19 The Revolution of 1918/19 is one of the most important events in the modern history of Germany, yet it is poorly embedded in the historical memory of Germans. The failure of the Weimar Republic that this revolution brought into being and the Nazi era that followed it obstructed the view of these events for a long time. Revolution and the growth of industrial society, 1789 – 1914. Developments in 19th-century Europe are bounded by two great events. The

French Revolution broke out in 1789, and its effects reverberated throughout much of Europe for many decades. World War I began in 1914. Its inception resulted from many trends in European society, culture, and diplomacy during the late 19th century. War and Revolution: 1914 – 1917 - World Socialist Web Site The Mexican Revolution (Spanish:

Revolución Mexicana) was a major armed struggle, lasting roughly from 1910 to 1920, that transformed Mexican culture and government. Although recent research has focused on local and regional aspects of the revolution, it was a genuinely national revolution. Its outbreak in 1910 resulted from the failure of the 31-year-long regime of Porfirio Díaz to find a ...
