Wanderlust is a standalone novel written by Skye Warren. This is my second book by Skye Warren. It ' s no secret that I love dark

books. I have a high threshold in the dark department. I do not cringe during rape scenes. I do not turn my eye away from beatings or the Heroine crying her eyes out.

Damn straight it can when  
written by Skye Warren. This is  
an emotional love story about two  
lost souls, who 'find' each other.  
Yes, the start of the relationship is  
unconventional.
