Welcome to the world of Cockney rhyming slang, where what is said means something completely different than how it sounds. Originally, it was a coded language created by criminals for deceiving undercover police officers during Victorian times. Common phrases like septic tank, holy water, brown bread, tomfoolery and mince pies don't mean what you think they mean. Others, like Barnaby Rudge, gypsy's kiss, smash and grab, butcher's hook, kick and prance and bubble and squeak paint a picture. There are stories to be written about these phrases and in *Trouble & Strife*, the coded and colorful phrases of Cockney rhyming slang became the inspiration for eleven killer crimes stories from writers on both sides of the pond. A few choice words include: Babbling Brook is a talkative inmate at the state penitentiary. A hairdresser has to pay his dues for a crime that took place at Barnet Fair. And you never want to meet a Lady from Bristol. You don't have to understand rhyming slang to enjoy this book. You just have to enjoy a damn good story. To see what the authors have come up with you'll have to turn the page and have a butcher's. Edited by Simon Wood with stories by Steve Brewer, Susanna Calkins, Colin Campbell, Angel Luis Colón, Robert Dugoni, Paul Finch, Catriona McPherson, Travis Richardson, Johnny Shaw, Jay Stringer, and Sam Wiebe.

[Handbook of Handguns](#) Penguin

During a time in their lives when a much-needed vacation is in order, Dr. Erin Mathews and her husband Craig Johnson find themselves involved in an unexpected adventure in Mexico's Yucatan Peninsula. Erin, a world-renowned archeologist, recently completed her share of some research work. Craig, the owner of an international security firm, has just hired two new agents, he hopes will allow him to spend more time at home in New York. They choose an exclusive resort in Cancun, and are looking forward to rest, water sports, fine dining and isolation from the distractions of work. When a Mexican archeologist calls, their plans are shattered. A newly discovered sinkhole under the fabled Kukulcan Temple, at Chichén Itza, is threatening the structure and all that lies within. A team is assembled, including the leader, two additional archeologists and a group of six graduate students. As work is begun, a five-man group of men, considering themselves direct descendants of the Mayan builders of the site, are determined to prevent the desecration of their holy site. Continuous spying, Erin's short-lived abduction and armed conflicts with the police, turn the archeological investigations into a nightmare. This history-filled, fast-moving story follows the efforts of the two opposing groups to each reach their goals. In the end, Craig brings down some of his agents and together with the police at last capture the men, while Erin and the team complete their mission.

Firearms Guide 8th Edition DVD for Mac & Windows CRC Press

Nearly 1,000 pages of detailed instructions to help you maintain and repair your handguns! Shooters, gunsmiths and collectors alike will find the 7th edition of this handy book invaluable when it comes to fixing and cleaning a huge variety of semi-automatic pistols. Gunsmith Kevin Muramatsu has added 20 recently introduced models to this must-have reference guide, which now covers more than 100 models and nearly 300 variants of the most popular handguns on the market. Step-by-step photographs and clear, simple text make it easy to disassemble and reassemble a wide range of modern and vintage models. No matter what the size of your firearms collection, all of the books in *Gun Digest's Assembly/Disassembly* are guaranteed to save you time and money by helping you handle gunsmithing chores right at your own workbench!

[50 Guns That Changed the World](#) Penguin

For as long as we have known, man has destroyed himself with his own intelligence. In the near future, man will reap what he has sown. There will be a time where a man cannot rely on his own intelligence. Man will have no choice but to rely on God. Lucifer, being able to possess people, has now completely controlled the world's government along with his son Simon Schmidt. Simon, the anti-Christ which man has made through cloning, has assisted Lucifer in starting a one-world order. By creating this hell on earth, Man finally realizes confiding in God was the only option we ever had from the start. Agular DeSanti, just a simple man, had made his wrongs in life and fought to veer from returning to his troublesome past. Growing up an atheist, he faced what we all dread, his judgment from God. This novel tells the story of DeSanti's judgment and the mercy God bestowed on him, alone. Now, it's up to DeSanti to save mankind from themselves...however, DeSanti's story is a more tainted method of sacrifice.

Works directly from DVD. Needs no installation. This is NOT a book. What the most respected media has written about *Firearms Multimedia Guide*: "It runs remarkably fast...Intuitive and informative for all shooters...A fine reference guide to keep handy" - NRA's Shooting Illustrated (May 2010 issue) "An incredible source of information...to useful to keep a secret" - Gun Trade News (UK trade magazine, March 2010 issue) "The DVD is worth the price for the target images alone" - GunBlast.com "Plenty of value for the money" - Wild Deer & Hunting Adventures (Australia, April 2010 issue) Using the *Firearms Multimedia Guide* saves a lot of time and money for gun enthusiasts. Instead of buying several publications and surfing for hours on the internet from one manufacturer's website to another, by searching the *Firearms Multimedia Guide's* database of 41,000 models from 345 manufacturers from around the world with 14 search criteria, the user gets a search result literally in a second. The user can check out guns, compare them and their prices, check the ammo that they use, and start another search. Plus, guns are presented with exclusive high-resolution color pictures unavailable

anywhere else. Now you will be able to see smallest details of engraving, checkering, open actions, etc. INTERLINKED FIREARMS AND AMMUNITION DATABASES Finding out the stopping power or effective reach of any pistol, revolver, rifle or shotgun in the Firearms Multimedia Guide is a simple task. Each model of firearm is connected with all ammunition in that specific caliber. While checking one gun out, with just one click of the button the user can see bullet styles, bullet weights, features, velocities, energies and trajectories of all ammo in that caliber.

High Asia Kensington Books

After four years of hard work, deputy district attorney Tim McAndrews claims the title of his office's top prosecutor. He's young, handsome, and smart, and his life is ticking along at a satisfying pace until he sees a woman dancing down the last few steps of the James Street parking garage. Tim realizes his perfect life is actually missing something: love. He's surprised by his sudden and overwhelming attraction to the beautiful Daniela St. Clair-wealthy heiress and philanthropist. Love on the brain, he returns to his office to find his best friends from the old neighborhood, Kathy and Scott. They have grim news: two young women have died as a result of a toxic mix of antidepressants and alcohol. Kathy, with the Medical Examiner's Office, and Scott, a Seattle detective, suspect foul play, and they need Tim's help to prove it. With thoughts of Daniela still whirling around his head, Tim works with his old friends, but the case leads them all down a dark path. They follow the evidence where it leads, methodically putting together a jigsaw puzzle of pure evil, as Tim pursues new love and soon realizes he's not the only one interested in Daniela.

Circle H Ranch, On the Arizona Border is the story of present day life on a southeastern Arizona ranch along the Mexican border. The ranch owner has to deal with his workers being shot at. Gangs are bringing drugs and weapons into the US. They will kill anyone that gets in their way. The rancher hires a part time forklift operator. He turns out to be able to do more than load and unload trucks. Can he save the people on the ranch? Why won't the government help? The news said that a military helicopter, on a training mission, crashed in a storm along the border. Did the storm cause the crash or did something else? Why aren't the survivors talking? Did twelve men coming into the country illegally die in a car crash near Benson or did they die somewhere else and the government just says that's where they died? How was this related to the ten illegals that died in a similar crash in New Mexico? What is the Mexican Army doing in Arizona in force? Why did the Mexican Federal Police chase a US citizen into Arizona from Mexico? Join Sam, his Auntie, Vegas, and Harold and find out the answers to these questions. Circle H Ranch All the shooting sequences in this book are as accurate as I can make them. All the guns used by the good guys I have access to. All the shots can be duplicated on paper targets. None of the shots or shooting sequences are difficult for anyone that has good shooting skills. The matches mentioned in the book really exist. Tuesday Night Steel has run continuously since 1982. The match currently draws one hundred and twenty to one hundred eighty shooters every Tuesday night. Any safe shooter can enter any of the matches after a brief class before the match. For more information on the matches go to www.riosaladosportsmans.com.

What's in Your Bug Out Bag? Xlibris Corporation

Assistant Chief Constable Iles finds himself suspected of murder in the fast-paced 35th installment of the popular Harpur and Iles police procedural series. Tensions in the community are mounting following the gruesome deaths of two men, both of whom were accused yet acquitted of the murder of an undercover police officer. It looks like vigilante justice, but who is responsible? Alarmingly, suspicion falls on Assistant Chief Constable Iles. Matters escalate when a TV show investigating the murders is aired, further implicating Iles. Iles seems at ease with the accusations, as are his superiors in the police force. But others are not feeling so secure. Local crime bosses Ralph Ember and Mansel Shale fear reprisals against Iles will result in their own businesses suffering. And so they begin to plan how to remove potential troublemakers from their path . . .

Regeneration Lulu.com

The New Assassin's Field Guide & Almanac By: M. W. Gats After a hard childhood under the stern gaze of his father, "The Master Chief," Dan Ketch goes to college thinking he's free to remake himself and restart his life. But seeking to avenge an injustice leaves him both abandoned by the girl he loved and a murderer. Dan figures it can't get worse but counts himself lucky he got away with it. He didn't. Approached by the mysterious Kestrel, Dan finds himself "scouted" by a secretive organization called The Thanatos Guild, which sits up and takes notice when a skillful amateur murder has been executed. Dan is given a choice: accept the training the Guild provides and commit three more murders of their choice. Then you can retire to wealth and peace. Refuse, and the authorities will learn all they need about your original crime. A third option is, after your initial three, you can stay with the Guild—as a professional provider of expedient murder. Years later, Dan is just that, wealthy, deadly, and living the life of the successful assassin. He even has a guide—the tome he stole from the Library of Bones—The New Assassin's Field & Almanac, author unknown, with all the advice a professional killer could want. But when Dan's long-lost college love reaches him with news of a daughter he never knew, he has to decide if he wants to continue as Proteus, Paladin of The Thanatos Guild, or retire and find anything inside that could be useful as a father to a little girl. And before that decision can be fully considered, Dan finds himself embroiled in a breach of the Guild's secrets and forced to attempt a rescue of the three people he's been told to kill next.
