Ridley Cooper is on a mission. And if there's one thing he's good at, it's getting what he wants. What's he not so good at? Being a husband. At least that's what his wife would say. For most of my life I've been focused on one goal. Making a name for myself and building a business from the ground up. I'm a hard-working man, confident in my trade and quite frankly pretty awesome if you ask me. Sure, I make mistakes, you'll see, but I think my dedication helps me out here. It's the devoted work ethic that has me following through with anything thrown my way. That being said, my wife of the last eight years served me with a Petition for Dissolution of Marriage. Believe me, I'm shocked too. She's under the impression I don't care. Ridiculous assumption. I know what you're thinking, what the hell did I do? Let's not judge me yet until you know the whole story. The way I see it, in the state of Arizona, I have approximately 60 days to make her fall back in love with me. Easy enough, right? You've clearly never met Madison.

"There's parts of her that were completely untouched until my dirty hands pulled her in, marking her in all the ways she needed." Desperate to find a new mechanic, the last thing Reddington expects is a woman to show up, let alone one with a sinful body, sharp tongue, and the inability to just do her job and not give him lip. He can't deny he's hoping to catch a view of her bent over a hood, but there's not a chance in hell that's going to happen. As much as Red wants to take her for a test drive, he knows he needs to keep his priorities straight. "Have you heard of Newton's third law of motion? Every action has an equal and opposite reaction? It all goes back to one saying. You're able to choose but you're never free from the consequences of your actions. There's no reset, there's no takeback, there's an action, and an outcome." After fleeing from an abusive ex, Lennon hopes the garage bays of Walker Automotive will keep her dark secrets hidden from her past. What she doesn't expect is a sexy, brooding, tattooed boss with an attitude. Neither of them can ignore their attraction as they struggle to make sense of their connection. And what happens next will no doubt be unsteady. "I'm not going to let him hurt you anymore, Lenny. I won't let him anywhere near you."

Waiting for You

The English Version of the Polyglott Bible, Etc

A rock god. The princess of pop. Who will fall first? Everyone knows the name Revel Slade. They know to fear him. To never get too close because this guy, he's so hot he commands the fires of hell, and he will burn you to cinders and enjoy watching the flames dance. He haunts my every move. So why am I going on tour with him? I'm an idiot. That's why. Me, Taylan Ash, the princess of pop, falling for the king of rock. Falling for evil. When you're young and being told all those fairy tales, the ones that tell you there's a Prince Charming out there for you, they leave out the villains--the monsters lurking. They don't warn you about the ones hidden behind a disguise with pretty eyes and smoke in their lungs. Blinded by passion, I refused to see what was really happening until it was too late, and there was no going back. When I emerge from the haze of him, I'm left empty and undefined, barely recognizable. He wouldn't fall. Not at all. Not ever a chance.

What a silly notion that would be. But, he
did. He fell hard and this time, I couldn't
catch him.
