The global coffee

April, 21 2024

trade is a collision between the rich world and the poor world. A group of graduate students is about to experience that collision head-on. Angela, Alex, Rich, and Sofi bring to their summer research project in Guatemala more than their share of grad-school baggage—along with clashing ideas about poverty and globalization. But as they follow the trail of coffee beans from the Guatemalan peasant grower to the American coffee drinker, what unfolds is not only a stunning research discovery, but an unforgettable journey of personal challenge and growth. Based on an

actual research project on fair trade coffee funded by USAID, *The Taste of Many Mountains* is a brilliantly-staged novel about the global economy in which University of San Francisco economist Bruce Wydick examines the realities of the coffee trade from the perspective of young researchers struggling to understand the chasm between the world's rich and poor. "Wydick's first novel is brewed perfectly—full of rich body with double-shots of insight." —Santiago "Jimmy" Mellado, President and CEO of Compassion International "This wonderfully

enlightening book describes the Mayan culture in Guatemala and some of the sufferings these people have survived." —CBA Retailers + Resources Includes Reading Group Guide [The Life You Can Save](#) Harmony This dialogue between two of the most prominent thinkers on social change in the twentieth century was certainly a meeting of giants. Throughout their highly personal conversations recorded here, Horton and Freire discuss the nature of social change and empowerment and their individual literacy campaigns. Exploring World Mission Crossway A Study Guide and a

Teacher ' s Manual Gospel Principles was written both as a personal study guide and as a teacher ' s manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life ' s questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith. *The Book Thief* Random House The way we as Christians attempt to restore communities can be either harmful

or helpful. The purpose of this book on Empowerment is to move us toward more effective involvement and empowerment with the poor. Leaders will learn to see our under-resourced communities and their residents through a new set of eyeglasses; focusing more on developing people's skills and capacities, rather than simply helping the poor live better lives. Empowerment is one of Eight Key

Components of Christian Community Development, a Biblical approach to restoring under-resourced communities. The Goal InterVarsity Press Millions of Christians around the world are becoming aware of an imminent reformation of global proportions within the church. God is changing this revered institution and is making a new collective

awareness of an people and not
age-old revelation, a corporate
spiritual echo that reflects
God's desire for the church.
In this book, Simson brings
to light what God is saying
to Christians everywhere.
Researched across the globe,
he presents the case for the
reformation of the church's
existence. In a world where
the church is being ignored,
it is time to bring the
church to the

the people to the church.
Whether it is what we know
as church from the last five
years or the last five
hundred years, no one has
truly been able to break free
from the structures of
the past. Many may see this
book as radical, many may see
it as a reforming of
old ideals but all who read it
will be challenged and
their priorities refocused in a
life-changing

way.
12 Rules for Life Routledge
Although we have been
successful in our careers,
they have not turned out quite
as we expected. We both have
changed positions several times-
for all the right reasons-but
there are no pension plans
vesting on our behalf. Our
retirement funds are
growing only through our
individual contributions.
Michael and I have a
wonderful marriage with

three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. “ Why should I put time into studying subjects I will never use in real life? ” he protested. Without thinking, I responded, “ Because if you

don't get good grades, you won't get into college. ” “ Regardless of whether I go to college, ” he replied, “ I'm going to be rich. ” The Hole in Our Gospel Special Edition Thomas Nelson Jayakumar Christian argues that in order to provide sustainable solutions to powerlessness, poverty and oppression, it is critical to challenge and redefine power from the

perspective of the kingdom of God. Only when we realise that we are all 'empty-handed' before God can broken relationships be restored. Hard Times for These Times Moody Publishers Throughout the twentieth century, governments sought to achieve 'development' not only in their own countries, but also in other regions of the world; particularly in Africa, Asia, Latin America and the Caribbean. This focus on 'development' as

a goal has continued into the twenty-first century, for example through the United Nations Millennium Development Targets. While development is often viewed as something very positive, it is also very important to consider the possible detrimental effects it may have on the natural environment, different social groups and on the cohesion and stability of societies. In this important book, Katie Willis investigates and places in a historical context, the development

theories behind contemporary debates such as globalization and transnationalism. The main definitions of 'development' and 'development theory' are outlined with a description and explanation of how approaches have changed over time. The differing explanations of inequalities in development, both spatially and socially, and the reasoning behind different development policies are also considered. By drawing on pre-twentieth century European development theories and examining current

policies in Europe and the USA, the book not only stresses commonalities in development theorizing over time and space, but also the importance of context in theory construction. This topical book provides an ideal introduction to development theories for students in geography, development studies, area studies, anthropology and sociology. It contains student-friendly features, including boxed case studies with examples, definitions, summary sections, suggestions for

further reading, discussion questions and website information. Rich Dad, Poor Dad Orbis Books How do Christian practitioners express authentically holistic transformational development? This is the challenge to World Vision development practitioners and to all non-government organizations concerned about community development that addresses the whole person and the entire community. This dilemma is rooted in the western assumption that the physical and

spiritual realms are separate and distinct from one another. Such a dichotomy leads to a belief among practitioners that restoring people's relationship with God has nothing to do with restoring just political, social and economic relationships among people. Even Christians often believe God's redemptive work takes place in the spiritual realm, while the world is seemingly left to the devil. But the Bible never separates the physical from the spiritual - the rule of God permeates both. In this volume, development

practitioners struggle to overcome the problem of dualism and find a way toward a more genuinely holistic approach to helping the poor. Experienced development practitioners reflect on: - Understanding poverty - Participatory learning and action - Appreciative inquiry - The Bible and transformational development - Sustainable economic development - Community transformation in the urban context - Community development and peacebuilding Everyone wanting

to engage in transformational development will find new insights and essential learnings from these hands-on practitioners. International Development WIGTake Resources With more than 300,000 copies in print, *When Helping Hurts* is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and

handouts to solve it. *When Helping Hurts* shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that God in the gospel is reconciling all things to himself. Focusing on both North American

and Majority World contexts, *When Helping Hurts* provides proven strategies for effective poverty alleviation, catalyzing the idea that sustainable change comes not from the outside in, but from the inside out. Empowerment Baker Books The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a

foreword by Robert Barron and an afterword by James Martin, SJ. “ The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church ’ s journey in years to come. – Pope Francis

edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “ the homeless, the addicted, refugees, indigenous peoples, the elderly who are

increasingly isolated and abandoned, ” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “ to recognize the traces of God ’ s Spirit in events great and small. ” Profound in its insight, yet

warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage Theories and Practices of Development Moody Publishers

You know the world is full of injustice. You know that God calls Christians to work for justice on the earth. But what can you do? Do you have questions like this? You're well-intended, but stuck in the rut of the everyday. You want to make your life matter. But you don't know where to start. You wonder about everything from whether to give a dollar to a beggar to how to participate in the political process, from whether to shop at Wal-Mart to how

much to spend on a car. Kevin Blue has spent his adult life answering these questions for himself and for others. He lives in the heart of Los Angeles, where these questions can't be set aside. And he has led college students through experiences in urban ministry as well as international treks to the poorest parts of the world. In Practical Justice he combines what he has learned with the experiences of others to answer your questions.

Right thinking.
Right action.
Just living. God calls you to step up and get involved. This book will help you get started. Walking with the Poor Temple University Press International Development is a comprehensive inquiry into the field of socio-economic development founded on an understanding that economic advancement involves transformation of society. It explores successful developmental strategies but also tries to identify factors behind failed

endeavours and the human costs associated with them. The book evaluates the role played by influential agents of development, such as the state and its institutions, authoritarian leaders, international organizations, donor agencies, non-governmental organizations, civil society activists, and private business actors. Key features: A multi-disciplinary approach taking into account politics, economics, sociology, cultural aspects, and history of development; Examines a

breadth of different theoretical approaches and their practical applications; Presents both mainstream and critical viewpoints; Addresses such complex issues as governability processes, rights of the poor, colonial legacy, armed conflict, environmental sustainability, gender relations, foreign aid, urbanization, rural development, and international trade; Suggested further reading list at the end of each chapter. This well-balanced book will be a key text for students and practitioners

working in the area of socio-economic development and more broadly in development studies, the politics of development and international political economy.

Serving God

Globally

Moody

Publishers

Globalization is speeding up our world, extending our relationships globally and bringing us closer together in positive and not-so-positive ways. The church and many Christians,

however, remain largely unaware of its seductive power, resulting in a failure of vision for mission in today's world. This up-to-date resource by a veteran leader in global development work with World Vision orients readers to the history of globalization and to a Christian theological perspective on it, explores concrete realities by focusing on global poverty,

and helps readers reimagine Christian mission in ways that announce the truly good news of Christ and God's kingdom. Diagrams and sidebars that incorporate the voices of global partners are included. This is the second book in a new series that reframes missiological themes and studies for students using/featuring the common theme of

mission as
partnership
with Christians.

Help them or tell
them? Be like
Jesus or talk
about Jesus?
Social action or
gospel

proclamation? It
seems the two are
often pitted
against each
other, as if they
are mutually
exclusive. But the
New Testament
paints a different
picture where
both aspects are
valued. In this
plea for a
renewed
understanding of
the Christian
calling, Chester
argues that
faithfulness to the
gospel
necessitates a
commitment to
evangelism and
social
involvement. To
that end, he
structures the
book around three
basic theses: 1.)
evangelism and
social action are
distinct activities,
2.) proclamation

is central, and 3.)
evangelism and
social action are
inseparable.
Responding to
Christians in both
camps, Chester
helps people to
talk the talk and
walk the walk.

Mission offers a
way forward
and encourages

readers to embrace a holistic approach to poverty alleviation. Gathering their diverse perspectives on international development, the authors construct a solid theological foundation for global mission. They distill principles for effective Christian engagement in several key sectors, including education, income and poverty reduction, water and sanitation systems, creation care,

healthcare delivery, disaster relief, peacemaking, sports ministries, and others. Congregations, missionaries, nonprofit leaders, and Christians in the Global North will find fresh perspectives for engaging global vulnerability, poverty, and injustice faithfully and effectively. Along the way, readers will find that they are being transformed themselves as they join God's mission in the world.

Walking with the Poor Walking with the Poor In this revised and updated edition of a modern classic, Bryant Myers shows how Christian mission can contribute to dismantling poverty and social evil. Myers demonstrates what is possible when we cease to treat the spiritual and physical domains of life as separate and unrelated. Walking with the Poor Originally written in 1938 but never published due to its controversial

nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals. When *Helping Hurts* Routledge #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely

combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly

lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the

world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers. Good News to the Poor YWAM Publishing #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE 'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability

of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist – books. With the help of her accordion-

playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “ The kind of book that can be life-changing. ” —The New York Times “ Deserves a
