Waking Up Dead People Thomas Nelson Inc
What was it like to be face to face with Jesus? What does Heaven look like? And what did Randy Kay learn from his afterlife encounter? As a human development researcher, medical advisor, and director of clinical support, Randy Kay was not given to fantastical ideas about the spirit realm or embellished divine encounters. But after clinically dying in the hospital, Randy Kay had a life-changing afterlife experience with Jesus in Heaven. In his first book, *Dying to Meet Jesus*, Randy shared this experience, but not the supernatural insights and profound discoveries he received. Now, Randy senses a timely assignment from the Holy Spirit to answer the question so many readers have asked: what did you learn while you were in Heaven? In *Revelations from Heaven*, Randy leads you into a heavenly encounter of your own, revealing 31 revelations that God is unveiling to

you. These insights include Emboldened Prayer: A biblical perspective on encounters in Heaven and how they embolden our prayer lives. Conversations with Jesus: Insights that were exchanged while Randy communicated with Jesus in Heaven. Angelic and Demonic Activity: How there is a very real, invisible realm battling over the souls of humanity. Race and Ethnicity in Heaven: In eternity, how do people see one another and how does God see them? The Sights, Sounds, and Senses of Heaven: In Heaven, the five senses are enhanced and there are new senses that earthly language cannot explain. Heavens Perspective on Sadness and Grief: How tears are kept and collected in bottles. The Difference Between Paradise and Heaven: When a believer dies, where do they really go? Take hold of the amazing truths that Heaven has released through Randys incredible experience, and see for yourself the powerful life-change that can accompany Revelations from Heaven. *Paradise Lost, Book 3* Serpent's Tail
A former forensic anthropologist and an outdoor guide search for clues to seven deaths in the Oregon wilderness. But as desire burns between them, a cold-hearted killer closes in.

[Walking with God](#) CreateSpace
As the publishers say, these

stories "make the Mendezes look like Ozzie and Harriet." A mother hires hit men to kill her husband's second wife to get back her child, a boy has sex with a naked woman in a painting, a serial killer keeps body parts for sexual stimulus.

Eldredge 2 in 1: Waking the Dead & Desire Baker Books

In this volume, Kenneth Way explores the role of donkeys in the symbolism and ceremonies of the biblical world. His study stands alone in providing a comprehensive examination of donkeys in ancient Near Eastern texts, the archaeological record, and the Hebrew Bible. Way demonstrates that donkeys held a distinct status in the beliefs and rituals of the ancient Near East and especially Canaan-Israel. The focus on ceremony and symbol encompasses social and religious thoughts and practices that are reflected in ancient texts and material culture relating to the donkey. Ceremonial considerations include matters of sacrifice, treaty ratification, consumption, death, burial, "scapegoat" rituals, and foundation deposits; symbolic considerations include matters of characterization, association, function, behavior, and iconographic depiction. However, the distinction between ceremony and symbol is not strict. In many cases, these two categories are symbiotic. The need for this study on donkeys is very apparent in the disciplines that study the biblical world. There is not a single monograph or article that treats this subject comprehensively. Philologists have discussed the meaning of the Amorite phrase "to kill a jackass," and archaeologists have discussed the phenomenon of equid burials. But until now, neither philologists nor archaeologists have attempted to pull together all the ceremonial and symbolic data on donkeys from burials, ancient Near Eastern texts, and the Hebrew Bible. Way's study fills this void.

Story of Lazarus Harper Collins

Wild at Heart helped men get their hearts back. Waking the Dead will help us all find the life Christ promised. Jesus said, "I have come that they may have life, and have it to

the full." That's the offer of Christianity, from God himself. Just look at what happens when people are touched by Jesus—the blind see, the lame walk, the deaf hear, the dead are raised to life. In other words, to be touched by God is to be restored. To become all God meant you to be. That is what Christianity is supposed to do for you—make you whole, set you free, bring you fully alive. But Jesus also warned that the path to that life is narrow, and few people would find it. You'll notice few have. Waking the Dead will help you find that life, see the fierce battle over your heart, and embrace all that God has for you. There is so much more. Do you want it? Praise for Waking the Dead: "John's words have empowered and encouraged me. I am so grateful that my heart is awake and alive, and I, even as a tender, deeply feminine woman, am fierce and capable of great things . . . of being a vital part of the advancement of the kingdom. And that alone is what my heart is after." —Jenny from Columbia, SC "I have been half-alive for too long now . . . I'm awake and alive again; clarity is what I needed. I feel like I just got drenched with cool water on a very hot day." —Chris from Colorado Springs, CO "It's one thing to want a deeper connection with God—it's a whole different level to realize that my heart is the treasure of God . . . This is a book of incredible wealth." —Tim from San Luis Obispo, CA

How to Raise the Dead Back to Life Thomas Nelson

Like so many of us, Lucinda Fleeson wanted to escape what had become a routine life. So, she quit her big-city job, sold her suburban house, and moved halfway across the world to the island of Kauai to work at the National Tropical Botanical Garden. Imagine a one-hundred-acre garden estate nestled amid ocean cliffs, rain forests, and secluded

coves. Exotic and beautiful, yes, but as Fleeson awakens to this sensual world, exploring the island's food, beaches, and history, she encounters an endangered paradise—the Hawaii we don't see in the tourist brochures. Native plants are dying at an astonishing rate—Hawaii is called the Extinction Capital of the World—and invasive species (plants, animals, and humans) have imperiled this Garden of Eden. Fleeson accompanies a plant hunter into the rain forest to find the last of a dying species, descends into limestone caves with a paleontologist who deconstructs island history through fossil life, and shadows a botanical pioneer who propagates rare seeds, hoping to reclaim the landscape. Her grown-up adventure is a reminder of the value of choosing passion over security, individuality over convention, and the pressing need to protect the earth. And as she witnesses the island's plant renewal efforts, she sees her own life blossom again.

Common Worship: Times and Seasons

President's Edition Review and Herald Pub Assoc

This revised, expanded edition of the Common Worship President's Edition contains everything to celebrate Holy Communion Order One throughout the church year. It combines relevant material from the original President's Edition with Eucharistic material from Times and Seasons, Festivals and Pastoral Services, and the Additional Collects.

The Waking the Dead Study Guide Expanded Edition Thomas Nelson

"The book *Waking Up Dead People: Immortality*, is a classic. You'll find the supernatural becoming so natural with all who Believe in Christ, the Son of God, and the Mighty Savior of mankind. Jason and David are regular Brothers like every one of us, but have been distinguished by Faith Alone on the Finished Work of Christ. They Believe the Good News Gospel; that simple Faith in Christ is all that's required to do the same works that Jesus Christ did and that as Believers in Christ; the supernatural should be your natural lifestyle. Jesus clearly commanded His followers to raise the dead (Matthew 10:8); and therefore all Believers in Christ should raise the dead without stress; and they should undo the operation of the spirit of death

in families by waking these people back up. Just sit back and relax in the finished work of Christ as David and Jason takes you through an interesting trip into one of the coolest master pieces you've ever read on the simplicity of raising the dead and bringing glory to the Name of the Lord as we advance the Kingdom of God on earth. Christ is Alive and He is still raising the dead through His Body the Church." -Dan Oseni, shepherd of Paradise Villa, founder of Gospel Revolution Network and reckless revolutionary "Death (Greek: 'thanatos' - the absence of Life) is an enemy of God and not a friend. And it should be an enemy of every Believer. The apostle (messenger) Paul, in 1 Cor. 15:26, said that the last ENEMY to be destroyed is "THANATOS" (DEATH). Death is not to be kept or preserved; but to be destroyed.

"Thanatos" (death) has been conquered through the death and Resurrection of Jesus. We can now go on the street and WAKE THE DEAD. We can actually call forth those things that be not as though they were. WAKING UP THE DEAD is exciting, because it takes away the sharp pain and brings joy. This book titled WAKING UP DEAD PEOPLE: IMMORTALITY is not like any other book. It's a book that will change many lives and give hope to millions of people. YOU ARE ABOUT TO WAKE YOUR DEAD! I thank God for my dearest Brothers David Evensen and Jason Werner for putting this write-up together. GRACE ALL THE WAY!" -Jackson Paul Odhomi, awesome preacher-man and reckless revolutionary

The Journey of Desire Simon and Schuster

The average life span of a church is about 70, then it begins to decay and decline. Here's hope for dying churches: they can be reborn, but it takes hard work.

Simply Christian Oxford University Press

In all your boyhood dreams of growing up, did you dream of being a "nice guy"?

Eldredge believes that every man longs for a battle to fight, an adventure to live, and a beauty to rescue. That is how he bears the image of God; that is what God made him to be.

Waking Up in Heaven Thomas Nelson

Why is justice fair? Why are so many

people pursuing spirituality? Why do we crave relationship? And why is beauty so beautiful? N. T. Wright argues that each of these questions takes us into the mystery of who God is and what he wants from us. For two thousand years Christianity has claimed to answer these mysteries, and this renowned biblical scholar and Anglican bishop shows that it still does today. Like C. S. Lewis did in his classic *Mere Christianity*, Wright makes the case for Christian faith from the ground up, assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular. His goal is to describe Christianity in as simple and accessible, yet hopefully attractive and exciting, a way as possible, both to say to outsiders "You might want to look at this further," and to say to insiders "You may not have quite understood this bit clearly yet."

War Nerd Catapult

Offers guidance in achieving spiritual fulfillment and abundant life by allowing our hearts to be awakened and restored by God.

Dear Dead Person B&H Publishing Group

"This is a series of stories of what it looks like to walk with God, over the course of about a year." So begins a remarkable narrative of one man's journey learning to hear the voice of God. The details are intimate and personal. The invitation is for us all. What if we could hear from God . . . often? What difference would it make? We have a lot to sort through on any given day. A whole lot to navigate over the course of a week or a month. Am I in the right place? The right relationships? How am I going to come up with enough money to do the things I want to do? And what about love—is this the one? Will it last? What is causing all those fears I keep pushing down inside? Why can't I overcome those "habits" that look more and more

like addictions? Am I at the right church? Should I even go to church? What is God doing in my life? All day long we are making choices. It adds up to an enormous amount of decisions in a lifetime. How do we know what to do? We have two options. We can trudge through on our own, doing our best to figure it all out. Or, we can walk with God. As in, learn to hear his voice. Really. We can live life with God. He offers to speak to us and guide us. Every day. It is an incredible offer. To accept that offer is to enter into an adventure filled with joy and risk, transformation and breakthrough. And more clarity than we ever thought possible.

Walking with God HarperChristian Resources

Do you aspire to be mightily used by God in the demonstration of unusual signs and wonders such as raising the dead? This Holy Ghost-breathed book practically demonstrates how the dead are raised and exhaustively examines the subject of raising the dead in depth. It practically demonstrates step by step how one can raise the dead back to life and also outlines with practical evidence the divine strategies which believers can use to bring the dead back to life. It brims with provocative insights that provide a unique and ground breaking entry into the phenomenon of raising the dead, which for ages have remained an implausible, inexplicable and unfathomable subject. It is jam-packed with divine insights that will take you through a journey out of the convictions of ordinary life of complacency and mediocrity to plunge into the greater depths of the miraculous. The theologically challenging, deeply provoking and incredibly inspiring, hard-to-get revelations encapsulated in this book are set to revolutionise the course of your life for ever. The depth and density of Throne Room revelations it contains requires the reader to make a conscientious effort to digest its morsels, hence it is dangerous to casual Christianity. This is such a provocative kind of book that immediately after you read it, you will feel an irresistibly strong edge to invade death infested territories such as hospitals, mortuaries, psychic prisons, rehabilitation centres and people's homes to raise the dead. It will cause you to explode in the demonstration of signs and wonders that will ruffle the feathers of those comfortable with the status quo and dazzle the minds of those who have

pitched their tent in the valley of mediocrity and are sailing their boats through the shallow streams of spiritual understanding. It will launch you into an arena of divine exploits whereby you will raise the dead as if you are waking up people from their slumber. Presiding over a global network of apostolic and prophetic visions, in the capacity of the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE), the founder of Resurrection TV (The Dead-Raising Channel) and the pioneer of the renowned Global School of Signs and Wonders (GSSW), Apostle Frequency Revelator unpacks a plethora of rare but provocative revelations that the dead are raised in this Kairos moment as God is launching men and women into deeper and unexplored territories of the Glory Realm. This book is a wake-up call for radical revivalists and revolutionaries to rise up on this epic transition and take their rightful place on earth by curtailing the mass rampage instigated by the devil through alarming deaths and eradicating the syndrome of death that has gripped the masses for ages. On that note, congratulations for joining the bandwagon of raising the dead and welcome to the world whereby it's naturally supernatural to raise the dead!

Waking the Dead Penguin

The Wholehearted Marriage offers practical tools for helping couples keep a passionate connection with one another and understand the role their hearts play in their lives. Drs. Smalley and Stoevers maintain that circumstances, such as busy lifestyles, differences between spouses, personal baggage, the loss of a loved one, childhood trauma, etc., trigger reactions that condition us to close up our hearts for protection, blocking the flow of love. A disengaged, protected heart makes it impossible to experience an intimate, connected marriage. As a result, couples drift apart, trying to find some version of contentment, or they give up altogether and look for love somewhere else. Through their experiences in marriage counseling, Drs. Smalley and Stoevers discovered that the commonly heard phrase "I don't love him/her anymore" is merely a camouflaged misunderstanding about what true love is and God's design for it. They affirm that love is more than just a feeling, and that to have true, lasting intimacy, couples need to learn to love

wholeheartedly.

Waking the Dead Thomas Nelson Inc

Christians already have victory over the world through Jesus, but Satan picks a fight with believers nonetheless, tempting them with the influences of the world in an effort to steal God's glory. Indeed, the battle rages on, but the nature of the enemy is baldly exposed in *Spiritual Warfare*, helping readers better understand feelings of resentment, anger, doubt, pride, and adversity for what they really are: fiery darts of deception. Written by International Mission Board president Jerry Rankin, who has witnessed spiritual warfare at work around the world, the book in turn becomes an inspiring guide to the Spirit-filled life, illuminating spiritual disciplines that equip us for victory including prayer, Bible study, fasting, Sabbath observance, active church membership, and praising God in all things.

I Love Jesus, But I Want to Die Nelson Books

In 2003, as an older father, O'Brien resolved to give his young sons what he wished his own father had given to him: a few scraps of paper signed "Love, Dad." Maybe a word of advice. Maybe a sentence or two about some long-ago Christmas Eve. Maybe some scattered glimpses of their aging father, a man they might never really know. In this book, O'Brien moves from soccer games to warfare to risqué lullabies, from alcoholism to magic shows to history lessons to bittersweet bedtime stories, but always returning to a father's soul-saving love for his sons. -- adapted from jacket

Spiritual Warfare Penn State Press

Fifteen centuries after it was written, the Rule of St. Benedict still provides a deep and practical spirituality that helps lay people cope with everyday problems and challenges.

Waking the Dead WaterBrook

The True Story of an Uncharted Journey

Through the Afterlife As a world war raged around him, a young soldier named George Ritchie barely comprehended his own death as he left the physical world--only to return minutes later. Yet in the space between death

and coming back to life, he experienced eternity. In this riveting true story, Dr. George Ritchie shares some of the most stunning and detailed descriptions of life after death. You'll encounter other non-physical beings, travel through different dimensions of time and space, and discover a series of worlds--some hellish in their separation from life, some glorious in their heavenly brilliance. But most amazingly, you'll witness his transformational meeting with the Light of the world, the Son of God. Hailed as one of the most amazing visions of the afterlife ever recorded, Ritchie's experience forever changed the course of his life and his understanding of the realm beyond our own--and it can do the same for you.

Suffering and the Sovereignty of God Thomas Nelson Inc

In his book *Waking the Dead*, best-selling author John Eldredge reveals that things are not what they seem; this is a world at war; and you have a crucial role to play. In this guidebook, Eldredge takes you even deeper into the hidden meanings of this world--giving you the courage to rise up and reclaim your heart as you fight for the hearts and souls of others. Packed with questions, stories, and discussion topics, you'll discover the glory of a heart fully alive through features such as: Big Ideas--thought-provoking concepts that will challenge you to grow daily and excel as a cherished child of God; Mythic Parables--classic stories from Scripture as well as fairy tales, old and new; and Heart Monitors--barometers for evaluating your own feelings, struggles, and passions. No matter what you've known so far, Eldredge insists, "There is more available with God. There is so much more."
