War and the Soul: Healing Grief and Loss with Edward Tick ...

War and Soul Healing What does it really take to heal the particular wounds that come from the experience of war? War healing can be accomplished if we take that healing on as a spiritual journey that will have shamanism, initiatory ordeals, and the resolution of the experience of combat along that path.

The book presents hard, and surprising data, on the scale of war, In Part III, "The Long Road Home", the healer sets the "wound" in its mythic and signed context, looking to the transformative role of the Soul in healing. The bridge to the "irrational" is invoked; if humans were rational, War would have ended long ago.
