Walking with the Poor: Principles and Practices of ...

Well written, well researched, well argued, easy to read and understand, Bryant Myers's Walking with the Poor is an excellent resource for anyone interested in deepening their understanding of development values and practice from an unabashedly Christian perspective. This book argues strongly and repeatedly that poverty is not a "material condition having to do with the absence of things like money, water, food, housing and the lack of just social systems . . . materially defined and ...

Myers believes a Christian response to poverty can be based on truthfulness, righteousness, and justice. These principles are expressed through relationships with God, the church, and the holistic development practitioner. Transformational development is possible through real presence with the poor.

Walking with the Poor Quotes Showing 1-11 of 11. "The net result of the fall on the economic, political, and religious systems is that they become the places where people learn to play god in the lives of the poor and the marginalized. When fallen human beings play god in the lives of others, the results are patterns of domination and oppression that mar the image and potential productivity of the poor while alienating the non-poor from their true identity and vocation as well."

"Walking with the Poor..." is simply the best single book about holistic Christian development theory, theology, and real Christian organizational practice which I have read to date. The purpose of the book in Myers' own words "is to describe a proposal for understanding the principles and practice of transformational development (positive material, social and spiritual change) from a Christian perspective.

Walking with the poor : principles and practices of transformational development. [Bryant L Myers] -- In this revised and updated edition of a modern classic, Bryant Myers shows how Christian mission can contribute to dismantling poverty and social evil.
