The Revolution of 1918/19 is one of the most important events in the modern history of Germany, yet it is poorly embedded in the historical memory of Germans. The failure of the Weimar Republic that this revolution brought into being and the Nazi era that followed it obstructed the view of these events for a long time.

Revolution and the growth of industrial society, 1789-1914. Developments in 19th-century Europe are bounded by two great events. The French Revolution broke out in 1789, and its effects reverberated throughout much of Europe for many decades. World War I began in 1914. Its inception resulted from many trends in European society, culture, and diplomacy during the late 19th century.

Introduction . During the Cold War, the German revolution of 1918-19 was a focal point that provoked fierce controversies. Historical arguments mixed with political ones, frequently reflecting the zeitgeist. Of the once fiercely contested debates over the alternative of liberal democracy versus Bolshevism, over missed chances and unutilised policy options, over “ third ways ” and a greater ...

The Mexican Revolution (Spanish: Revoluci ó n Mexicana) was a major armed struggle, lasting roughly from 1910 to 1920, that transformed Mexican culture and government. Although recent research has focused on local and regional aspects of the revolution, it was a genuinely national revolution. Its outbreak in 1910 resulted from the failure of the 31-year-long regime of Porfirio D í az to find a ...

This article surveys the various movements toward social, national, and political revolution that emerged during and in the wake of World War I. The Russian revolutions of 1917 serve as the first case study, followed by the mutinies in France, and the collapse of monarchies in Bulgaria, Austria-Hungary, and Germany. Events in Italy and Greece show the danger of revolution even among the victors.

It was the complex and far-reaching transformation of the Mexican Revolution rather than the First World War that left its mark on Mexican history in the second decade of the 20 th century. Nevertheless, although the country maintained its neutrality in the international conflict, it was a hidden theatre of war. Between 1914 and 1918, state actors in Germany, Great Britain and the United ...
