### Waking the Beast Penguin

From H. P. Mallory—the exciting author of *Fire Burn and Cauldron Bubble*—comes her new paranormal romance featuring the sassy, self-deprecating witch Jolie Wilkins. Jolie thinks she's seen it all, but life continues to spring surprises. The latest shocker? She's just been crowned Queen of the Underworld. Jolie may possess a rare gift for reanimating the dead, but she doesn't know the first thing about governing disparate factions of supernatural creatures. She can barely maintain order in her own chaotic personal life, which is heading into a romantic tailspin. First there's sexy warlock Rand, the love of her

life, from whom Jolie is hiding a devastating secret. Then there's Sinjin, a darkly seductive vampire and Jolie's sworn protector—though others suspect he harbors ulterior motives. As the two polar opposite yet magnetic men vie for Jolie's affection, she must keep her wits about her to balance affairs of state and affairs of her heart. Overwhelmed, under pressure, and longing for love, Jolie decides it's time to take charge—and show everyone that this queen won't take jack.

### *Mercury's War Funstory*

The New York Times bestselling *Raven's Shadow Trilogy* was a perfect read for "fans of broadscale epic fantasy along the lines of Robert Jordan's *Wheel of Time* series and George R. R. Martin's *Song of Ice and Fire* novels."\* Now, Anthony Ryan begins a new saga, *The Draconis Memoria*... Throughout the vast lands controlled by the Ironship Trading Syndicate, nothing is more prized than the blood of drakes. Harvested from captive or hunted Reds,

---

Greens, Blues and Blacks, it can be distilled into elixirs that bestow fearsome powers on the rare men and women known as the Blood-blessed. But not many know the truth: that the lines of drakes are weakening. If they fail, war with the neighboring Corvantine Empire will follow swiftly. The Syndicate's last hope resides in whispers of the existence of another breed of drake, far more powerful than the rest, and the few who have been chosen by fate to seek it. Claydon Torcreek is a petty thief and an unregistered Blood-blessed who finds himself pressed into service by the Protectorate and sent to wild, uncharted lands in search of a creature he believes is little more than legend. Lizanne Lethridge is a formidable spy and assassin facing gravest danger on an espionage mission deep into the heart of enemy territory. And Corrick Hilemore is the second lieutenant of an Ironship cruiser whose pursuit of ruthless brigands leads him to a far greater threat at the edge of the world. As lives and empires clash and intertwine, as the unknown and the known collide, all three must fight to turn the tide of a coming war, or drown in its wake.

Unleashing the Beast Bantam

**NEW YORK TIMES BESTSELLER** • “ With winning candor, Jedidiah Jenkins takes us with him as he bicycles across two continents and delves deeply into his own beautiful heart. ” —Cheryl Strayed, author of Wild and Tiny Beautiful Things On the eve of turning thirty, terrified of being funneled into a life he didn ’ t choose, Jedidiah Jenkins quit his dream job and spent sixteen months cycling from Oregon to Patagonia. He chronicled the trip on Instagram, where his photos and reflections drew hundreds of thousands of followers, all gathered around the

question: What makes a life worth living? In this unflinchingly honest memoir, Jed narrates his adventure—the people and places he encountered on his way to the bottom of the world—as well as the internal journey that started it all. As he traverses cities, mountains, and inner boundaries, Jenkins grapples with the question of what it means to be an adult, his struggle to reconcile his sexual identity with his conservative Christian upbringing, and his belief in travel as a way to wake us up to life back home. A soul-stirring read for the wanderer in each of us, *To Shake the Sleeping Self* is an unforgettable reflection on adventure, identity, and a life lived without regret. This edition features a new afterword and a reader's group guide. " [Jenkins is] a guy deeply connected to his personal truth and just so refreshingly present. " —Rich Roll, author of *Finding Ultra* " This is much more than a book about a bike ride. This is a deep soul deepening us. Jedidiah Jenkins is a mystic disguised as a millennial. " —Tom Shadyac, author of *Life's Operating Manual* " Thought-provoking and inspirational . . . This uplifting memoir and travelogue will remind readers of the power of movement for the body and the soul. " —Publishers Weekly

longer merely human. There's a beast buried inside him just waiting to emerge. Finn can't remember what happened with the hunters, but the beast will never forget. A Mate's Love... Laura's mate is dead. She found him tortured and bleeding out, already knocking at death's door. She couldn't save him, and it nearly killed her to leave him behind. She kissed his lips, offering comfort and love even as he left her. Now, only one thing matters. Killing every hunter she can find. Mine... Memories have been surfacing for Finn. The blood, the pain, and the soft kiss of a woman meant to be his. He remembers her tears despite the fact she left him to die. He vows to find her. Neither of them is ready for the inferno that ignites when they finally come face to face. With one touch, she unleashes the beast, and nothing will ever be the same.

When thought sees that it is incapable of discovering something new, that very perception is the seed of intelligence, isn't it? That is intelligence: 'I cannot do.' I thought I could do a lot of things, and I can in a certain direction, but in a totally new direction I cannot do anything. The discovery of that is intelligence. This comprehensive record of J. Krishnamurti's teachings is an excellent, wide-ranging introduction to the insights of the great philosopher and religious teacher. Apart from existential issues such as violence, insecurity, conflict, pleasure, fear, and suffering, Krishnamurti examines larger but related questions, such as the role of the guru (with Professor Jacob Needleman); the traditional methods prescribed by Vedanta (with Swami Venkatesananda); the problem of good and evil (with Alain Naude); and the relationship between thought and intelligence (with Dr. David Bohm). First published in 1973, this book contains, apart from Krishnamurti's public talks and answers to questions from the audience, his incisive dialogues with some of the eminent minds of his time.

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his

awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Six months have passed since Célie took her sacred vows and joined the ranks of the Chasseurs as their first huntswoman. With her fiancé Jean Luc as captain, she is determined to find her foothold in her new role and help protect Belterra. But whispers from her past still haunt her, and a new evil is rising—one that Célie herself must vanquish, unless she falls prey to the darkness.

### The Collected Works of William Walker Atkinson - Self-Help Collection Convergent Books

The apocalyptic end times have finally arrived. What is coming to an end, though, is not what you have been led to believe. Do you desire the truth about God, our foremost religions, the purpose of life and the future of our planet? Are you ready to challenge the religious powers that be to learn what most would rather not know? If so, this revolutionary book will help you transcend the darkness on your eternal journey home to a God of pure, unconditional love (a God who has no cause or need to ever judge or

---

condemn anybody). Illuminating the Narrow Gate reveals the flaws of the mainstream Western religions as it guides and empowers its readers to embrace an enlightened spirituality. Brimming with astonishing insights and revelations, it will shock the world by debunking the “ fire and brimstone ” theology of mainstream Christianity. It primarily accomplishes this by unraveling the apocalyptic prophecies of Daniel, the gospels and Revelation in their entirety. In fact, they contain hidden spiritual messages that contradict what has been confidently preached for all these centuries. Like a challenging riddle that cannot be solved, the answer is obvious in hindsight. Only the blinding power of a paradigm can explain how we missed it for so long. The revelations will strike with devastating force because the book first arrives at the same conclusion through more traditional means. It convincingly describes how Jesus had come to uproot Judaism, but the version of Christianity that developed in his wake failed to make the paradigm shift. Erroneous tenets that should have been discarded were instead institutionalized in both theology and authority. The book also blazes a third independent trail to the same destination by showing how this ancient religious tree bore its poisonous fruit in both the Holocaust and the abomination of slavery that fathered the Civil War. Furthermore, the book illuminates the nature of evil and its well-cloaked ways, which is essential for unraveling the prophecies. This wisdom yields a new and astonishing interpretation of the Book of Job that delivers a quantum leap in insight over the prevailing understanding. As the first devout Christian to read this interpretation commented, “ It rocked my apple cart to the core. ” In addition, it presents an array of scientific evidence for the spiritual realm ’ s existence that complements its amazing demonstration that long-range prophecy is truly possible. It thus shows the atheistic religion of scientism is also doomed. Meanwhile, the book proves Jesus was the “ Anointed One ” (Messiah) with a telescoping trio of prophecies (from Daniel) that foretold the onset of his ministry to the reign of the Roman Empire, to its first ten emperors in the 1st century CE and to 27 – 34 CE. Most Christians will thus either fearfully denounce the book as a satanic assault upon their religion or courageously embrace it as the inevitable completion of the Reformation. The

great spiritual awakening will soon be kicking into high gear, which is exactly what the apocalyptic prophecies long ago foretold and the spiritual realm has long been awaiting. As Jesus and a group of angels informed an atheist during his near-death experience in 1985, “ The world is at the beginning of a major transformation. It will be a spiritual revolution that will affect every person in the world. ” Can you handle the truth? Are you ready to awaken? If so, this world-changing book is at your service. \* You only have to purchase Vol. I to get the book ’ s core insights and revelations. A PDF document of the Endnotes, Bibliography, Index, et al. (published in Vol. II) can be downloaded for free from the book ’ s website to make Vol. I a self-standing book.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou ’ s debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “ powhitetrash. ” At eight years old and back at her mother ’ s side in St. Louis, Maya is attacked by a

---

man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ( “ I met and fell in love with William Shakespeare ” ) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “ *I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity. ” —James Baldwin From the Paperback edition.

The award-winning national bestseller, *Walking with the Wind*, is one of the most important records of the American civil rights movement as told by a true American hero, John Lewis, who Cornel West called a “ national treasure. ” An eloquent and gripping first-hand account of the turbulent struggle for civil rights and the willingness and courage to change the course of history. Forty years ago, a teenaged boy named John Lewis stepped off a cotton farm in Alabama and into the epicenter of the struggle for civil rights in America. The ideals of nonviolence which guided that critical time of American history established him as one of the movement's most charismatic and courageous leaders. Lewis's leadership in the Nashville Movement—a student-led effort to desegregate the city of Nashville using sit-in techniques based on the teachings of Gandhi—established him as one of the movement's defining figures and set the tone for the major civil rights campaigns of the 1960s. During this decade, he was repeatedly a victim of violence and intimidation, but his singular belief in non-violent action, inspired by his mentor, Dr. Martin Luther King, was a

defining characteristic of his leadership and vision. In 1986, he ran and won a congressional seat in Georgia, and remains in office to this day. *Walking with the Wind* is the story of an American hero. A boy from rural Alabama whose journey led him to Washington, and whose vision and perseverance changed a nation.
