The true story of the force of “ licensed to kill ” secret agents who became the basis for the James Bond spy series. Brigadier Colin Gubbins was M. The Special Operations Executive was his Secret Service. Professor Dudley Newitt was Q. Capt. Gus March-Phillips commanded “ Maid of Honor Force, ” the team of “ James Bonds ” who, in a daring operation, sailed a ship to West Africa and stole three enemy ships from a neutral Spanish port on the volcanic island of Fernando Po. Ian Fleming worked closely with M to oil the wheels that made the operation possible, and prepared the cover story, in which the British government lied in order to conceal British responsibility for the raid. M ’ s agents prepared the ground on Fernando Po, even enmeshing the governor in a honey trap. March-Phillips and his team carried out the

raid successfully in January 1942, despite much opposition from the local regular Army and Navy commanders, and in the face of overwhelming odds. Foreign Secretary Anthony Eden told Fleming ' s lies on the international stage, denying any British complicity in the operation. As a result, a secrecy embargo enveloped Operation POSTMASTER until recently. This gripping book proves beyond doubt that this thrilling operation, and the men who carried it out, were the inspiration for Fleming ' s fictional 007.

Counterterrorist specialist Dexter Diamond and his S.W.O.R.D. operatives continue their mission of hunting down and eliminating the remainder of the NAFs ill-fated Millennium Strike Force, and in doing so, ignite a conflict with Adam Clark and his CTAC assassins. Latin Kings orders a hit put on Dexter for the death of his favorite nephew Rafael. A continent away in Germany, US Army military police sergeant Jason Black begins an investigation into a series of hate crimes on the Army bases within the Schwabisch Gmund/Goppingen military community. Jason soon discovers that Army specialist Mark Kerns is heavily involved in Neo-Nazi activities and has connections to a secret Ku Klux Klan group that possibly spreads throughout the US military in Germany. When Jason's commander, who is a member of the Klan orders him to drop the investigation, Jason refuses and is

targeted for death by a KKK hit squad comprised of US soldiers. Monique continues her investigation of The Brotherhood of the Iron Hammer, a violent and corrupt group of federal prison guards and stumbles across an informant that could help bring the entire organization down. When the Brotherhood learns of Monique's plan to arrest several key members and possibly take down their national network, they enlist the services of a homicidal Aryan gang to set a deadly trap for her to silence her and discourage any other federal prison inspectors from interfering in their operations. 25For over 50 years, Albert R. Broccoli ' s Eon Productions has navigated the ups and downs of the volatile British film industry, enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series. Latterly, this family-run business has been crowned with box office gold and

recognised by motion picture academies around the world. However, it has not always been plain sailing.Changing financial regimes forced 007 to relocate to France and Mexico; changing fashions and politics led to box office disappointments; and changing studio regimes and business disputes all but killed the franchise. And the rise of competing action heroes has constantly questioned Bond ' s place in popular culture.But against all odds the filmmakers continue to wring new life from the series, and 2012 ' s Skyfall saw both huge critical and commercial success, crowning 007 as the undisputed king of the action genre. Now, with Daniel Craig back for a fifth turn as Ian Fleming ' s spy in October 2019, Bond ' s reign shows no signs of diminishing.Some Kind of Hero recounts this remarkable story, from its origins in the early fifties right through to

the present day, and draws on over a hundred unpublished interviews with the cast and crew of this iconic series.

Fluharty, a former Vietnam pilot, puts his flight experience to good use in this novel, and also showcases an authority on police techniques and procedure. The story is briskly paced, and the narrative remains central without disappearing behind extraneous information. An uneven romantic thriller that will appeal to genre fans (Kirkus Reviews of New York). Sam Fluharty flew a gunship in Vietnam and earned the Distinguished Flying Cross for Valor and the Purple Heart. He earned a law degree, and life got boring. Angel Vierra is Harry Bosch, Lucas Davenport and Billy Graves and of course, Sam Fluharty. Try to keep up with him! Parentology Grub Street Publishers Leslie Palmer, code-name Cinderella, is
