Race, War, and Remembrance in the Appalachian South Routledge
Chronicles the baseball star's on-field achievements and explains how the dignity and determination with which Aaron stood against racism helped transform the role and significance of the professional black athlete and turn Aaron into a national icon. A novel. Volume one AuthorHouse

Money's tight and Henry is lucky to have the job at Mr. Hairston's grocery store. His parents are both lost in despair following the death of Henry's older brother, and Henry is glad for the opportunity to feel like he's helping. Saving to buy a marker for Eddie's grave, Henry tries to ignore Mr. Hairston's commentary about the customers. But Henry is shocked when he is told he's being laid off. That is, unless he agrees to do one thing, one terrible thing.

A Collection of Short Stories Diversion Publishing Corp.

Before award-winning director Dan Curtis became known for directing epic war movies, he darkened the small screen with the horror genre's most famous soap opera, *Dark Shadows*, and numerous subsequent made-for-TV horror movies. This second edition serves as a complete filmography, featuring each of Curtis's four-dozen productions and 100 photographs. With the addition of new chapters on *Dark Shadows*, the author further explores the groundbreaking daytime television serial. Fans and scholars alike will find an exhaustive account of Curtis's work, as well as a new foreword from My Music producer Jim Pierson and an afterword from Dr. Mabuse director Ansel Faraj.

War and Rape HarperCollins

These two classic works capture the tide of world events even as they unfold the compelling tale of a single American family drawn into the very center of the war's maelstrom. The multimillion-copy bestsellers that capture all the drama, romance, heroism, and tragedy of the Second World War -- and that constitute Wouk's crowning achievement -- are available for the first time in trade paperback.

An Unbroken Chain Delacorte Press

"Sentimental, heartfelt...the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices." -- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* "Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of *Snow Flower and the Secret Fan* In the opening pages of Jamie Ford's stunning debut novel, *Hotel on the Corner of Bitter and Sweet*, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While "scholarshipping" at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship--and innocent love--that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel's dark dusty basement he begins looking for signs of the Okabe family's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice--words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In Henry and Keiko, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. BONUS: This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Love and Other Consolation Prizes*.

A Novel McFarland

Like no other masterpiece of historical fiction, Herman Wouk's sweeping epic of World War II is the great novel of America's Greatest Generation. Wouk's spellbinding narrative captures the tide of global events, as well as all the drama, romance, heroism, and tragedy of World War II, as it immerses us in the lives of a single American family drawn into the very center of the war's maelstrom. The *Winds of War* and its sequel *War and Remembrance* stand as the crowning achievement of one of America's most celebrated storytellers.

Ayres and Dialogues, HarperCollins

Numerous histories and studies of the Great Swabian Migration of the 18th century have been written and published, and the tragic fate of many of their descendants in our own time has also been chronicled. Most of these are available in languages other than English. Much of that research forms the backdrop of "Children of the Danube," which is the author's attempt at telling the stories behind the history. Personal stories that weave the tapestry of the lives of his extended family with those of the other families and individuals who joined them after venturing down the majestic, sometimes turbulent, Danube River, taking them on a quest that is common to all people: the search for the Promised Land. That is what they sought in the devastated Kingdom of Hungary, recently liberated after an oppressive one hundred and fifty year occupation by the Turks. Leaving the Danube River behind them, they would

be confronted by a wilderness, disease-ridden swamps, dense forests, isolation, primitive living conditions, marauders and brigands. They would find themselves at the mercy of greedy landowners and rapacious nobles, and would have to endure the final onslaught of the Counter Reformation in their pursuit of religious freedom. This is what awaited them, in responding to the invitation of the Hapsburg Emperor Charles VI. It was hardly what the handbills circulating throughout south western Germany had promised. How they would respond, who they would become as a result of it, and what sustained and formed them into the "Children of the Danube," as a distinctive and unique people among the Danube Swabians will unfold, in the telling of their tragic and yet heroic story.

The Origin of the Red Cross: "Un souvenir de Solferino" Back Bay Books

From the master of alternate history comes an epic of the second Civil War. It was an epoch of glory and success, of disaster and despair. . . . 1881: A generation after the South won the Civil War, America writhed once more in the bloody throes of battle. Furious over the annexation of key Mexican territory, the United States declared total war against the Confederate States of America in 1881. But this was a new kind of war, fought on a lawless frontier where the blue and gray battled not only each other but the Apache, the outlaw, the French, and the English. As Confederate General Stonewall Jackson again demonstrated his military expertise, the North struggled to find a leader who could prove his equal. In the Second War Between the States, the times, the stakes, and the battle lines had changed--and so would history. . .

A Political Biography McFarland

Waking up in the hospital the morning after he witnesses a bus exploding outside a London station, Constantine Lindow is astonished when he is charged with the crime and finds himself searching for the real culprit in order to clear his name. A first novel.

Reflections of a 100-Year-Old Author Simon and Schuster

Survive the war. Outlast the enemy. Stay alive. That's what Henry Forrest has to do. When he lies about his age to join the Marines, Henry never imagines he'll face anything worse than his own father's cruelty. But his unit is shipped off to the Philippines, where the heat is unbearable, the conditions are brutal, and Henry's dreams of careless adventuring are completely dashed. Then the Japanese invade the islands, and US forces there surrender. As a prisoner of war, Henry faces one horror after another. Yet among his fellow captives, he finds kindness, respect, even brotherhood. A glimmer of light in the darkness. And he'll need to hold tight to the hope they offer if he wants to win the fight for his country, his freedom . . . and his life. Michael P. Spradlin's latest novel tenderly explores the harsh realities of the Bataan Death March and captivity on the Pacific front during World War II.

The Best of Henry Kuttner Scholastic Inc.

Recognized as one of the major literary works of the twentieth-century, Marcel Proust's monumental seven-volume novel brings together memories of childhood and Parisian society before and during the First World War. This new adaptation is based on Harold Pinter's screenplay, written at the request of the film director Joseph Losey in 1972. *Remembrance of Things Past* premiered at the Royal National Theatre in November 2000.

War and Remembrance Pocket

In an unprecedented literary accomplishment, Herman Wouk, one of America's most beloved and enduring authors, reflects on his life and times from the remarkable vantage point of 100 years old. Many years ago, the great British philosopher Sir Isaiah Berlin urged Herman Wouk to write his autobiography. Wouk responded, "Why me? I'm nobody." Berlin answered, "No, no. You've traveled. You've known many people. You have interesting ideas. It would do a lot of good." Now, in the same year he has celebrated his hundredth birthday, Herman Wouk finally reflects on the life experiences that inspired his most beloved novels. Among those experiences are his days writing for comedian Fred Allen's radio show, one of the most popular shows in the history of the medium; enlisting in the US Navy during World War II; falling in love with Betty Sarah Brown, the woman who would become his wife (and literary agent) for sixty-six years; writing his Pulitzer Prize-winning novel, *The Caine Mutiny*; as well as a big hit Broadway play *The Caine Mutiny Court Martial*; and the surprising inspirations and people behind such masterpieces as *The Winds of War*, *War and Remembrance*, *Marjorie Morningstar*, and *Youngblood Hawke*. Written with the wisdom of a man who has lived through two centuries and the wit of someone who began his career as professional comedy writer, the first part of Wouk's memoir ("Sailor") refers to his Navy experience and writing career, the second ("Fiddler") to what he's learned from living a life of faith. Ultimately, *Sailor and Fiddler* is an unprecedented reflection from a vantage point few people have lived to experience.

The Television Horrors of Dan Curtis University Press of Kentucky

[Henry Kissinger and American Power] effectively separates the man from the myths." --The Christian Science Monitor | Best books of August 2020 The definitive biography of Henry Kissinger—at least for those who neither revere nor revile him Over the past six decades, Henry Kissinger has been America's most consistently praised—and reviled—public figure. He was hailed as a "miracle worker" for his peacemaking in the Middle East, pursuit of détente with the Soviet Union, negotiation of an end to the Vietnam War, and secret plan to open the United States to China. He was assailed from the left and from the right for his indifference to human rights, complicity in the pointless sacrifice of American and Vietnamese lives, and reliance on deception and intrigue. Was he a brilliant master strategist—"the 20th century's greatest 19th century statesman"—or a cold-blooded monster who eroded America's moral standing for the sake of self-promotion? In this masterfully researched biography, the renowned diplomatic historian Thomas Schwartz offers an authoritative, and fair-minded, answer to this question. While other biographers have engaged in hagiography or demonology, Schwartz takes a measured view of his subject. He recognizes Kissinger's successes and acknowledges that Kissinger thought seriously and with great insight about the foreign policy issues of his time, while also recognizing his failures, his penchant for backbiting, and his reliance on ingratiation and fawning praise of the president as a source of power. Throughout, Schwartz stresses Kissinger's artful invention of himself as a celebrity diplomat and his domination of the medium of television news. He also notes Kissinger's sensitivity to domestic and partisan politics, complicating—and undermining—the image of the far-seeing statesman who stands above the squabbles of popular strife. Rounded and textured, and rich with new insights into key dilemmas of American power, *Henry Kissinger and American Power* stands as an essential guide to a man whose legacy is as complex as the last sixty years of US history itself.

War and Remembrance Back Bay Books

A stirring, dramatic story of a slave who mails himself to freedom by a Jane Addams Peace Award-winning author and a Coretta Scott King Award-winning artist. Henry Brown doesn't know how old he is. Nobody keeps records of slaves' birthdays. All the time he dreams about freedom, but that dream seems farther away than ever when he is torn from his family and put to work in a warehouse. Henry grows up and marries, but he is again devastated when his family is sold at the slave market. Then one day, as he lifts a crate at the warehouse, he knows exactly

what he must do: He will mail himself to the North. After an arduous journey in the crate, Henry finally has a birthday -- his first day of freedom.

Remembrance Day Good Press

Published to mark the 75th anniversary of VE Day, an unforgettable never-before-told first-person account of World War II: the true story of an American paratrooper who survived D-Day, was captured and imprisoned in a Nazi work camp, and made a daring escape to freedom. Now at 95, one of the few living members of the Greatest Generation shares his experiences at last in one of the most remarkable World War II stories ever told. As the Allied Invasion of Normandy launched in the pre-dawn hours of June 6, 1944, Henry Langrehr, an American paratrooper with the 82nd Airborne, was among the thousands of Allies who parachuted into occupied France. Surviving heavy anti-aircraft fire, he crashed through the glass roof of a greenhouse in Sainte-Mère-Église. While many of the soldiers in his unit died, Henry and other surviving troops valiantly battled enemy tanks to a standstill. Then, on June 29th, Henry was captured by the Nazis. The next phase of his incredible journey was beginning. Kept for a week in the outer ring of a death camp, Henry witnessed the Nazis' unspeakable brutality—the so-called Final Solution, with people marched to their deaths, their bodies discarded like cords of wood. Transported to a work camp, he endured horrors of his own when he was forced to live in unbelievable squalor and labor in a coal mine with other POWs. Knowing they would be worked to death, he and a friend made a desperate escape. When a German soldier cornered them in a barn, the friend was fatally shot; Henry struggled with the soldier, killing him and taking his gun. Perilously traveling westward toward Allied controlled land on foot, Henry faced the great ethical and moral dilemmas of war firsthand, needing to do whatever it took to survive. Finally, after two weeks behind enemy lines, he found an American unit and was rescued. Awaiting him at home was Arlene, who, like millions of other American women, went to work in factories and offices to build the armaments Henry and the Allies needed for victory. *Whatever It Took* is her story, too, bringing to life the hopes and fears of those on the homefront awaiting their loved ones to return. A tale of heroism, hope, and survival featuring 30 photographs, *Whatever It Took* is a timely reminder of the human cost of freedom and a tribute to unbreakable human courage and spirit in the darkest of times.

This is a historical romance. The subject is World War II, the viewpoint American.

A Romance New Directions Publishing

His resume of roles includes Macbeth, Cyrano de Bergerac, Ebenezer Scrooge and Oedipus Rex. His career has encompassed theatre and television in England, Canada and the United States. With a gift for developing offbeat characters, Barry Morse has had a prolific acting career, and the story of his life is a veritable history of 20th century theatre from the days before World War II through the early 21st century. In this memoir Morse traces his life and career, including his years at the Royal Academy of Dramatic Art, his radio jobs with the BBC, his 60-year marriage to actress Sydney Sturgess and their years together in the Court Players, his roles on television shows (*The Fugitive*, *Space: 1999*), and his acquaintance with literary lights (George Bernard Shaw) and screen stars (Robert Mitchum and Peter Cushing). Photographs from the Morse family collection are included.

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--

The World Book Encyclopedia World Book

A fascinating look at over seventy years of fighting in the American colonies—as France, England, and Spain tried to stake their claims in the New World. Although the colonial wars consisted of almost continuous raids and skirmishes between the English and French colonists and their Indian allies and enemies, they can be separated into four major conflicts, corresponding to four European wars of which they were, in varying degrees, a part: King William's War (1689-97) (War of the League of Augsburg); Queen Anne's War (1702-13) (War of the Spanish Succession); King George's War (1744-48) (War of the Austrian Succession); and The French and Indian War (1755-62) (Seven Years' War). This book chronicles the events of these wars, summarizing the struggle for empire in America among France, England, and Spain. He indicates how the colonists applied the experience they gained from fighting Indians to their engagements with European powers. And what they learned from the colonial wars, they translated into a political philosophy that led to independence and self-government.
