A shrewd politician, Abraham Lincoln recognized the power of the press. He knew that, at most, a few thousand people might hear one of his speeches in person, but countless readers across the nation would absorb his message through newspapers. While he was always under fire by some hostile portion of the openly partisan nineteenth-century media, through the careful cultivation of relationships Lincoln successfully wooed numerous prominent newspapermen into aiding his agenda. Whether he was editing his own speech in a newspaper office or inviting reporters to the White House to leak a story, the President skillfully steered the Union through the perils of war by playing his own version of the public relations game.

Uprising UK First Avenue Editions™

David J. Keyser, Ph.D. ** Christian Theology ** This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN: 9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of Christ, The Holy Spirit and Biblical fiction.

The Explosion of the Uss Maine Speedy Publishing LLC

Is Jesus Christ merely a dead mystical religious figure who lived 2000 years ago or the living risen Messiah sent for the redemption of mankind from the penalty of personal sin? Is Jesus actually able to communicate with you and I today with understandable words in our own language? Is He especially viewable and understandable in the pages, words, and cryptograph of the Holy Bible's Book of Daniel? You the reader are now at the threshold of not only a complete

teaching of the entire Book of Daniel, but a threshold of human history unprecedented. Both the great Prophets Daniel and the Apostle John said that in the days just preceding the return of Jesus Christ to set up His Millennial 1000 year Kingdom certain signs would appear on the world stage. Those indicators include: A worldwide international banking system; a cashless society; a worldwide common currency; computer technology that would monitor financial transactions, social interaction, and international communications; and a satellite communication system that would allow people to view events simultaneous from any television around the world. Let not this study of the Book of Daniel be entered into with fear and trepidation, but with wonder, astonishment and enthusiasm. Allow the Spirit of the Living God to cause the eyes of your understanding to be flooded with light, that you might know the truth and be set free. Best of life to you and yours, Dr. Martin W. Oliver PhD, BCPC

War of Words Greenwood Publishing Group

A compelling, sometimes heart-wrenching oral history of the Vietnam War relies completely on the voices of men and women who served in combat and supportive roles during the conflict. Reprint.

Writing a War of Words Simon and Schuster

*Includes pictures *Explains the roles played by Tecumseh and William Henry Harrison before, during, and after the battle *Includes various accounts of what happened at the battle according to both sides *Includes a bibliography for further reading *Includes a table of contents The Battle of Tippecanoe, fought on November 7, 1811 near present-day Lafayette, Indiana, involved forces of fewer than 2,000 Native American warriors and white soldiers, and only about 300 men were killed or wounded on both sides. Given those numbers, it's apparent that the battle was far from being a Saratoga or a Gettysburg in terms of its scale or significance as an historical turning point, yet it was one of the most important battles in shaping American history during the early 19th century. The battle also involved an epic confrontation between two important American figures: William Henry Harrison, who would become the 9th president of the United States by running on his success in the battle, and the Shawnee war chief Tecumseh, arguably the most famous Native American leader in American history. From the American Revolution up through the Battle of Tippecanoe, Native Americans in the Old Northwest (today's Midwestern states) had been putting up stout resistance to that region's settlement by white land speculators and settlers. Things came to a head when Tecumseh and his brother, the Prophet Tenskwatawa, spearheaded a movement in the region that greatly influenced the area's Native Americans. In 1806, Harrison began to publicly denounce Tenskwatawa to other tribal leaders, calling him a fraud and charlatan, but the Shawnee Prophet responded by accurately predicting a solar eclipse, which embarrassed Governor Harrison, and after this event, which tribal leaders took as a sign of Tenskwatawa's authenticity, his movement grew even more rapidly. By 1808, Tenskwatawa and his followers had moved west and founded a large, multi-tribal settlement near the confluence of the Tippecanoe and Wabash Rivers, called Prophetstown or Tippecanoe. Assisted by his brother Tecumseh, Tenskwatawa's settlement grew tremendously and eventually became the largest Native American settlement in the region. It also served as a Native American cultural center and provided a steady cadre of warriors ready to hear the Prophet's message that they should return to their ancestral lifestyles and force the white settlers and their culture out of their territory. Although accounts of the battle conflict, all agree that sentinels aroused the main body of the American

troops when they detected Native American warriors attacking the Americans' perimeter from the south. The initial Native American attack struck the southern point of the defensive perimeter around 4:30 a.m. on November 7, 1811, and almost immediately the warriors rushed in among the American defenders manning that sector. Soldiers defending the southern side of the perimeter suffered the highest casualties, with the Yellow Jackets suffering a 30% casualty rate, but in fighting lasting about two hours Harrison's force of roughly 1,000, suffered only 62 dead and about 120 wounded. As the sun rose, the warriors began running low on ammunition, and the light revealed their small numbers, leading them to break off the attack and retreat towards Prophetstown. The battle was hardly a decisive victory, but at the end of the fighting the Americans still held their perimeter, allowing them to claim victory. While Tippecanoe was clearly not a total victory, and Native American resistance would continue through the War of 1812, the battle is widely considered the end of Tecumseh's War and did help bring about the decline of Native American ascendancy in the region. The Battle of Tippecanoe: The History and Legacy of the American Victory That Ended Tecumseh's War analyzes the background that led up to the battle and its aftermath.

War of Words Xlibris Corporation

When the news business was literally a matter of life and death... A real-life Barbary Coast, War of Words details the bloody birth of the San Francisco Chronicle, when verbal blows traded between two of the town's most powerful men escalated into violence on the streets of 1880s San Francisco. Gun-toting newspaper publisher Charles de Young won circulation wars by spilling ink that destroyed political candidates he didn't like--and Isaac Kalloch, a hellfire preacher whose lust for the ladies equaled his craving to be mayor, was an obvious target. First angry words flew, then bullets, when de Young ambushed Kalloch and shot him. Miraculously, Kalloch survived and won the election, only to see his son enact revenge on his behalf five months later by walking into the newsroom and fatally shooting de Young. The trial lasted 28 days, featured over 200 witnesses and made headlines coast to coast. The verdict? Not guilty, by reason of "justifiable homicide." This sensational tale of sex, murder, and muckraking enthralled San Franciscans and is sure to captivate modern readers as well.

The Ogre faces not just the undead, but also the demonic powers that control and drive them to feed on human flesh.

A Man Approved of God War of Words

Now an Award-Winning Finalist in the Non-Fiction: Narrative category of The 2012 USA Best Book Awards, sponsored by USA Book News. Obtain a free 40-page excerpt on www.kirschstonebooks.com. Against the backdrop of World War II tragedy and devastation in Latvia, Poland and Germany and three decades of European history, this true narrative provides a window into the palpitating heart of wartime upheaval through the lives of Rolf Dutzmann and Lilo Wassull--two people fatefully positioned "on the other side." In December of 1939, swept along on a tide of dire necessity and circumstance due to the imminent Soviet takeover of his homeland, Rolf, a young Latvian aeronautical engineering student, flees with his family to Germany, a country fully under Hitler's control and already engaged in a brutal war. While the account chronicles Rolf's pursuit of his technical dream against daunting wartime odds, it is first and foremost a poignant love story that plays out against a panorama of worldwide chaos and destruction. It is also a story of the seen and unseen forces that coalesce to keep Rolf and Lilo alive after they meet in 1940 Berlin, leading them through a chain of cataclysmic events including Rolf's draft into the Luftwaffe and his father's assignment as chief inspector of V-2 rocket production; the bombing of Berlin; the destruction of their homes; their numerous desperate, cross-country escapes from the bombing, the advancing Soviet troops from the east, and other Allied forces from the west; the POW camp hardships; and the deprivation of the postwar years. Despite the immeasurable evil, suffering and desolation of World War II, a synchronistic chain of events provides an uplifting reminder that love and hope may take wing even out of the ashes of life's most terrifying adversities.

Falkenhorst Harlequin Books

Based on the Gospel of Matthew, this book is the first of five in the

series. The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.

The War of Words Brandt Tobler

The struggle is real. Sure. But often times we can over-complicate our lives. Planting God inspires us with a simple idea. God reveals Himself to us so we can plant Him into the lives of people around us. In this valuable book, Derek Schoenhoff shares exciting life-stories, asks thoughtful questions and applies Biblical truth. You will cultivate your knowledge of God, energize your ability to communicate with Him, unearth powerful principles for your restoration and wholeness, uncover strategies of the enemy in your life, and simplify your calling and purpose. God has made Himself accessible to everyone, but only you can choose to open yourself up to Him. Whether you have been a Christian for many years, or are just discovering Him, this book will help you on your journey, so you can be passionately Planting God.

A Complicated Legacy P & R Publishing

Writers have been writing about war since the siege of Troy, but few, if any, have captured the first-person experience of war as deeply as My Vietnam War. Set in 1967 (the deadliest year of the Vietnam War), this memoir-style novel depicts the psychological journey of a young man whose carefree days of studying philosophy at the university are ended by the draft. The story follows him from his initial rear-echelon assignment in Saigon, where he falls for a mysterious storytelling bar girl, to his eventual posting at an isolated front-line firebase in one of the deepest parts of the Vietnam jungle. While recovering from a leg wound (he is hit by a piece of bone from a fellow soldier who stepped on a booby trap mine), he becomes the assistant medic and sees the horrors of war close up. The experience begins his steady spiral down into PTSD. After he is seriously wounded, he ends up back in Saigon where, after an old friend from Arizona gets him involved in the underground drug trade, the mysterious bar girl may be his only hope for salvation. It is a powerful story, well-written, with vivid detail that you will never forget.

Fake Warriors Yale University Press

Departing radically from traditional histories, A WAR IN WORDS tells the story of the First World War on a compelling, human scale through the letters and diaries of its participants -- whether combatants, eyewitnesses or victims. This was a young person's war and these people record their experiences with all the immediacy and passion of youth. They talk to us directly from within the war itself and from all sides of the conflict -- from the testimony of a Serbian teenager, one of Franz Ferdinand's assassins, to the final entry from a French soldier as he revisits a battlefield in 1919, realising he and the rest of the world have changed irrevocably. Most of these letters and diaries have never been published in English before. They were uncovered during extensive research across twenty-eight countries for the major ten-part series THE FIRST WORLD WAR, broadcast on Channel 4 in autumn 2003. The series will introduce many of the characters who appear in this book and will, like the book, recount the complex history of the war through the lives of the individuals caught up in it.

A War in Words Createspace Independent Publishing Platform

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And,

knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

KnowThis Marketing Basics 2nd Edition Good Press

Sremac offers a penetrating look at how media-generated images and ideas reiterated throughout the Yugoslav civil war hindered Washington's ability to understand what was really happening in the region and made U.S. foreign policy a reflection of sound bites rather than sound reasoning. The process and ideology that guides Washington, in a post-cold war era has allowed special interest groups that understand how Washington works to put forth a message that appeals to the media and receives endorsement by the U.S. foreign policymaking establishment. Foreign governments and their supporters in the United States have increasingly tapped into this system. The Yugoslav conflict is one of the first and most important examples of how certain Yugoslav warring parties were able to play out a war of words in Washington to ultimately influence U.S. foreign policy toward the region.

A War of Words Univ of California Press

Whether we are dealing with a rude clerk, our child saying, "That's not fair," our spouse ignoring us, or an uncooperative co-worker, in our struggle to respond effectively, we often become defensive - sometimes without even realizing it. Despite good intentions, we can become manipulative and controlling, even with those we love most. In this groundbreaking book, Sharon Ellison takes us to the root of our communication problems. She shows us how defensiveness functions in our lives and can lead to hurtful power struggles, outlining the six basic patterns we use: * Self-Betrayal * Avoidance * Excuses * Sabotage * Vindictiveness * Blame Using her Powerful, Non-Defensive Communication process, you can express yourself with a compelling blend of vulnerability and honesty. Learn to: * Ask disarming questions that prompt others to drop their defenses and open up * Give direct feedback to others without being judgmental * Express your own beliefs, feelings, and ideas passionately without being adversarial, so you can be heard and respected * Set firm boundaries that create security and clear expectations. "Taking the War Out of Our Words" provides us with vital tools for healing conflict, enhancing self-esteem, becoming more open and spontaneous, strengthening relationships, transforming organizations, and guiding the way toward peace in our global community.

The Battle of Tippecanoe Createspace Independent Publishing Platform

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from its celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable

jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Her Perfect Life Oxford University Press

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

The War of Words Union Square Press

Getting money, paying bills, finding your prince charming, finding your happiness it looked so easy when you were young. You thought you had it all figured out. Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journeys while getting lost in the grownup world.

Taking the War Out of Our Words Simon and Schuster

Writing a War of Words is the first exploration of the war-time quest by Andrew Clark - a writer, historian, and volunteer on the first edition of the Oxford English Dictionary - to document changes in the English language from the start of the First World War up to 1919. Clark's unique series of lexical scrapbooks, replete with clippings, annotations, and real-time definitions, reveals a desire to put living language history to the fore, and to create a record of often fleeting popular use. The rise of trench warfare, the Zeppelinophobia of total war, and descriptions of shellshock (and raid shock on the Home Front) all drew his attentive gaze. The archive includes examples from a range of sources, such as advertising, newspapers, and letters from the Front, as well as documenting social issues such as the shifting forms of representation as women 'did their bit' on the Home Front. Lynda's Mugglestone's fascinating investigation of this valuable archive reassesses the conventional accounts of language history during this period, recuperates Clark himself as another 'forgotten lexicographer', challenges the received wisdom on the inexpressibilities of war, and examines the role of language as an interdisciplinary lens on history.
