Bedtime for Frances Marsupial Press

First in a trilogy that crosses the boundaries of erotic fiction—from the bestselling author of Megan's Mark. Too weak to resist young Kelly Benton's attempts at seduction, Rowdy Mackay left home eight years ago. Duty as a U.S. Marine put a safe distance between temptation and the nubile Kentucky vixen. Now he's back home and ready to engage in the kind of erotic games that have earned him and his two cousins a Nauti-boy reputation in three counties. Once it was Kelly's dream too—to feel the heat of the boy she desired. But an attack from a stalker still on the prowl has left Kelly terrified of a man's touch. Now as fear and desire converge, Rowdy fights to save her from

the deadly threats of a stranger, to rid her of her demons, and to satisfy a hunger more powerful than either can imagine.

Cross Breed Penguin UK

In this spectacular New York Times bestselling father/son collaboration that “barrels along like a freight train” (Publishers Weekly), Stephen King and Owen King tell the

highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious “Eve Black,” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman’s prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.

INSTANT NEW YORK TIMES BESTSELLER “A claustrophobic spine-tingler.” —People “Not only do Ware’s novels wink at [Agatha] Christie in a saucy way, but Ware herself is turning out to be as ingenious and indefatigable as the Queen of Crime.” —The Washington Post The #1 New York Times bestselling author of *The Turn of the Key* and *In a Dark, Dark Wood* returns

with another suspenseful thriller set on a snow-covered mountain. Getting snowed in at a luxurious, rustic ski chalet high in the French Alps doesn't sound like the worst problem in the world. Especially when there's a breathtaking vista, a full-service chef and housekeeper, a cozy fire to keep you warm, and others to keep you company. Unless that company happens to be eight coworkers...each with something to gain, something to lose, and something to hide. When the cofounder of Snoop, a trendy London-based tech start-up, organizes a weeklong trip for the team in the French Alps, it starts out as a corporate retreat like any other: PowerPoint presentations and strategy sessions broken up by mandatory bonding on the slopes. But as soon as one shareholder upends the agenda by pushing a lucrative but contentious buyout offer, tensions simmer and loyalties are tested. The storm brewing inside the chalet is no match for the one outside, however, and a devastating avalanche leaves the group cut off from all access to the outside world. Even worse, one Snooper hadn't made it back from the slopes when the avalanche hit. As each hour passes without any sign of rescue, panic mounts, the chalet grows colder, and the group dwindles further...one by one.

Bengal's Quest Penguin

This story explains the actions of two teenage boys, who are confronted by the fight or flight options when their lives are turned upside down by circumstances beyond their control. Andy McLean, the Scot, chooses the 'FIGHT' option. Bullied by his alcoholic father throughout his sixteen years, he comes home one night to his mother being terrorized by her drunken husband. In a fit of uncontrollable rage, Andy attacks his father and accidentally kills him. His self-preservation instinct kicks in and urges him to revert to flight to escape a long prison sentence. Tommy Nelson chooses 'FLIGHT' when, at fifteen years old, his parents are killed in a car crash. The authorities could not find foster parents for him so they were going to send him to an Orphanage for his own safety. Tommy decided to take his chances elsewhere and "did a runner" to become a street kid. He did odd jobs when available or, alternatively, joined a street gang of kids who were also runaways. They did what it took to survive. Andy and Tommy meet by a strange coincidence. They both decided to kip for the night in the same disused warehouse on the Dockyards at Southampton, to shelter from the icy winter weather. After

an initial altercation they formed a strange bond which was to last a lifetime: both afraid, but stronger together. Instinctively trusting one another in a new bond of friendship, they decided to try to make a new life for themselves by stowing away on a ship bound for Australia. Both boys, frightened and pretending to be hard men, looked forward to their sea escape, hoping that Andy's Uncle Jack, an Australian resident, would sponsor them. He may even be able to advise them and help them find trades; Tommy as a Chef and Andy as a Marine Engineer. On their journey, maritime pirates attack their ship and the boys are instrumental in foiling their murderous plans. The Captain promises to reward them and writes them a glowing character reference. When they finally arrive in Australia, Andy continues his boxing career and, with his trainer, travels to the 'outback' town of Coober Pedy where the world's best opals are mined. He has agreed to fight the local Aboriginal boxer to raise funds for the Royal Flying Doctor Service. One experience after another makes Andy realize he is extremely lucky to have been given a second chance to make a new life for himself. Both boys work hard to prove themselves in their chosen career. Read what happens to the boys in Australia where they have to fight more battles to survive.

Little Mouse's Big Breakfast Penguin

The #1 New York Times bestselling author of Bengal's Quest ignites the most dangerous instincts known to man, woman, and beast in these Breed novellas, collected in one volume for the first time. The Breed Next Door Lyra thinks her new neighbor looks too good to be

true. But Tarek Jordan is even more than he seems: a Breed Enforcer on the run. And even though he wants her, Tarek knows Lyra could get burned—unless she embraces the danger that comes with loving a Breed. In a Wolf's Embrace Matthias and Grace are meant to mate—until he commits an act too shocking to ignore. Grace knew that the hot Breed was dangerous, but now, she fears for her own life. Yet she wonders: could it be part of some insidious plan? For there are forces determined to tear them apart and destroy what's left of the man within. A Jaguar's Kiss Jaguar Breed Saban Broussard has a job to do: guard the first instructor chosen to teach Breed children. But with just one kiss and his touch, the mating phenomena begins that will tie Natalie Ricci to him forever. Unless a shadow from her past gets them both killed.

Rusty and the Magic Mountain Houghton Mifflin Harcourt

SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of Amnesty and Selection Day that critics have likened to Richard Wright's Native Son, The White Tiger follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On

the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

"Sleeplessness gets the Susan Sontag illness-as-metaphor treatment in this pensive, compact, lyrical inquiry into the author's nighttime demons." —Kirkus Reviews In 2016, Samantha Harvey began to lose sleep. She tried everything to appease her wakefulness: from medication to therapy, changes in her diet to changes in her living arrangements. Nothing seemed to help. *The Shapeless Unease* is Harvey's darkly funny and deeply intelligent anatomy of her insomnia, an immersive interior monologue of a year without one of the most basic human needs. Original and profound, and narrated with a lucid breathlessness, this is a startlingly insightful exploration of memory, writing and influence, death and the will to survive, from "this generation's Virginia Woolf" (Telegraph). "Captures the essence of fractious emotions—anxiety, fear, grief, rage—in prose so elegant, so luminous, it practically shines from the page. Harvey is a hugely talented writer, and this is a book to relish." —Sarah Waters, New York Times—bestselling author "Harvey writes with hypnotic power and poetic precision

about—well, about everything: grief, pain, memory, family, the night sky, a lake at sunset, what it means to dream and what it means to suffer and survive . . . The big surprise is that this book about 'shapeless unease' is, in the end, a glittering, playful and, yes, joyful celebration of that glorious gift of glorious life." —Daily Mail "What a spectacularly good book. It is so controlled and yet so wild . . . easily one of the truest and best books I've read about what it's like to be alive now, in this country." —Max Porter, award-winning author of *Lanny*
