The Empty Copper Sea Wanderer

In recent years, sailing has undergone some revolutionary changes: Satellites and autopilots are now used for navigation. Artificial-fiber and wire ropes have nearly replaced natural-fiber ropes. But when it comes to decorative knotting, natural fiber is still the favored choice. This book is tops when it comes to learning how to master tying the most common sailing knots. With color illustrations and step-by-step instructions, the author explains how to correctly tie and use more than fifty knots?including stopper knots, bends, loops, and hitches?and in which situations each one is most useful.

A remarkable memoir that shows the capacity of the

human heart to heal after the challenge of having to say goodbye. Even the hardest lessons contain great gifts. Jim Beaver and his wife Cecily Adams appeared to have it all-following years of fertility treatments, they were finally parents and they were building their dream home and successful Hollywood careers. Life was good. But then their daughter, Maddie, was diagnosed as autistic. Weeks later, Cecily, a non-smoker, was diagnosed with Stage IV lung cancer. Sadly, after 14 years of marriage, Jim became a widower and a single dad. Faced with overwhelming grief, Jim reached out to family and friends by writing a nightly email-a habit he established when Cecily was first diagnosed. Initially a cathartic exercise for Jim,

the prose became an unforgettable journey for his readers. Life's That Way is a compilation of those profound, compelling emails.

Experience the true meaning of Christmas with beloved storyteller Max Lucado. "The Christmas Candle shines with a radiant insight. Written with Max Lucado 's signature style of sincerity and spiritual perception, this story will warm the reader 's heart with the wonders of God 's love and mercy." —In the Library Reviews

Heartwarming Classics of Angels, a Manger, and the Birth of Hope. These stories—like your favorite Christmas ornaments—come in all shapes and sizes. They unfold in a variety of settings, from ancient Bethlehem to rural England. From a small Texas town to the heavenly realms. Some are short. Others many chapters long. Some offer reflections. Others imagine Christmas through the eyes of a burnt-out candle maker, a lonely business man, or heavenly angels. Yet all are vintage Lucado, and all resonate with the wonder of the season. "In the

mystery of Christmas," Max writes, "we find its majesty. The mystery of how God became flesh, why he chose to come, and how much he must love his people. Such mysteries can never be solved, just as love can never be diagrammed. Christmas is best pondered, not with logic, but imagination." That's what each of these unique Christmas stories help us do. In the midst of the bustle and hurry that often

distracts us this time of year, these stories free us to explore the ways in which Christ's coming has forever changed history—and us. "A powerful reminder of the true meaning of faith and community, The Christmas Candle is a welcome respite from the harried commercialism of the holiday season." —BookPage "Fans of Charles Dickens and Jan Karon, you 're in for treat! Max Lucado has penned a wholly original Christmas

story complete with cobblestone streets, quirky characters, and a supernatural visit you 'll never forget." —John C. Maxwell, New York Times bestselling author on The Christmas Candle

Once Is Enough HarperCollins UK
Possessing a unique beauty and refined acting skills, Ann Dvorak (1911--1979) found success in Hollywood at a time when many actors were still struggling to adapt to the era of talkies. Seemingly destined for A-list fame, critics touted her as "Hollywood's New Cinderella" after film mogul Howard Hughes cast her as Cesca in the gangster film *Scarface* (1932). Dvorak's journey to superstardom was derailed when she walked out on her contractual obligations to Warner Bros. for an extended honeymoon. Later, she initiated a legal dispute over her contract, an action that was unprecedented at a time when studios exercised complete control over actors' careers. As the first full-length biography of an often-overlooked actress, *Ann Dvorak: Hollywood's Forgotten Rebel* explores the life and career of one of the first individuals who dared to challenge the studio system that ruled Tinseltown. The actress reached her pinnacle during the early 1930s, when the film industry was relatively uncensored and free to produce movies with more daring storylines. She played several female leads in films including *The Strange Love of Molly Louvain* (1932), *Three on a Match* (1932), and *Heat Lightning* (1934), but after her walk-out, Warner Bros retaliated by casting her in less significant roles. Following the casting conflicts and illness, Dvorak filed a lawsuit against the Warner Bros. studio, setting a precedent for other stars who eventually rebelled against the established Hollywood system. In this insightful memoir, Christina Rice explores the spirited rebellion of a talented actress whose promising career fell victim to the studio empire.

Vanity Will Get You Somewhere Thomas Nelson

Joseph Cotten 's story begins in Tidewater, Virginia, moves on to an episode as a Miami ' potato salad ' tycoon and then brings us to his first big break as an actor, in the New York theatre. Cotten describes how

he met the flamboyant Orson Welles- at a radio audition at which Welles set a wastepaper basket on fire- and their involvement with the Mercury theatre. This led to Cotten ' s first film role, as Orson ' s co-star in *Citizen Kane*, quickly followed by parts in *The Magnificent Ambersons* and *The Third Man*. Orson- perhaps the only man to use Churchill as a stooge while trying to set up a film deal- was a lifelong friend of Cotten ' s, and this autobiography was one of the last works he read before his untimely death in 1985. Cotten takes us behind the scenes of his stage plays and films, recalling amusing and intimate stories of his adventures with Ingrid Bergman, Marilyn Monroe, Katharine Hepburn, David Niven, David O. Selznick, Alfred Hitchcock and many others. Sensitive to his own motivations, frank about his marriages and warmly revealing about himself and his friends, Cotten has written much more than the usual film star biography. His skills as an actor have made him a master of character and dramatic momentum, and he brings the same talents to his writing. *Vanity Will Get You Somewhere* is a generous, loving and humorous portrait of a man without a shred of vanity in his nature- and of his friends and colleagues in the larger-than-life world of show business.

The internationally acclaimed author of the

L.A. Quartet and The Underworld USA

Trilogy, James Ellroy, presents another

literary noir masterpiece of historical

paranoia. In this savagely audacious novel,

James Ellroy plants a pipe bomb under the

America in the 1960s, lights the fuse, and

watches the shrapnel fly. On November 22,

1963 three men converge in Dallas. Their

job: to clean up the JFK hit's loose ends

and inconvenient witnesses. They are

Wayne Tedrow, Jr., a Las Vegas cop with

family ties to the lunatic right; Ward J.

Littell, a defrocked FBI man turned

underworld mouthpiece; and Pete

Bondurant, a dope-runner and hit-man who

serves as the mob's emissary to the anti-

Castro underground. It goes bad from

there. For the next five years these night-

riders run a whirlwind of plots and counter-

plots: Howard Hughes's takeover of

Vegas, J. Edgar Hoover's war against the

civil rights movement, the heroin trade in

Vietnam, and the murders of Martin Luther

King, Jr. and Bobby Kennedy. Wilder than

L. A. Confidential, more devastating than

American Tabloid, The Cold Six Thousand

establishes Ellroy as one of our most fearless

novelists.

Cape Horn to Starboard Douglas &

A master sailor when he was barely in his

twenties, Sterling Hayden (1916-1986)

became an overnight film star despite

having no training in acting. After starring

in two major films, he quit Hollywood and

trained as a commando in Europe. Hayden

joined the OSS and fought in the Balkans

and Mediterranean, earning a Silver Star

for his distinguished service. Hayden's wartime admiration for the Yugoslavian Partisans led to a brief membership in the Communist Party after the war, and this would come back to haunt him when he was called to testify in front of the House Un-American Activities Committee where he became the first star to name names. After returning to Hollywood, Hayden's film career flourished as he starred in several films including *The Asphalt Jungle*, *Denver and Rio Grande*, and *The Killing*. His personal life, however, descended into chaos. His bitter custody battle with his second wife led to his well-publicized and controversial kidnapping of their four children for a voyage to Tahiti. Increasing alcohol and substance abuse would take its toll, but Hayden's career would be revived as a character actor in such classics as *Dr. Strangelove* and *The Godfather*. In addition, he proved to be an excellent author, penning two international bestsellers. Despite these achievements, his later years were characterized by depression, self-doubt, alcoholism, and substance abuse. His life was metaphorically a series of wars, including the most difficult of them all--the war that Sterling Hayden fought with himself.
