our twisted love story,

and it worked for us up until our lives changed forever. The boy I loved became Hollywood's newest golden boy. His career blossomed as mine stalled. He found massive success as I discovered multiple failures. He made something of himself, while my dreams never came true. We moved into different realms where our pieces no longer fit together. In the fairy tales, love conquered all. In reality, love was the main reason empires began to fall. I always knew Landon belonged in my story. He was my beginning, middle, and end. The only problem? I wasn't certain I still belonged in his.

Desperate to find a new mechanic, the last thing Reddington expects is a woman to show up, let alone one with a sinful body, sharp tongue, and the inability to just do her job and not give him lip. He can't deny he's hoping to catch a view of her bent over a hood, but there's not a chance in hell that's going to happen. As much as Red wants to take her for a test drive,

he knows he needs to keep his priorities straight. "Have you heard of Newton's third law of motion? Every action has an equal and opposite reaction? It all goes back to one saying. You're able to choose but you're never free from the consequences of your actions. There's no reset, there's no takeback, there's an action, and an outcome." After fleeing from an abusive ex, Lennon hopes the garage bays of Walker Automotive will keep her dark secrets hidden from her past. What she doesn't expect is a sexy, brooding, tattooed boss with an attitude. Neither of

Spiritual writer and founder of Rising Woman, Sheleana Aiyana takes you on a transformational inner-work journey to heal life-long relationship patters and reclaim power over your life. Romantic relationships have

the ability to infuse our lives with the magic of intimacy and connection. But for many of us, that magic is fleeting—over and over, our relationships don't last, or if they do, they fail to make us happy. We find ourselves chasing unavailable love, sublimating our needs in service to others, or trying to save our partners from themselves, all the while abandoning the one who needs us most—ourselves. If you find yourself struggling to let go after a relationship ends, or you keep hitting the same

---

wall in dating and relationships with emotionally unavailable people, this is not a sign that you are broken. It is a sign that somewhere along the way, you learned to sacrifice yourself in order to be loved. In *Becoming the One*, spiritual leader and visionary founder of the Rising Woman community Sheleana Aiyana offers a roadmap for transforming your relationship patterns to end the cycle of self-abandonment and move into the light of self-discovery. You'll learn to:

- build a secure, loving relationship with yourself.
- connect with your inner child.
- challenge your core beliefs about love.
- set self-affirming boundaries.
- discover and celebrate your true desires.
- recognize red and green flags.

Sheleana's revolutionary lessons, based on wisdom from the traumas of her past and years of guiding thousands of women around the world in her internationally acclaimed "Becoming the One" program of spiritual and

therapeutic healing practices, teach you to embody the qualities you are seeking in others so that you can become "the one" for yourself. You'll learn how to trust your body, make peace with your past, and clear the path for healthy, conscious love—one that returns the authority to you to choose how to live and whom to love. The desire for love is wired into the very fibers of our being, but before you can create rewarding bonds with others, first you must stand wholeheartedly in

The Saturday Evening Post Createspace Independent Publishing Platform From New York Times bestseller Lexi Ryan comes a sexy new standalone romance in the bestselling Boys of Jackson Harbor series. Meet single dad Easton Connor as he leaves the NFL and returns to Jackson Harbor to fight for another chance with the love of his life. \*\*\* I

don't regret much. Not my decision to enter the NFL draft before finishing college. Not fighting for custody of my daughter—even if, biologically speaking, it turns out she's not mine. And certainly not seducing my buddy's little sister ten years ago. But when it comes to Shayleigh Jackson, my no-regrets attitude stops there. I screwed up royally where she's concerned. Then I made another mistake when I let her shut me out of her life. Now after more than a decade living in different time zones, I'm coming home to Jackson Harbor. My

first priority is keeping my daughter away from the media circus in Los Angeles, but the moment I see Shay, I know something else brought me back here. Now I'll stop at nothing to win her back. So what if she won't speak to me? So what if she's changed? So what if she's fallen for some douchebag professor? I've never gotten over her, and I know she feels the same about me. I've let her go twice. I won't make that mistake again. If It's Only Love and all other books in this series can be read as standalones, but you'll enjoy reading them together. The Boys of Jackson

Ridley Cooper is on a mission. And if there's one thing he's good at, it's getting what he wants. What's he not so good at? Being a husband. At least that's what his wife would say. For most of my life I've been focused on one goal. Making a name for myself and building a business from the ground up. I'm a hard-working man, and quite frankly pretty awesome if you ask me. Sure, I make mistakes, you'll see, but I think my dedication helps me out here. It's the devoted work ethic that has me following through with anything thrown my way. That being said,

my wife of the last eight years served me with a Petition for Dissolution of Marriage. Believe me, I'm shocked too. She's under the impression I don't care. Ridiculous assumption. I know what you're thinking, what the hell did I do? Let's not judge me yet until you know the whole story. The way I see it, in the state of Arizona, I have approximately 60 days to make her fall back in love with me. Easy enough, right? You've clearly never met Madison.
