The Book titled: "The 1, 2, 3 Steps to Distinguish Between the Good, Acceptable and Perfect Will Of God in Marriage" is a comprehensive book about Marriage. It is fantastic and loaded with great revelations on how to make our choices aligned with the will of God for our lives in Marriage. It covers every subject that is required to bring us to the knowledge of how to identify and distinguish between the Good, Acceptable and Perfect will

of God in Marriage. Everyone sincerely prays for the Perfect will into the Good or Permissive will of God in Marriage these last of God in Marriage yet lacks the confidence to make a choice because when we are about to make a commitment, a racing thought drives down cold sweat on our faces. In most serious cases we hear a voice asking a pertinent question. Are you sure of what you are about doing? Did God say this is the right one to be with you for ever and ever? Are you sure that what is presented to you is a true love. Wait a minute you have to re-examine his or her life style, do you think he or she will be faithful to you? Many more of these staggering questions flood our minds without clear answers. We are always left in a deep state of despair and confusion. Voices in our mind conflicting with what we perceive in our spirit. This should never be so. When God brought Eve to Adam he said: "this is the bone of my bones and the flesh of my flesh". He was definitely sure of who God presented to him that she was rightly his wife. The plain reason for this is that Adam was created a Living soul as such he was able to link up with God easily and was fully persuaded that God took from his bones and created Eve. This book explains how we can become Living souls to obtain God's divine favor in Marriage. This book reveals the areas of our weaknesses in choosing a life partner. It also shows how the devil entraps us during Courtship with petting, necking, fondling all in the guise of love while with impunity we set out to defile the bed of marriage. When we finally marry we carry along the judgment of God into our new Homes because we have polluted and corrupted our bodies which is meant to be the Lord's property. This book exposes the Fruit of the Spirit, the Gifts of the Spirit and our Ministry Gifts as our three in one mandatory package to be fulfilled before Believers can enter into God's Perfect will in Marriage. It also stresses the need for every Believer not to be hasty in their choice for life partners thus slip

days. This is because there will be no time to correct the wrongs and make the crooked places straightened in our lives due to the pressures of the present world challenges. The book reveals that marriage is an institution created by God and not the traditions of men. As an institution there are laid down pre-requisite conditions that must be fulfilled in order to gain entrance into it. With scriptural proofs the book explains step by step how we can fulfill these conditions to gain access into the Perfect will of God in Marriage. It also defines the union of the man and his wife as Christ and the Church to be in the state of spirit to spirit, soul to soul and body to body compatibility. No Wonder the scripture describes Marriage as a Great Mystery. We cannot afford to make mistakes at this time through the random sampling and defilement of our bodies before we make a choice of a life partner. This is because God has provided enough knowledge for us these last days to put our lives straight with Him. Besides Jesus had warned us in Matthew 24 that our last days shall be like the days of Noah when many were marrying and given into marriage but the flood came and swept them all away. Therefore Marriage these last days should be taken seriously. Ignorance is not an Excuse.

"Everything happens for a reason." + "Everyone has free will." = ??? You've heard people quote these sayings. Maybe you've said them yourself. But sometimes you wonder, if each person is free to make their own choice, how could it be for any "reason" other than themselves? On the other hand,

if God has a reason for every choice we make, does that mean that he is the one making it? Join pastor and blogger Cory Hartman for a journey through the deep waters surrounding these questions. The trip is full of surprises as no simple truth is quite as simple as it seems, but Hartman brings penetrating clarity to these mysteries without taking the mystery away. Whether or not you follow him to the end, you won't forget this odyssey through the issues that shape the choices we make and the lives we live. "Cory Hartman's On Freedom and Destiny is both biblically grounded and philosophically informed. Using many insightful illustrations, Hartman explains the key issues related to the problem of reconciling human freedom with divine sovereignty. He ultimately shows how these teachings are compatible. Even readers who disagree with the book's thesis will profit immensely from reading this book." -Jim Spiegel, professor of philosophy and religion, Taylor University, and author of The Benefits of Providence: A New Look at Divine Sovereignty "Very few pastor-theologians get the balance right between being intellectual and being accessible. Cory Hartman does an admirable job in this book of writing material that is thoughtful, deftly written, and challenging but also eminently accessible for regular guys like me. This book comes from the trenches of pastoral ministry, the pages of Scripture, and the heart of a disciple of Christ who is striving to know Him more and proclaim His gospel." -Ted Kluck, award-winning co-author of Why We Love the Church: In Praise of Institutions and Organized Religion and author of Facing Tyson: Fifteen Fighters, Fifteen Stories Also available in Kindle format. Initially it was not my intention to write a book, I was just looking for answers. Answers to questions I had after my involvement as an infantry paratrooper with the 101st Airborne during the Vietnam War. And my life after death experience after I was stung by Giant Black Wasps went into anaphylactic shock and flat lined. I suffered a cardiac arrest and complete respiratory failure. I was later able to relate procedures the medical staff used to resuscitate me while I was dead. I don't have to wonder about life after death, I know. *Things To Come* will give the reader a thorough understanding of what the Bible says and what Christianity means for a believer. The book is divided into six sections; *The Covenants*, covers God's Covenants, His chosen people and God's will for mankind. *The Holy Spirit*, whom the Father sent to us after Christ's ascension, details the twelve current ministries of the Holy Spirit in our lives. *The Prince of Darkness* explains Satan's role in everyday life. Satan is not omnipresent so he cannot possibly involve himself in the daily affairs of eight billion people. God's Providential involvement in everyday life is revealed in the 4th chapter. *The Tribulation and the Rapture* addresses the final eventual battle between good and evil; Christianity and Islam. The final chapter *The Alpha and the Omega* specifies the personal relationship a believer has with Christ. *Things*

To Come is a very good book for anyone that desires a deep understanding of Scripture and either does not have the time for daily reading of Scripture or finds the Bible hard to understand. A word about PTS (PTSD), there is no D, PTS is not a disorder. PTS is natural reaction of stress experienced after a person is exposed to a traumatic event. Many people suffer from PTS, it can be the result of a rape, an assault, the loss of a spouse, a child, a sibling, witnessing a horrific event or an accident. What makes PTS different for soldiers is that they are subject to frequent traumatic events over a long period of time. People respond differently to traumatic events, some are more resilient than others. Frequency, duration, and the extreme nature of the event all play a role in recovery. A major component of PTS is the moral dissonance we experience. The event can completely destroy our belief system, the ideas we held that made sense of the world we live in. At any point in time we are a summation of what we know and the experiences we have gone through. Events and information change how we see the world and in effect change who we are. A traumatic event can be so life changing that we are in effect a different person and after a traumatic event, the new you. In order to recover from PTS, it is imperative we reconstruct a new belief system that encompasses our new reality and the new you. In *Just War, I* (Tom Newman) recount the events that destroyed my worldview and fundamentally changed the person I was. *The Company* I was with in Vietnam experienced a 97 percent casualties and fatalities. Within my first 30 days in country we had a friendly fire incident that killed eleven and severely wounded nineteen of my fellow troopers. I also witnessed the aftermath of the regular assassination of four year old children. Additionally, when we retook the city of Hue we found the shallow graves of 2,800; judges, doctors, clergy, policeman, and politicians, anyone that could organize a resistance against the communists. It was a very long process for me to make sense of my new realities and the new me. My other book; *A Brief History of the Bible* *Things To Come*, is the information I needed to reconstruct a new worldview bases on my experiences and the new person I had become. If you want to get your life back after suffering from PTS, it is imperative you find a new worldview for the new you.

Ares Createspace Independent Publishing Platform As portrayed in Homer's Odyssey, Penelope - wife of Odysseus and cousin of the beautiful Helen of Troy - has become a symbol of wifely duty and devotion, enduring twenty years of waiting when her husband goes to fight in the Trojan War. As she fends off the attentions of a hundred greedy suitors, travelling minstrels regale her with news of Odysseus' epic adventures around the Mediterranean - slaying monsters and grappling with amorous goddesses. When Odysseus finally comes home, he kills her suitors and then, in an act that served as little more than a footnote in Homer's original story, inexplicably hangs Penelope's twelve maids. Now, Penelope and her chorus of wronged maids tell their side of the story in a new stage version by Margaret Atwood, adapted from her own wry, witty and wise novel. The Penelopiad premiered with the Royal Shakespeare Company in association with Canada's National Arts Centre at the Swan Theatre, Stratford-upon-Avon, in July 2007.

God, Take Over: I Am Finished Faber & Faber

*Includes pictures *Includes ancient myths and accounts of Ares and cults that worshiped him *Includes online resources and a bibliography for further reading Ares, the God of War and personification of all that is reactionary and violent, is remembered today as the hated, unshakeable, and infallible embodiment of the violence prevalent in war and society at large, but surviving evidence suggests that this may not have always been the case. To understand that, it's necessary to remember that Greek mythology has been filtered and tempered by centuries of editors and zealots and fickle word of mouth. The stories that arrive in the beloved mythology books of today were not necessarily those read and told by the ancients. This is true not only thanks to later mythographers' overeager shears, wielded in order to strip the ancient Greek myths of much of their "heathenism," but also because over 2,000 years later, modern society is not privy to much of the cultural strata from which these stories

emerged. This book was written in the hope of presenting the modern reader with as much of the latter as possible, so as to provide a more accurate representation of Ares than is found in most modern collections of ancient Greek mythology. Being the "living" representation of the act that killed family members every year is more than enough to attract a certain degree of ignominy, but it is very likely that negative feelings towards Ares were not as pervasive among the ancient Greeks as one might believe today. An important thing to bear in mind when thinking about the stories of Ares is that the thin vein of myth that has come down today most often comes directly from Athenian sources, which were unfavorable towards Ares because they were generally unfavorable towards anything considered un-Athenian. The historian Thucydides, while discussing the Peloponnesian War, which was fought between Athens and Sparta at the end of the 5th century BCE, said that any "future scholar" would no doubt believe that the great city of Sparta was culturally insignificant in comparison with her enemy, Athens. It is well known today that Ares was worshipped by the warlike Spartans, but since they created very few grandiose works of architecture or literature (compared to those that came out of Athens), Sparta's views on Ares, and most other deities they worshipped, are paltry. Athenian culture, on the other hand, dominated the ancient world's art and culture, and its influence was felt strongly in the beloved myths and histories of the epoch. For better or worse, then, Athens left subsequent generations their marginalized corpus of ideas on ancient Greek religion, and this can be seen in the paltry occurrences of Ares in modern books on Greek mythology today. That said, being a worshipper of Ares didn't necessitate the bellicose nature of the Spartans, either. Although Athens left literary and archaeological evidence of their preferences for civic worship, many other poleis (Greek city-states) were loath to openly despise the god of war, despite his macabre associations. After all, war was a facet of yearly life, and Ares was one of the 12 gods of the highest Greek pantheon of deities who commanded worship according to a divine mandate. Ares's appearances in myths today (his affair with Aphrodite being a strong favourite) seem to be cursed by repeated banality. There's little of the "War God" in any of his stories other than the odd mention of how horrid he is. However, with a little effort, Ares and his influences can be found, even if only at the fringes of the stories, in the wider literary canon. One such example is the "Judgment of Paris," which refers to the Trojan warrior Paris's decision to award Aphrodite with the Golden Apple of the Hesperides (or the "Apple of Discord," as it came to be known).
