The fourth and final novel in New York

Times bestselling author Kelly Elliott's Meet Me in Montana series fires up the passion in a story about forgiveness and finding your soul mate. Dirk Littlewood had the world at his feet and a life he claimed to love. He was a world-champion bull rider with plenty of women to keep his nights busy and make his inner loneliness nothing but a delusion. Dirk's life was exactly how he wanted

it. Until it wasn't. The moment Merit Eden showed back up in Hamilton, Montana, everything was turned upside down. Life changed immediately and then tragedy struck. Merit was the only woman who could bring Dirk to his knees-and the only woman who could heal his broken past. If only he'd let her in, they could heal each other in the process. The

only thing left for Dirk to do was figure out how to not only forgive himself, but accept forgiveness from the only woman he had ever truly loved...if only he was strong enough to withstand the heartbreak. Never Enough A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for

everyone on a tight budget. While studying food policy as a master 's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government 's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and

Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The

idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “ Terrific! ” ; and Michael Pollan,

who cited it as a “ cool kickstarter. ” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace. The Butterfly Effect Hudson Higgins had fond memories of Boggy Creek from his childhood. So what better place to escape New York City for a few weeks to finish up a book that was nearing deadline than the small town in New Hampshire his parents visited nearly every summer. What he couldn't have known

was how his life would be turned upside down when he walked into Greer Larson's bookstore his first day in town. Greer Larson lived a quiet life in her hometown of Boggy Creek. She had worked nearly her whole adult life to make her dreams of owning her bookstore come true—and now, Turning Pages was her everything. She lived, eat, and breathed the success of owning her own business. That is, until a stranger came to town and showed Greer that there was more to life than simply working. A friendship between Greer and Hudson quickly formed over their love of books and the outdoors. When Greer's bookstore is threatened, Hudson soon realizes he hasn't simply fallen for the

charm of Boggy Creek and Greer, he'd fallen in love...with both the town, and the woman who stole his heart from the moment she first smiled at him. *Playing with Words* is book two in the Boggy Creek Valley series and is a stand alone novel. *Searching for Harmony* From the New York Times bestselling author of the *Cowboys and Angels* series comes an intricate romance that asks the question, Can love heal the pain of the past? Longing to forget the pain of his wife's death, Brock Shaw has immersed himself in the one thing that lets him escape the guilt. Bull riding. In Brock Shaw, Lincoln sees the part of her that's missing. In Lincoln Pratt, Brock sees the part of himself he thought he'd lost. But the pain of his past binds him. Can he let himself love again?
