Overcome and Lead recounts the powerful stories and essential lessons learned from Anne Beiler's time as the founder of Auntie Anne's Soft Pretzels, the world's largest pretzel franchise. As a former Amish girl with an eighth-grade education, Anne had many obstacles to overcome as she transformed into one of the first female founders of an international franchise-the greatest obstacle, however, was herself. With no capital, no formal education, and no business plan, Anne launched Auntie Anne's Soft Pretzels after a series of tragic life events left her broken, traumatized, and in a deep depression. As Anne and her team grew the company, she also grew herself personally and professionally. Join Anne as she takes you on a journey from feeling overwhelmed and inadequate to being an empowered and confident

leader. If you want to make a difference in your area of influence, this story is for you. It is for those of you currently leading people-whether at work, home, or in your community-and for those aspiring to lead someday. Building Auntie Anne's was a journey that required Anne to bring her whole self-both the gifts and the broken bits-to build something bigger than she ever imagined. Overcome and Lead will help you to do the same.

What the Koran Really Says Crossway
The Instant New York Times Bestseller!
Kim Liggett's *The Grace Year* is a speculative thriller in the vein of *The Handmaid's Tale* and *The Power*. Survive

the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, *The Grace Year* examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between. “A visceral, darkly haunting fever

dream of a novel and an absolute page-turner.” – Libba Bray, *New York Times* bestselling author

Lies of a Real Housewife: Tell the Truth and

Shame the Devil By Angela Stanton

Quit Like a Woman Lifeway Church Resources

The New York Times bestselling author of *The Benedict Option* draws on the wisdom of Christian survivors of Soviet persecution to warn American Christians of approaching dangers. For years, émigrés from the former Soviet bloc have been telling Rod Dreher they see telltale signs of "soft" totalitarianism cropping up in America--something more Brave New World than Nineteen Eighty-Four. Identity politics are beginning to encroach on every aspect of life. Civil liberties are increasingly seen as a threat to "safety". Progressives marginalize conservative, traditional Christians, and other dissenters. Technology and consumerism hasten the possibility of a corporate surveillance state. And the pandemic, having put millions out of work, leaves our country especially vulnerable to demagogic manipulation. In *Live Not By Lies*, Dreher amplifies the alarm sounded by the brave men and women who fought totalitarianism. He explains how the totalitarianism facing us today is based less on overt violence and more on psychological manipulation. He tells the stories of modern-day dissidents--clergy, laity, martyrs, and confessors from the Soviet Union and the

captive nations of Europe--who offer practical advice for how to identify and resist totalitarianism in our time. Following the model offered by a prophetic World War II-era pastor who prepared believers in his Eastern European to endure the coming of communism, *Live Not By Lies* teaches American Christians a method for resistance: • SEE: Acknowledge the reality of the situation. • JUDGE: Assess reality in the light of what we as Christians know to be true. • ACT: Take action to protect truth. Aleksandr Solzhenitsyn famously said that one of the biggest mistakes people make is assuming totalitarianism can't happen in their country. Many American Christians are making that mistake today, sleepwalking through the erosion of our freedoms. *Live Not By Lies* will wake them and equip them for the long resistance.

Women v. Religion Thomas Nelson

Discover the Immeasurable Love of Christ God's grand plan for the redemption of his creation has been in motion since before time began. The book of Ephesians lays out this glorious vision, revealing what Christ's redemptive work means for the people of God and showing us how we should live in light of that reality. *Alive in Him* draws us into the main themes in the book of Ephesians, showing us how the blessings we have received in Christ empower our obedience and love for God. Designed to be read alongside an open Bible,

Alive in Him helps us apply Paul's letter to our daily lives, reminding us of our purpose on earth and directing our gaze to the love of Jesus Christ—a love that has the power to transform how we live.

[It Ain't So Awful, Falafel](#) Thomas Nelson
From the Preface: "My name is Flora Jessop. I've been called apostate, vigilante, and crazy bitch, and maybe I am. But some people call me a hero, and I'd like to think they're right too. If I am a hero, maybe it's because every time I can play a part in saving a child or a woman from a life of servitude and degradation, I'm saving a little piece of me, too. I was one of twenty-eight children born to my dad and his three wives. Indoctrinated to believe that the outside world was evil, and that I resided among the righteous, I was destined to marry a man chosen for me by the Prophet. I would then live in harmony with my sister-wives, bear many children, and obey and serve my future husband in this life and throughout eternity. But my innocence didn't last long. While still a child, I understood that the church of the righteous was nothing but a church of lies. When I was eight years old my father sexually molested me for the first time, raping me when I was twelve. I tried to kill myself. Beaten, molested, taunted, and abused by family members alleging they only wanted to save my soul became a daily routine, I ran from this abuse more than once in my early teens--even attempting to cross the desert on foot. My family hunted me down. I thought government agencies would provide me safety if I reported my father. Instead, police and social services colluded with

the FLDS to return me to my family and I ended up back inside polygamy, right where I started." Flora goes on from there to tell the dramatic true story of how she ultimately escaped and has been fighting against frustrating obstacles with hard fought successes in rescuing women and children from the FLDS. It's a story you can't put down.

With *Emma's War: An Aid Worker, A Warlord, Radical Islam and the Politics of Oil*, journalist Deborah Scroggins achieved major international acclaim; now, in *Wanted Women*, Scroggins again exposes a crucial untold story from the center of an ongoing ideological war—laying bare the sexual and cultural stereotypes embraced by both sides of a conflict that threatens to engulf the world.

"If there ever was such a thing as a 'shortcut' to

the wisdom of the ages, you're holding it in your hands. This is the kind of wisdom that can only be earned over a lifetime of trial and error, trial and error, and, finally, trial and success." -Patrick Morley Author, *The Man in the Mirror* "In 2001, I wrote a book called *Lies Women Believe*. Since then this message has reached millions of women and been translated into dozens of languages. But I've often been asked about a 'male counterpart' to the book. When God brought Robert into my life in 2015, I soon realized he was the ideal choice to pen this message for men. You'll find that reading *Lies Men Believe*, with its warm, relatable style, is like having a conversation with a good friend. Be prepared, in the process, to grapple with some tough issues. And be prepared to experience the liberating power of the Truth—in your own life, and in the lives of those you influence." -Nancy DeMoss Wolgemuth Revive Our Hearts Teacher & Host; *Lies Books Series Editor* You are being hunted. Like a seasoned angler, our enemy opens his tackle box and selects the lure most likely to attract his intended prey—usually the one you and I are least likely to consider harmful. Each lie we bite on causes us to feel pain, lose or injure relationships, and miss out on the abundant life that God wants us to have. *Lies Men Believe* exposes the lies that men most commonly believe, and shows you how to combat those lies with the truth. Lies like: *Pleasure and Entertainment Can Truly Satisfy Me If I Mean Well, That's Good Enough If I Discipline My Children, They'll Rebel. I'm Measured by How I Compare with Other Men.*

Find out how lies are holding you back from freedom, joy, and intimacy with God and others. Discover the power of the truth. Because once you fully embrace the truth, nothing is ever the same.

You have been lied to! Have you been deceived? Through a nationwide survey and in-depth discussion groups, Nancy and Dannah have listened carefully to the heart of your generation. And here are some things they've heard: -"I know God should be the only thing that satisfies, but if it could be Him and my friends, then I could be happy." -"It seems like I have been struggling with depression forever. I always feel like I am not good enough." - "I tell myself that I don't really listen to the song lyrics, but once I hear a song a few times and start thinking about what they're saying I realize that it's too late. It's already stuck in my head." -"For me, the whole wife and mom thing is overrated. It isn't cool to want a husband and a family." Maybe you can identify. Trying to listen to the right voices can be difficult. This book has been written by friends who will help you find the Truth. Overcome and Lead Harper Collins

God Has a Name is a simple yet profound guide to understanding God in a new light--focusing on what God says about himself. This one shift has the potential to radically alter how you relate to God, not as a doctrine, but as a relational being who responds to you in an elastic, back-and-forth way. In *God Has a Name*, John Mark Comer takes you line by line through Exodus 34:6-8--Yahweh's self-revelation on Mount Sinai, one of the most quoted passages in the Bible. Along the way, Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus, including: Why do we feel this gap between us and God? Could it be that a lot of what we think about God is wrong? Not all wrong, but wrong enough to mess up how we relate to him? What if our "God" is really a projection of our own identity, ideas, and desires? What if the real God is different, but far better than we could ever imagine? No matter where you are in your

spiritual journey, the act of learning who God is just might surprise you--and change everything.
