There are many ways to lose one's life. Eleanor Oberman lost hers when a careless driver broadsided her car. Her husband Jay lost his when he buried all his dreams for a happy future along with his beloved wife, leaving him with neither joy nor purpose. Then one dark night on a lonely stretch of highway, he heard a voice proclaiming a message of hope and encouragement, drawing him to the backwater community of Burning Bush. Would it prove to be another dead end or just the right place to begin a new life?

The Hidden Kingdom (Wings of Fire #3) Thomas Nelson

In 2003, as an older father, O'Brien resolved to give his young sons what he wished his own father had given to him: a few scraps of paper signed "Love, Dad." Maybe a word of advice. Maybe a sentence or two about some long-ago Christmas Eve. Maybe some scattered glimpses of their aging father, a man they might never really know. In this book, O'Brien moves from soccer games to warfare to risqué lullabies, from alcoholism to magic shows to history lessons to bittersweet bedtime stories, but always returning to a father's soul-saving love for his sons. -- adapted from jacket

Dead to Sin, Alive to God Scholastic Inc.

If you have been born again through faith in Jesus Christ, now reckon yourself dead to sin and alive to God in Christ! Learn to think about your "new self" in Christ as God does. With a pastor's heart, Stuart C. Smith explains why the key to New Covenant

sanctification is the important concept of biblical reckoning. Obedience to Paul's command in Romans 6:11 can transform your life. Reckoning is not something to do but something to think. So powerful is this thought that it inevitably leads to action. Learn how to overcome the power of sin by a stronger power, and the desire to sin by a stronger desire--adoration of Jesus Christ. Bring your thinking in line with your identity. You are a new creation in Christ, a saint, an adopted child of God, and victor over Satan. Learn about the Father's passion for you, and seek to satisfy his passion for a holy and pure bride for his Son. Midway through the book, these principles come alive in the experience of Cody, a young man who leaves his troubled past for a new life of freedom in Christ.

The Things They Carried WaterBrook

In this volume, Kenneth Way explores the role of donkeys in the symbolism and ceremonies of the biblical world. His study stands alone in providing a comprehensive examination of donkeys in ancient Near Eastern texts, the archaeological record, and the Hebrew Bible. Way demonstrates that donkeys held a distinct status in the beliefs and rituals of the ancient Near East and especially Canaan-Israel. The focus on ceremony and symbol encompasses social and religious thoughts and practices that are reflected in ancient texts and material culture relating to the donkey. Ceremonial considerations include matters of sacrifice, treaty ratification, consumption, death, burial, "scapegoat" rituals, and foundation deposits; symbolic considerations include matters of characterization, association, function, behavior, and iconographic depiction. However, the distinction between ceremony and symbol is not strict. In many cases, these two categories are symbiotic. The need for this study on donkeys is very apparent in the disciplines that study the biblical world. There is not a single monograph or article that treats this subject comprehensively. Philologists have discussed the meaning of the Amorite phrase "to kill a jackass," and archaeologists have discussed the phenomenon of equid burials. But until now, neither philologists nor archaeologists have

attempted to pull together all the ceremonial and symbolic data on donkeys from burials, ancient Near Eastern texts, and the Hebrew Bible. Way's study fills this void.

Waking the Dead Thomas Nelson

Do you aspire to be mightily used by God in the demonstration of unusual signs and wonders such as raising the dead? This Holy Ghost-breathed book practically demonstrates how the dead are raised and exhaustively examines the subject of raising the dead in depth. It practically demonstrates step by step how one can raise the dead back to life and also outlines with practical evidence the divine strategies which believers can use to bring the dead back to life. It brims with provocative insights that provide a unique and ground breaking entry into the phenomenon of raising the dead, which for ages have remained an implausible, inexplicable and unfathomable subject. It is jam-packed with divine insights that will take you through a journey out of the convictions of ordinary life of complacency and mediocrity to plunge into the greater depths of the miraculous. The theologically challenging, deeply provoking and incredibly inspiring, hard-to-get revelations encapsulated in this book are set to revolutionise the course of your life for ever. The depth and density of Throne Room revelations it contains requires the reader to make a conscientious effort to digest its morsels, hence it is dangerous to casual Christianity. This is such a provocative kind of book that immediately after you read it, you will feel an irresistibly strong edge to invade death infested territories such as hospitals, mortuaries, psychic prisons, rehabilitation centres and people's homes to raise the dead. It will cause you to explode in the demonstration of signs and wonders that will ruffle the feathers of those comfortable with the status quo and dazzle the minds of those who have

pitched their tent in the valley of mediocrity and are sailing their boats through the shallow streams of spiritual understanding. It will launch you into an arena of divine exploits whereby you will raise the dead as if you are waking up people from their slumber. Presiding over a global network of apostolic and prophetic visions, in the capacity of the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE), the founder of Resurrection TV (The Dead-Raising Channel) and the pioneer of the renowned Global School of Signs and Wonders (GSSW), Apostle Frequency Revelator unpacks a plethora of rare but provocative revelations that the dead are raised in this Kairos moment as God is launching men and women into deeper and unexplored territories of the Glory Realm. This book is a wake-up call for radical revivalists and revolutionaries to rise up on this epic transition and take their rightful place on earth by curtailing the mass rampage instigated by the devil through alarming deaths and eradicating the syndrome of death that has gripped the masses for ages. On that note, congratulations for joining the bandwagon of raising the dead and welcome to the world whereby it's naturally supernatural to raise the dead!

New Life for the Walking Dead Oxford

University Press

In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies

have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Yet most Christians have never been taught how to have a conversation with the Creator. In this revised and updated edition of his classic *Walking with God*, John Eldredge opens his personal journals to tell a year's worth of stories about walking and talking with the Lord. Some of John's stories will help readers recall lessons they didn't know had been forgotten, open up new horizons, and help them tell and interpret their own story: the story of their intimate walk with God.

Valley of Terror Thomas Nelson

A mysterious "fear disease" is scaring to death the citizens of Longzhou, China. Literally. Victims go insane or die frozen in terror, while survivors rant maniacally about demons infiltrating the city. But what's really behind the sudden epidemic? To find the answer, Chief Inspector Luo Fei teams up with a controversial historian and a brilliant psychologist to track down the true source of the illness and halt the wave of horror that threatens the metropolis. As the trio ventures to the primitive jungles and mountains of Yunnan, they're haunted by tales of a seventeenth-century general whose demonic soul, said to have been sealed away in a vial of his blood, has been unleashed on the modern world. Now, trekking deep into the legendary Valley of Terror, they find themselves being stalked by someone--or something--daring them to uncover the truth. And as superstition, science, and history collide, their discovery could be as heart-stopping as fear itself.

The Waking the Dead Study Guide Expanded Edition
Serpent's Tail

As the publishers say, these stories "make the Mendezes look like Ozzie and Harriet." A mother hires hit men to kill her husband's second wife to get back her child, a boy has sex with a naked woman in a painting, a serial killer keeps body parts for sexual stimulus.

[Donkeys in the Biblical World](#) HarperCollins

"This is a series of stories of what it looks like to walk with God, over the course of about a year." So begins a remarkable narrative of one man's journey learning to hear the voice of God. The details are intimate and personal. The invitation is for us all. What if we could hear from God . . . often? What difference would it make? We have a lot to sort through on any given day. A whole lot to navigate over the course of a week or a month. Am I in the right place? The right relationships? How am I going to come up with enough money to do the things I want to do? And what about love—is this the one? Will it last? What is causing all those fears I keep pushing down inside? Why can't I overcome those "habits" that look more and more like addictions? Am I at the right church? Should I even go to church? What is God doing in my life? All day long we are making choices. It adds up to an enormous amount of decisions in a lifetime. How do we know what to do? We have two options. We can trudge through on our own, doing our best to figure it all out. Or, we can walk with God. As in, learn to hear his voice. Really. We can live life with God. He offers to speak to us and guide us. Every day. It is an incredible offer. To accept that offer is to enter into an adventure filled with joy and risk, transformation and breakthrough. And more clarity than we ever thought possible.

Waking Up in Heaven HarperChristian Resources

Like so many of us, Lucinda Fleeson wanted to escape what had become a routine life. So, she quit her big-city job, sold her suburban house, and moved halfway across the world to the island of Kauai to work at the National Tropical Botanical Garden. Imagine a one-hundred-acre garden estate nestled amid ocean cliffs, rain forests, and secluded coves. Exotic and beautiful, yes, but as Fleeson awakens to this sensual world, exploring the island's food, beaches, and history, she encounters an endangered paradise—the Hawaii we don't see in the tourist brochures. Native plants are dying at an astonishing rate—Hawaii is called the Extinction Capital of the World—and invasive species (plants, animals, and humans) have imperiled this Garden of Eden. Fleeson accompanies a plant hunter into the rain forest to find the last of a dying species, descends into limestone caves with a paleontologist who deconstructs island history through fossil life, and shadows a botanical pioneer who propagates rare seeds, hoping to reclaim the landscape. Her grown-up adventure is a reminder of the value of choosing passion over security, individuality over convention, and the pressing need to protect the earth. And as she witnesses the island's plant renewal efforts, she sees her own life blossom again.

New York Times best-selling author of *Wild at Heart* John Eldredge offers readers a

step-by-step guide to effective Christian prayer. How would it feel to enter into prayer with confidence and assurance—certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. *Moving Mountains* shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you. *Moving Mountains* is also available in Spanish, *Mueve montañas*.
