In 1993, Malcom Jones found a Roman coin dated 33-44 AD. In 2007, he witnessed his first supernatural event. A Roman surgeon named Cateus, who happened to be the last owner of the coin, visited Malcom with unfinished business and a story to tell. Thus began Malcolm's adventure into the unknown, where he encountered more spirits, each with their own unwritten stories and legends to tell. Malcolm's task was to help reunite these earthbound spirits so they could pass peacefully to the other side. *Walking in their Footsteps* is a true story that portrays a fascinating insight into the paranormal and spirit world. It documents Malcolm's journey that starts on his own doorstep but takes him to Herculaneum, Rome, Anglesey and back again.

Retrace the life of Moses from his modest birth and rescue as a baby to the courts of Pharaoh, from herding flocks in Midian to leading his people out of Egypt. Join Adam Hamilton as he travels from Egypt to Mt. Sinai, the Nile, the Red Sea and the wilderness exploring the sites of Moses' life. Using historical information, archaeological data, and biblical text, Hamilton guides us in the footsteps of this reluctant prophet who grew in his relationship with God and by the end of life had successfully fulfilled the role he was given. Turn your own reluctance into boldness as you examine the significant challenges facing Moses and how God shaped his character and life in powerful ways. Additional components for a six-week study include a comprehensive Leader Guide and a DVD featuring author and pastor Adam Hamilton. For a church-wide study, youth and children resources are also available.

During the 1980s, when pop icons like Madonna, Bruce Springsteen, Michael Jackson, and U2 reigned supreme, many regarded The Police as the biggest band in the world. Yet after only five albums—and at the peak of their popularity—The Police disbanded and Sting began a solo career that made him a global pop star. Today, artists from Puff Daddy to Gwen Stefani credit The Police and Sting as major influences on their own work, reflecting that The Police were not only a popular, polished rock act, but a powerfully influential one as well. In *Sting and The Police: Walking in Their Footsteps*, Aaron J. West explores the cultural and musical impact of Stewart Copeland, Andy Summers, and Sting. West details the distinctive hybrid character of The Police's musical output, which would also characterize Sting's post-Police career. Sting's long-lived solo career embodies the power of the artful appropriation of musical styles, while capitalizing on the modern realities of pop music consumption. The Police—and Sting in particular—were pioneers in music video, modern label marketing, global activism, and the internationalization of pop music. *Sting and The Police: Walking in Their Footsteps* will interest more than just fans. By placing the band within its various musical, cultural, commercial, and historic contexts, *Sting and The Police: Walking in Their Footsteps* will appeal to anyone interested in global popular music culture.

Old Path White Clouds presents the life and teachings of Gautama Buddha. Drawn directly from 24 Pali, Sanskrit, and Chinese sources, and retold by Thich Nhat Hanh in his inimitably beautiful style, this

book traces the Buddha's life slowly and gently over the course of 80 years, partly through the eyes of Svasti, the buffalo boy, and partly through the eyes of the Buddha himself. *Old Path White Clouds* is destined to become a classic of religious literature. "I have not avoided including the various difficulties the Buddha encountered, both from his own disciples and in relation to the wider society. If the Buddha appears in this book as a man close to us, it is partly due to recounting such difficulties." - from the author's Afterword.

Travel with Adam Hamilton as he retraces the life and ministry of Jesus Christ. Once again, Hamilton approaches his subject matter with thoughtfulness and wisdom, just as he did with Jesus' crucifixion in *24 Hours That Changed the World* and with Jesus' birth in *The Journey*. Read *The Way* on your own or, for a more in-depth study, enjoy it with a small group or part of a 40-day church-wide emphasis during Lent and Easter or anytime of the year. Using historical information, archaeological data, and stories of the faith, Hamilton follows in the footsteps of Jesus from his baptism to the temptations to the heart of his ministry, including the people he loved, the parables he taught, the enemies he made, and the healing he brought. This 40-day focus will help you and your group grow deeper in their faith, learn more about the life of Christ, spend time daily reading and reflecting upon the Scriptures, and invite families, through the children's and youth studies, to grow together in their faith. Additional resources include a DVD, devotional, youth and children editions, and a worship download to help with sermon planning. Walking in His Footsteps Abingdon Press

This book presents original studies of how a cultural concept of Jewishness and a coherent Jewish history came to make sense in the experiences of people entangled in different historical situations. Instead of searching for the inconsistencies, discontinuities, or ruptures of dominant grand historical narratives of Jewish cultural history, this book unfolds situations and events, where Jewishness and a coherent Jewish history became useful, meaningful, and acted upon as a site of causal explanations. Inspired by classical American pragmatism and more recent French pragmatism, we present a new perspective on Jewish cultural history in which the experiences, problems, and actions of people are at the center of reconstructions of historical causalities and projections of future horizons. The book shows how boundaries between Jewish and non-Jewish are not a priori given but are instead repeatedly experienced in a variety of situations and then acted upon as matters of facts. In different ways and on different scales, these studies show how people's experiences of Jewishness perpetually probe, test, and shape the boundaries between what is Jewish and non-Jewish, and that these boundaries shape the spatiotemporal linkages that we call history.
