Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou’s debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. “I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback

edition.

Grace and her friends must protect a newly hatched dragon from mysterious evildoers. When Grace moves to Hong Kong with her mom and new stepdad, her biggest concern is making friends at her fancy new boarding school. But when a mysterious old woman gifts her a dragon egg during a field trip, Grace discovers that the wonderful stories of dragons she heard when she was a young girl might actually be real--especially when the egg hatches overnight. The dragon has immense powers that Grace has yet to understand. And that puts them both in danger from mysterious forces intent on abusing the dragon's power. And now it's up to Grace and her school friends to uncover the sinister plot threatening the entire city!

Struggling with depression, anxiety, illness, an eating disorder, a difficult relationship, fear, self-hatred, addiction or anger? Renowned Buddhist leader Tsultrim Allione explains that the harder we fight our demons, the stronger they become. Offering Eastern answers to Western needs, Tsultrim seamlessly weaves traditions from Tibet and the Western world to offer a new and unique answer to the problems that plague us: that rather than attempt to purge them, we need to reverse our approach and nurture our demons. This powerful five-step practice forms a strategy for transforming negative emotions, relationships, fears, illness and self-defeating patterns. This will help you cope with the inner enemies that undermine our best intentions.

The landmark text about the inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung ’ s revolutionary ideas “ What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society. ” —The Guardian “ Our psyche is part of nature, and its enigma is limitless. ” Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life ’ s work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal

text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience. The Liger's Mark Candlewick Press (MA)

*The Legend of the Paka Watu...* Ever since she was a young girl, Abby Lane can't resist the allure of a catshifter tribe forced to repress their beasts. On a trip to Africa, she discovers a coveted piece of information—the name the pride leader assumed when he left his home—and she traces his lineage to his descendent. *The Sleeping Lion...* Utah Pearce can't keep his gaze off the woman who slips into the bar every night. Though not his usual type, she brings out the possessive instinct in him, making him battle with himself as he tries to stay away. *Mine...* Abby's research never prepared her for the reality in front of her. The beast is waking, and Utah is changing in ways both exciting and terrifying. He is possessive and dominant, and when he finally claims her, neither of them will ever be the same.

*Eyes on the Pride* Their Wild One Waking the Beast

A man moves from Nevada to New York, tired of his old life and hungry for change. He immediately meets a man completely enamored by Nevada's charm. They enter into a heated debate over the merits and downfalls of their respective cities. This humorous short story reflects O Henry's own enchantment with New York City and reminds us that although people talk a lot, rarely do they listen. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections. The most notable of which being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." In fact, his legacy was so great that the ' O. Henry

Award ' was established to celebrate the best short stories. His vivid storytelling is perfect for fans of Roald Dahl.

**A NEW YORK TIMES BESTSELLER** On the first anniversary of the events at Parkland, the acclaimed, New York Times bestselling author of *Columbine* offers an intimate, deeply moving account of the extraordinary teenage survivors who became activists and pushed back against the NRA and feckless Congressional leaders—inspiring millions of Americans to join their grassroots #neveragain movement. Nineteen years ago, Dave Cullen was among the first to arrive at Columbine High, even before most of the SWAT teams went in. While writing his acclaimed account of the tragedy, he suffered two bouts of secondary PTSD. He covered all the later tragedies from a distance, working with a cadre of experts cultivated from academia and the FBI, but swore he would never return to the scene of a ghastly crime. But in March 2018, Cullen went to Marjory Stoneman Douglas High School because something radically different was happening. In nearly twenty years witnessing the mass shootings epidemic escalate, he was stunned and awed by the courage, anger, and conviction of the high school ' s students. Refusing to allow adults and the media to shape their story, these remarkable adolescents took control, using their grief as a catalyst for change, transforming tragedy into a movement of astonishing hope that has galvanized a nation. Cullen unfolds the story of Parkland through the voices of key participants whose diverse personalities and outlooks comprise every facet of the movement. Instead of taking us into the mind of the killer, he takes us into the hearts of the Douglas students as they cope with the common concerns of high school students everywhere—awaiting college acceptance letters, studying for mid-term exams, competing against their athletic rivals, putting together the yearbook, staging the musical *Spring Awakening*, enjoying prom and graduation—while moving forward from a horrific event that has altered them forever. Deeply researched and beautifully told, *Parkland* is an in-depth examination of this pivotal moment in American culture—and an up-close portrait that reveals what these extraordinary young people are like. As it celebrates the passion of these astonishing students who are making history, this spellbinding book is an inspiring call to action for lasting change. Cultivation Chat Group Scholastic Inc.

*Pleasures* One woman with three men satisfying all her needs. Let the pleasure begin. Mandy finds herself begging to be frisked and cuffed with police detectives Mitch, Tanner, and Dylan in *Cuffed for Pleasure*. From the first glimpse, Tanner is smitten. It's easy to see Mitch shares the feeling. And neither has any doubt Dylan will feel the same. There's just something about Mandy. Ashley fans the flames with firemen Andre, Diego, and Linc in *Heated for Pleasure*. Ashley is all about generating heat. She's a baker after all. But nothing prepares her for the burning desire she feels when three firefighters show up to thank her for the baked goods she sends their way. Mia finds herself in hot water with Navy SEALs Tris, Brent, and Mick in *SEALed for Pleasure*. They exude confidence and authority, and she wonders if they are the same in the bedroom. But to be with them is to submit in ways she's not sure she can. She's never been much for obedience. River drops her defenses with bodyguards Phil, Luke, and Rick in *Guarded for Pleasure*. When her ex finds her, River's three sexy neighbors step in to help. Phil, Luke, and Rick have more than guarding her body in mind. They'll guard her pleasure as well, and make sure she never wants again.

*The Awakening of Intelligence* Penguin

Alpha lion who is all growl and bite? Defiant human with a broken heart? An enemy out to break them both? Running from a devastating betrayal, Hailey's wound is salted when car trouble strands her in the path of a snarly lion shifter with a chip on his shoulder the size of Pride Rock. She can't decide what's worse—his snarky, human hating attitude, or the fact that her judgement sucks and she is falling in love with the devil in sexy blue jeans. But refusing to trust will cost her more than her future happiness... it could cost her life. Alpha lion Trent has no one but his pride, a group of misfits holding onto control by a claw under his leadership. He doesn't need the complication of a stubborn, mouthy, human woman who looks him in the eye and sets off every instinct to claim. Especially since his uncle is threatening to solve Trent's Hailey problem with violence. For Trent isn't the only one who wants to see all humans kicked out of town and lions back at the top of the food chain. He's just the only one who is starting to change his mind... ...the only one who realizes that the love of a mate is worth fighting, dying, and forgiving for. *Savage Pride, Lion Hearts Book 1*, is a standalone lion shifter steamy romance. This paranormal with bite is for readers who love enemies to lovers, snarly lion heroes, and sassy not-quite-damsels in distress. Purchase now because you crave an alpha too savage to love. . . unless he's your fated mate.

Pleasures Oxford University Press, USA

INTERNATIONAL BESTSELLER • 1.5 MILLION+ COPIES SOLD WORLDWIDE “ Workers looking for more fulfilling positions should start by identifying their ikigai. ”

Business Insider “ One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life. ”

Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “ Only staying active will make you want to live a hundred years. ” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world ’ s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you ’ re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It ’ s the reason we get up in the morning. It ’ s also the reason many Japanese never really retire (in fact there ’ s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they ’ ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world ’ s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn ’ t want to find happiness in every day?

Mending the Beast Krishnamurti Foundation Trust UK Golding ’ s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in

the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

I Know Why the Caged Bird Sings Hay House, Inc

#1 New York Times bestselling author Christine Feehan returns to the mysterious coastal town of Sea Haven where a woman is stalked by her inescapable past in the fourth novel in the Sisters of the Heart series. On the shores of Sea Haven, six women touched by great loss have come together in a sisterhood strengthened by the elements—a bond each will need as new love and danger enter their lives... After escaping from a cult, Lexi found refuge with her sisters on the farm that more than sustained her body—it nurtured her soul as well. But she never forgot the terror she left behind or the always present fear that the cult would find her again, and claim her. Then her nightmare came true. Lexi was discovered and threatened—only to be suddenly saved by a stranger. He is Gavriil Prakenskii, and he ’ s awestruck by the woman he ’ s rescued. She is destined for him. He can feel it in his soul. But how can Lexi find happiness with a man steeped in secrets and shadows, one intimately acquainted with violence, and whose very love could be the death of them?

Black Hills Penguin

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

James Pack: Alpha and Beta First Avenue Editions

The Prophet is a book of 26 prose poetry fables written in English by the Lebanese-American poet and writer Kahlil Gibran. It was originally published in 1923 by Alfred A. Knopf.

It is Gibran's best known work. The Prophet has been translated into over 100 different languages, making it one of the most translated books in history, and it has never been out of print. The prophet, Al Mustafa, has lived in the city of Orphalese for 12 years and is about to board a ship which will carry him home. He is stopped by a group of people, with whom he discusses topics such as life and the human condition. The book is divided into chapters dealing with love, marriage, children, giving, eating and drinking, work, joy and sorrow, houses, clothes, buying and selling, crime and punishment, laws, freedom, reason and passion, pain, self-knowledge, teaching, friendship, talking, time, good and evil, prayer, pleasure, beauty, religion, and death. Among the most significant works Kahlil Gibran: "Broken Wings", "The Madman", "The Earth Gods" , "The Garden of the Prophet".

The Pride of the Cities Potty MD Llc

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Ikigai Penguin

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Lord of the Flies Vintage

In this #1 New York Times bestseller, Nora Roberts takes readers deep into the rugged hills of South Dakota, where the shadows keep secrets, hunters stalk the land, and a friendship matures into something more.... Cooper Sullivan spent the summers of his youth on his grandparents ’ South Dakota ranch, sharing innocent games and stolen kisses with the neighbor girl, Lil Chance. Now, twelve years after they last walked together

---

hand in hand, fate has brought them back to the Black Hills. Though the memory of Coop ' s touch still haunts her, Lil has let nothing stop her dream of opening the Chance Wildlife Refuge, but something—or someone—has been keeping a close watch. When small pranks and acts of destruction escalate into a heartless attack on Lil ' s beloved cougar, memories of an unsolved murder have Coop springing to action to keep Lil safe. Both of them know the natural dangers that lurk in the wild landscape of the Black Hills. But a killer of twisted and unnatural instincts has singled them out as prey....

#### The Unconsoled Lindhardt og Ringhof

There is a contagious psychospiritual disease of the soul, a parasite of the mind, that is currently being acted out en masse on the world stage via a collective psychosis of titanic proportions. This mind-virus—which Native Americans have called "wetiko"—covertly operates through the unconscious blind spots in the human psyche, rendering people oblivious to their own madness and compelling them to act against their own best interests. Drawing on insights from Jungian psychology, shamanism, alchemy, spiritual wisdom traditions, and personal experience, author Paul Levy shows us that hidden within the venom of wetiko is its own antidote, which once recognized can help us wake up and bring sanity back to our society.
